Interim regulations providing a new procedure for requesting refunds of harbor maintenance fees that were paid on exports were published as T.D. 01-25 in the **Federal Register** (66 FR 16854) on Wednesday, March 28, 2001. The interim regulation amended § 24.24(e)(4), Customs Regulations (19 CFR 24.24(e)(4)). An error was contained in paragraphs (e)(4)(i) and (e)(4)(ii)(A) of § 24.24 regarding the zip code in the address to send requests for refunds for harbor maintenance fees paid on both export and non-export movements. This document corrects that error. DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

25 CFR Part 183

RIN: 1076-AE10

Use and Distribution of the San Carlos Apache Tribe Development Trust Fund and San Carlos Apache Tribe Lease Fund

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule.

SUMMARY: The Bureau of Indian Affairs (BIA) is amending its regulations by adding a new part in response to the San Carlos Apache Tribe Water Rights Settlement Act. The Act sets up two funds for the benefit of the San Carlos Apache Tribe, namely, the San Carlos Apache Tribe Development Trust Fund and the San Carlos Apache Tribe Lease Fund. This regulation sets out the criteria and processes involved in the distribution of principal and income for the Trust Fund and the distribution of income accrued for the Lease Fund, as administered by the BIA. The Act required the Secretary to promulgate rules no later than 30 days after December 31, 1999. The Secretary consulted extensively with the Tribe on the content of the rule from January through July 2000. Since the rule is more than one year late in being promulgated, the Secretary is issuing this rule as a Final Rule that will become effective upon publication.

DATES: This rule is effective on April 27, 2001. Comments must be received on or before June 26, 2001.

ADDRESSES: Send comments to: Terry Virden, Director, Office of Trust Responsibilities, Bureau of Indian Affairs, Attn: Branch of Irrigation and Power, MS 3061-MIB, Code 210, 1849 C Street, NW., Washington, DC 20240; Telephone (202) 208-5480.

FOR FURTHER INFORMATION CONTACT: Wayne Nordwall, Regional Director,

Bureau of Indian Affairs, Western Regional Office, Attn: Branch of Water and Land Resources, P.O. Box 10, Phoenix, Arizona 85001; Telephone (602) 379-6789.

SUPPLEMENTARY INFORMATION: The authority to issue this document is vested in the Secretary of the Interior by 5 U.S.C. 301; the Act of August 14, 1914 (38 Stat. 583; 25 U.S.C. 385). The Secretary has delegated this authority to the Assistant Secretary—Indian Affairs under part 209 Departmental Manual, Chapter 8.1A and Memorandum dated January 25, 1994, from Chief of Staff, Department of the Interior, to Assistant Secretaries, and Heads of Bureaus and Offices.

Background

The San Carlos Apache Tribe Water Rights Settlement Act (the Act), Public Law 102-575, 106 Stat. 4740 *et seq.*, set up two funds for the benefit of the San Carlos Apache Tribe (Tribe), namely, the San Carlos Apache Tribe Development Trust Fund (Trust Fund) and the San Carlos Apache Tribe Lease Fund (Lease Fund). The Act required the Secretary of the Interior (Secretary) to promulgate regulations to properly administer and provide for the distribution of principal and income accrued to the Trust Fund. For the sake of consistency, we are issuing regulations that will provide, also, for the distribution of income accrued to the Lease Fund—though the Act did not require this action. These regulations were developed in consultation between the Bureau of Indian Affairs (BIA) and the Tribe over the time from January through July, 2000. These consultations were in keeping with the Administration's policy on government-to-government consultations, as first iterated by the President's memorandum of April 29, 1994. While this has resulted in a longer regulation development period—a period beyond the statutory requirements of the Act—the result of a cohesive, consensus agreement as presented in the proposed regulations significantly mitigates against any delay in their promulgation.

A new part 183 is, therefore, being added to title 25 of the Code of Federal Regulations to allow for the administration of the Trust Fund and the Lease Fund for the benefit of the Tribe.

Public Comments

Comments should be submitted to the address indicated in the **ADDRESSES** section of this document, where they will be available for public inspection. All written comments received by the BIA, by the date indicated in the **DATES**

section of this document, and all other relevant information in the record will be carefully assessed and fully considered.

Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the rulemaking record, that we will honor to the extent allowed by law. There also may be circumstances in that we would withhold a respondent's identity from the rulemaking record, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

Regulatory Planning and Review (Executive Order 12866)

In accordance with the criteria in Executive Order 12866, this rule is not a significant regulatory action. This rule will not have an annual economic effect of \$100 million or adversely effect an economic sector, productivity, jobs, the environment or other units of government. The rule applies only to one small Tribal community in Arizona and is required to be promulgated by the Secretary as a pre-requisite to the Tribe being able to use trust funds provided to the Tribe in its water rights settlement act. A cost-benefit and economic analysis was not prepared because such analysis is irrelevant to the right of the Tribe to have access to this trust fund under its water rights settlement act. This rule will not create inconsistencies with other agencies' actions because no other agency has any program responsibility over the distribution of the Tribe's trust fund. This rule will not materially affect entitlements, grants, user fees, loan programs, or the rights and obligations of their recipients because the rule only applies to the distribution of money belonging to one Tribe and is required to permit the Tribe to use its money. This rule will not raise novel legal or policy issues because the Secretary's legal and policy authority to administer and distribute Indian trust funds is well-established.

