**SUPPLEMENTARY INFORMATION:****Paperwork Reduction Act**

The reporting requirements contained in this announcement have received clearance by the Office of Management and Budget (OMB) under Control Number 0575-0173.

**Authorizing Legislation and Regulations**

The program is authorized under section 306(a) of the Consolidated Farm

and Rural Development Act. Funding was made possible by the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2001 (106 Pub. L. 387). Program administration, eligibility, processing, and servicing requirements, which govern the Community Facilities grant program, may be found in 7 CFR part 3570, subpart B.

**Background**

Under the Rural Community Advancement Program (RCAP) for FY 2001, Congress authorized \$24 million set aside for loans and grants to benefit federally recognized Native American tribes. The Rural Housing Service decided that \$4 million of the set aside should be used for Community Facilities grants. Grants are targeted to communities with the smallest populations and lowest incomes. Eligible facilities include, but are not limited to, schools, classrooms, educational related equipment, libraries, cultural museums, and dormitories.

**Eligibility Requirements**

Eligibility requirements are found in 7 CFR part 3570, subpart B. The provisions of 7 CFR parts 3015, 3016, and 3019, as applicable, are included as requirements of these grants.

**Allocation of Funds**

All funds will remain in the National office reserve for funding consideration for FY 2001. Project selections will be on a national competitive basis and will be disbursed during two windows of opportunity. Applications must be processed by the Rural Development State office and forwarded to the Rural Housing Service, Washington, DC, by May 11, 2001, for the first window and by August 17, 2001, for the second. Each application will be limited to \$135,000.

**Intake and Processing of Grant Proposals**

USDA Rural Development's designated field or State office processes the intake of all preapplications and applications.

**Priority Points**

The Rural Housing Service is aware of a recent survey of tribal colleges that documented more than \$200 million of construction, renovation, and repair needs. The Rural Housing Service has decided to provide additional priority points to applications from tribal colleges that meet these needs. Each application received from a tribal college will be awarded an additional 20 points from Community Programs.

**Selection Process**

Once a determination has been made that an applicant is eligible, the preapplication is evaluated competitively and points awarded as specified in the project selection priorities contained in 7 CFR part 3570, subpart B. The State Director or designee will forward the request to the National office to compete for funding consideration. Projects will then be rated, ranked, and selections made in order of priority. Each proposal will be judged on its own merit. Projects not selected for funding consideration will remain eligible to compete for the next round of funding selections.

**Final Approval and Funding Process**

Final approval is subject to the availability of funds; the submission by the applicant of a formal, complete application and related materials that meet the program requirements and responsibilities of the grantee contained in Title 7 CFR 3570, subpart B; the letter of conditions; and the grant agreement.

Those preapplications that do not have sufficient priority necessary to receive funding consideration for FY 2001 will be notified, in writing, by the State or designated field office.
