

The demonstration project will enable FNS to continue to evaluate whether to amend program regulations to allow the substitution of donated beef and pork with commercial beef and pork in the State processing program. Particular attention will be paid to whether such an amendment of the regulations would increase the number of processors participating, and whether it would increase the quantity of donated beef and pork that each processor accepts for processing. Further, FNS will attempt to determine whether the expected increase in competition and the expected increase in the quantity of donated beef and pork accepted for processing will enable processors to function more efficiently, producing a greater variety of processed end products more quickly and/or at lower costs.

Interested processors should submit a written proposal to FNS outlining how they plan to carry out the substitution while complying with the above conditions. The proposal must contain (1) a step-by-step description of how production will be monitored; and (2) a complete description of the records that will be maintained for (a) the commercial beef and pork substituted for the donated beef and pork and (b) the disposition of the donated beef and pork delivered by USDA. All proposals will be reviewed by representatives of the Food Distribution Division of FNS and by representatives of the AMS Livestock Division's Commodity Procurement Branch and Grading Branch. Companies approved for participation in the demonstration project will be required to enter into an agreement with FNS and AMS which authorizes the processor to substitute donated beef and pork with commercial bulk beef and pork in fulfilling any current or future State processing contracts during the demonstration project period. Participation in the demonstration project will not ensure that processors will be awarded any State processing contracts.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

Congress, when it enacted legislation to implement the Nairobi Protocol to the Florence Agreement, included a provision for the Departments of Commerce and Treasury to collect information on the import of articles for the handicapped. Form ITA-362P, Information on Articles for Physically or Mentally Handicapped Persons Imported Free of Duty, is the vehicle by which statistical information is obtained to assess whether the duty-free treatment of articles for the handicapped has had a significant adverse impact on a domestic industry (or portion thereof) manufacturing or producing a like or directly competitive article. Without the collection of data, it would be almost impossible for a sound determination to be made and for the President to appropriately redress the situation.

##### II. Method of Collection

The Department of Commerce and the U.S. Customs Service have copies of Form ITA-362P and distributes the form

to importers and brokers upon request. Also, Form ITA-362P may be printed from the Statutory Import Programs Staff portion of the Department of Commerce website at [www.ita.doc.gov/IAFrameset.html](http://www.ita.doc.gov/IAFrameset.html). The importer or its broker normally completes the form, which is included in the Customs entry package. Forms are then forwarded by Customs officials or brokers to the Department of Commerce, which keeps the statistical records.

### III. Data

*OMB Number:* 0625-0118.

*Form Number:* ITA-362P.

*Type of Review:* Revision-Regular Submission.

*Affected Public:* Commercial, non-commercial, and individual importers of articles for the handicapped who wish to receive duty-free entry into the U.S.

*Estimated Number of Respondents:* 380.

*Estimated Time Per Response:* 4 minutes.

*Estimated Total Annual Burden Hours:* 304 hours.

*Estimated Total Annual Costs:* The estimated annual cost for this collection is \$14,240.00 (\$3,040.00 for respondents and \$11,200.00 for federal government).

### IV. Request for Comments

Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and costs) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

#### Continuation of Antidumping Duty Order: Canned Pineapple Fruit From Thailand

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of continuation of antidumping duty order: Canned pineapple fruit from Thailand.

**SUMMARY:** On February 2, 2001, the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 (c) of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty order on canned pineapple fruit ("CPF") from Thailand would be likely to lead to continuation or recurrence of dumping (66 FR 8777). On May 17, 2001, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty order on CPF from Thailand would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (66 FR 27534). Therefore, pursuant to 751(d)(2) of the Act and 19 CFR 351.218(e)(4), the Department is publishing this notice of the continuation of the antidumping duty order on CPF from Thailand.

**EFFECTIVE DATE:** May 30, 2001.

#### FOR FURTHER INFORMATION CONTACT:

Martha V. Douthit or James P. Maeder, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230; telephone: (202) 482-5050 or (202) 482-3330, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On June 5, 2000, the Department initiated (65 FR 35604), and the Commission instituted (65 FR 35666), a sunset review of the antidumping duty order on CPF from Thailand, pursuant to section 751(c) of the Act. As a result of its review, the Department found that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margin likely to prevail were the order revoked. See Canned Pineapple Fruit From Thailand;

Final Results of Full Sunset Review of Antidumping Duty Order, 66 FR 8777 (February 2, 2001).

On May 17, 2001, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on CPF from Thailand would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See Canned Pineapple Fruit From Thailand, 66 FR 27534 (May 17, 2001) and USITC Publication 3417 (May 2001), Investigation No. 731-TA-706 (Review).

#### Scope of the Order

The merchandise covered in the antidumping duty order is CPF from Thailand. CPF is defined as pineapple processed and/or prepared into various product forms, including rings, pieces, chunks, tidbits, and crushed pineapple, that is packed and cooked in metal cans with either pineapple juice or sugar syrup added. CPF is currently classifiable under subheadings 2008.20.0010 and 2008.20.0090 of the Harmonized Tariff Schedule of the United States ("HTSUS"). HTSUS 2008.20.0010 covers CPF packed in a sugar-based syrup; HTSUS 2008.20.0090 covers CPF packed without added sugar (i.e., juice-packed). Although these HTSUS subheadings are provided for convenience and for customs purposes, our written description of the scope is dispositive.

#### Determination

As a result of the determination by the Department, and the Commission that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on CPF from Thailand. The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of this order not later than April 2006.

Dated: May 23, 2001.