Regulatory Flexibility Act

The Department of the Interior, BIA, certifies that this rule will not have a

significant economic effect on a substantial number of small entities as defined under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). An initial Regulatory Flexibility Analysis is not required because Indian tribes are not considered to be small entities for purposes of this act.

Small Business Regulatory Enforcement Fairness Act

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This rule does not have an annual effect on the economy of \$100 million or more because it applies only to one small Tribe in Arizona. This rule will not cause a major increase in costs or prices for consumers, individual industries, Federal, state or local government agencies, or geographic regions because it applies only to one small Tribe in Arizona. This rule does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of the U.S.-based enterprises to compete with foreign-based enterprises because it applies only to one small Tribe in Arizona.

Unfunded Mandates Reform Act

In accordance with the Unfunded Mandates Reform Act (2 U.S.C. 1501, *et seq.*), this rule will not produce a Federal mandate of \$100 million or greater in any year, i.e., it is not a "significant regulatory action" under the Unfunded Mandates Reform Act because the rule applies only to one small Tribe in Arizona. This rule will not "significantly or uniquely" affect small governments and a Small Government Agency Plan is not required because the rule applies only to one small Tribe in Arizona, concerns trust funds owned by this one small Tribe, and is required by the Tribe's water rights settlement act in order for the Tribe to use the trust funds provided under the settlement act. Further, the Secretary consulted extensively with the Tribe on the proposed rule from January through July 2000.

Takings Implication Assessment (Executive Order 12630)

In accordance with Executive Order 12630, the rule does not have significant takings implications. A takings implication assessment is not required. Nothing is taken by the Federal Government; the rule merely provides a process for administering this program.

Federalism (Executive Order 13132)

This rule does not have significant Federalism effects to warrant the

preparation of a Federalism Assessment under Executive Order 13132. This rule will not have substantial direct effects on the states, in their relationship between the Federal Government and the states, or on the distribution of power and responsibilities among the various levels of government.

Civil Justice Reform (Executive Order 12988)

In accordance with Executive Order 12988, the Office of the Solicitor has determined that the rule does not unduly burden the judicial system and meets the requirements of sections 3(a) and 3(b)(2) of the Order.

Paperwork Reduction Act

This rule contains information collection requirements. However, this collection comes from only one respondent in one Tribe. The Tribal Council of the San Carlos Apache Tribe has sole access to the money through submission of a spending plan and request for funds. Therefore, it does not meet the requirements of "ten or more persons annually" as defined in the Paperwork Reduction Act (5 CFR 1320.3(c)(4)) and need not be cleared by the Office of Management and Budget.

National Environmental Policy Act

We have analyzed this rule in accordance with the criteria of the National Environmental Policy Act and 318 DM 2.2(g) and 6.3(D). This rule does not constitute a major Federal action significantly affecting the quality of the human environment. An environmental impact statement/assessment is not required. The promulgation of this rule is mandated by Section 3703(d) of Public Law 102-575 and the Secretary has no discretion that could be informed by an environmental impact statement or environmental statement.

Clarity of This regulation

Executive Order 12866 requires each agency to write regulations that are easy to understand. We invite your comments on how to make this rule easier to understand, including answers to questions such as the following:

- (1) Are the requirements in the rule clearly stated?
- (2) Does the rule contain technical language or jargon that interferes with its clarity?
- (3) Does the format of the rule (grouping and order of sections, use of headings, paragraphing, etc.) aid or reduce its clarity?
- (4) Would the rule be easier to understand if it were divided into more (but shorter) sections? (A "section" appears in bold type and is preceded by

the symbol "\$" and a numbered heading; for example, § 183.2 What terms do I need to know?).

(5) Is the description of the rule in the **SUPPLEMENTARY INFORMATION** section of the preamble helpful in understanding the proposed rule? What else could we do to make the rule easier to understand?

Send a copy of any comments that concern how we could make this rule easier to understand to: Office of Regulatory Affairs, Department of the Interior, Room 7229, 1849 C Street NW, Washington, DC 20240. You may also e-mail the comments to this address: Exsec@ios.doi.gov

Administrative Procedure Act

We are publishing this rule as a final rule without first publishing a proposed rule, as allowed under the good cause exception in 5 U.S.C. section 553(b)(3)(B). Seeking public comment is impractical, unnecessary and contrary to the public interest for the following reasons:

- The San Carlos Apache Tribe Water Rights Settlement Act required us to promulgate rules no later than 30 days after December 31, 1999; and
- Further delaying publication of this rule could cause financial harm to the San Carlos Tribe.

We are also making the rule effective as of the date of publication as allowed under the good cause exception in 5 U.S.C. section 553(d)(3). Delaying the effective date of this rule is unnecessary and contrary to the public interest because this could cause financial harm to the San Carlos Apache Tribe.

We invite comments on any aspect of this rule and we will revise the rule if comments warrant. Send comments on this rule to the address in the **ADDRESSES** section.

The Office is now, after consideration of this study, adopting a change to the time period within which a deposit of biological material (if needed) must be made and the depository information added to the specification.

EFFECTIVE DATE: May 29, 2001. This change is effective for any application in which a Notice of Allowability is mailed on or after May 29, 2001.
