AGENCY: Office of the Secretary, HUD.

ACTION: Super Notice of Funding Availability (SuperNOFA) for HUD Grant Programs; Technical Correction.

SUMMARY: On February 26, 2001, HUD published its Fiscal Year (FY) 2001 Super Notice of Funding Availability (SuperNOFA) for HUD's Housing, Community Development, and Empowerment Programs and Section 8 Housing Voucher Assistance. This document makes certain technical corrections to the general section of the SuperNOFA and to the following programs: Housing Counseling, HOPE VI, Economic Development Initiative (EDI); Brownfields Economic Development Initiative (BEDI); Continuum of Care; Housing Opportunities for Persons With AIDS (HOPWA); Youthbuild; Resident Opportunities and Self Sufficiency (ROSS) Program, Section 202 Supportive Housing for the Elderly Program, Section 811 Supportive Housing for Persons with Disabilities

Program, and Assisted Living Conversion Program. This document also extends the application due date for Tribes and Tribally Designated Housing Entities (TDHEs) applying for funding under the ROSS Capacity Building and Conflict Resolution initiative.

DATES: Except for the extension of the application due date for Tribes and Tribally Designated Housing Entities (TDHEs) applying for funding under the ROSS Capacity Building and Conflict Resolution initiative, all application due dates remain as published in the **Federal Register** on February 26, 2001.

FOR FURTHER INFORMATION CONTACT: For the Programs listed in this notice, please contact the office or individual listed in the **FOR FURTHER INFORMATION** heading in the individual program section of the SuperNOFA, published on February 26, 2001.

SUPPLEMENTARY INFORMATION: On February 26, 2001 (66 FR 11638), HUD published its Fiscal Year (FY) 2001 Super Notice of Funding Availability (SuperNOFA) for HUD's Housing, Community Development, and Empowerment Programs and Section 8 Housing Voucher Assistance. The FY 2001 SuperNOFA announced the availability of approximately \$2.75 billion in HUD program funds covering 45 grant categories within programs operated and administered by HUD offices and Section 8 housing voucher assistance.

This notice published in today's **Federal Register** makes certain corrections and clarifications to the General Section of the SuperNOFA and to the funding availability announcements of the following programs: Economic Development Initiative (EDI); Brownfields Economic Development Initiative (BEDI); HOPE VI; Housing Counseling; Youthbuild; Resident Opportunities and Self Sufficiency (ROSS) Program, Assisted Living Conversion Program, Housing Opportunities for Persons With AIDS (HOPWA), Section 202 Supportive Housing for the Elderly Program and Section 811 Supportive Housing for Persons with Disabilities Program.

Summary of Technical Corrections

A summary of the technical corrections that will be made by this document are as follows: The page numbering shown in bracket identifies where the individual funding availability announcement that is being corrected can be found in the February 26, 2001 SuperNOFA, and the page numbering in parentheses identifies where the specific language that is being corrected can be found in the February 26, 2001 SuperNOFA.

General Section of SuperNOFA [Page 11636]

HUD corrects the Catalog of Federal Domestic Assistance Numbers (CFDA) for the Lead-Based Paint Hazard Control Program on the chart at page 11643 and the Healthy Homes Demonstration and Education Program at page 11644. The CFDA for the Lead-Based Paint Hazard Control Program should be 14.900. The CFDA for the Healthy Homes Demonstration and Education Program should be 14.901.

HUD also amends Section II (Requirements and Procedures Applicable to All Programs) by adding paragraph (L) to make the SuperNOFA consistent with Executive Order 13202 entitled, "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relation on Federal and Federally Funded Construction Projects" (page 11652).

HUD also corrects Appendix A-2, List of EZs, ECs, Urban Enhanced Enterprise Communities, Strategic Planning Communities, (page 11658) to accurately reflect an Empowerment Zone in Upper Manhattan/Bronx (the Empowerment Zone was included, and the address was correct but was not identified as "Upper Manhattan/Bronx") and to add the Strategic Planning Community in Brooklyn (page 11661). A certification that should have been filed with an application for this strategic planning community may still be filed and will be treated as a technical deficiency.
