Evening Scoping Meeting

Date: June 6, 2001

Time: 7:00 to 9:00 pm

Place: The Forks Town Hall, US Route 201, The Forks, Maine

Daytime Scoping Meeting

Individuals needing directions to the scoping meetings should contact Mr. Robert Richter, FPL Energy Maine Hydro, LLC, at (207) 771-3536. Commission staff previously conducted a site visit of the Indian Pond Hydroelectric Project on September 28 and 29, 2000. No additional site visit is planned at this time.

To help focus discussions, we will distribute a Scoping Document (SD1) outlining the subject areas to be addressed in the EA to the parties on the Commission's mailing list. Copies of the SD1 also will be available at the scoping meeting.

Objectives

At the scoping meetings, staff will: (1) Summarize the environmental issues tentatively identified for analysis in the EA; (2) solicit from the meeting participants all available information, especially quantifiable data, on the resources at issue; (3) encourage statements from experts and the public on issues that should be analyzed in the EA, including view points in opposition to, or in support of, the staff's preliminary views; (4) determine the resource issues to be addressed in the EA; and (5) identify those issues that require a detailed analysis, as well as those issues that do not require a detailed analysis.

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission proceeding on the project. Individuals presenting statements at the meetings will be asked to sign in before the meeting starts and to clearly identify themselves for the record.

Individuals, organizations, and agencies with environmental expertise and concerns are encouraged to attend the meetings and to assist staff in

defining and clarifying the issues to be addressed in the EA.

l. Description of Amended

Application: Erie filed its relicense application for the E.J. West Project with the Commission on December 13, 1991. The Commission issued a Notice of Application Ready for Environmental Analysis (REA) for the project on July 14, 2000. The description of project facilities are described in the REA Notice. The District is a state agency that currently operates and maintains the Great Sacandaga Lake and the Conklingville Dam for flood control and low-flow augmentation purposes for the Lower Hudson River. Erie currently generates hydroelectric power using its own powerhouse and the District's facilities of the dame and reservoir (Great Sacandaga Lake).

The Applicants have requested waivers concerning any final amendment deadline to accommodate the filing of this amendment, and they have requested the Commission, in their future licensing action on this project, consider issuing (1) a separate license to Erie (existing licensee) for the project powerhouse and generating facilities; and (2) a separate license to the District (currently unlicensed) for the Conklingville Dam and Great Sacandaga Lake.

m. A copy of the amendment is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room 2-A, Washington, DC 20426, or by calling (202) 208-1371. The amendment may be viewed on <http://www.ferc.fed.us/online/rims.htm> (call (202) 208-2222 for assistance). A copy is also available for inspection and reproduction at the address in item h above.

n. Anyone may submit a protest or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 385.211, and 385.214. In determining the appropriate action to take, the Commission will consider all protests filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a

party to the proceeding. Any protests or motions to intervene must be received on or before the specified deadline date for the particular application.

All filings must (1) bear in all capital letters the title "PROTEST" or "MOTION TO INTERVENE;" (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005.
