As part of the conference agreement for FY2000 appropriations, the Bureau

of Justice Statistics was directed by the U.S. Congress "to implement a voluntary annual reporting system of all deaths occurring in law enforcement custody." BJS received OMB approval to conduct such an annual collection (OMB No. 1121-0249). In the time since submitting that collection for OMB approval, the President signed The Deaths in Custody Act of 2000 into law (PL 106-297). To comply with PL 106-297's new requirement for a quarterly collection of inmate death data from local jails, State prisons, juvenile facilities and police custody, BJS is now submitting for clearance the following series of forms: NPS-4, NPS-4A, NPS-5, NPS-5A, CJ-9, CJ-9a, CJ-10 and CJ-10A.

This collection will supplement the annual data on prison inmate deaths which the Bureau of Justice Statistics already collects as part of the National Prisoners Statistics program and the National Corrections Reporting Program. The Bureau of Justice Statistics will use this new information to publish an annual report on deaths in custody. The report will be made available to the U.S. Congress, Executive Office of the President, practitioners, researchers, students, the media, and other interested in criminal justice statistics and data.
