We have now completed the review and determine Hyundai Steel Company to be the successor-in-interest to Hyundai Pipe Company, Ltd.

**EFFECTIVE DATE:** June 6, 2001.

**Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the "Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's ("Department") regulations are to 19 CFR part 351 (2000).

**SUPPLEMENTARY INFORMATION:****Background**

On May 2, 2001, the Department published its preliminary results in the *Federal Register* (see *Certain Circular Welded Non-Alloy Steel Pipe from the Republic of Korea; Preliminary Results of Changed Circumstances Review*, 66 FR 21910) ("Preliminary Results"), preliminarily finding Hyundai Hysco to be the successor-in-interest to Hyundai Pipe Company, Ltd. ("HDP"). No comments were received regarding these findings.

**Scope of the Review**

The merchandise subject to this review is circular welded non-alloy steel pipe and tube, of circular cross-section, not more than 406.4mm (16 inches) in outside diameter, regardless of wall thickness, surface finish (black, galvanized, or painted), or end finish (plain end, beveled end, threaded, or threaded and coupled). These pipes and tubes are generally known as standard pipes and tubes and are intended for the low-pressure conveyance of water, steam, natural gas, air, and other liquids and gases in plumbing and heating systems, air-conditioning units, automatic sprinkler systems, and other related uses. Standard pipe may also be used for light load-bearing applications, such as for fence tubing, and as structural pipe tubing used for framing and as support members for reconstruction or load-bearing purposes in the construction, shipbuilding, trucking, farm equipment, and other related industries. Unfinished conduit pipe is also included in this order.

All carbon-steel pipes and tubes within the physical description outlined above are included within the scope of this review except line pipe, oil country tubular goods, boiler tubing, mechanical tubing, pipe and tube hollows for redraws, finished scaffolding, and finished conduit. In accordance with the Department's *Final Negative Determination of Scope Inquiry on Certain Circular Welded Non-Alloy Steel Pipe and Tube from Brazil, the Republic of Korea, Mexico, and Venezuela*, 61 FR 11608 (March 21, 1996), pipe certified to the API 5L line-pipe specification and pipe certified to both the API 5L line-pipe specifications and the less-stringent ASTM A-53 standard-pipe specifications, which falls within the physical parameters as outlined above, and entered as line pipe of a kind used for oil and gas pipelines is outside of the scope of the antidumping duty order.

Imports of these products are currently classifiable under the following Harmonized Tariff Schedule of the United States ("HTSUS") subheadings: 7306.30.10.00, 7306.30.50.25, 7306.30.50.32, 7306.30.50.40, 7306.30.50.55, 7306.30.50.85, and 7306.30.50.90. Although the HTSUS subheadings are provided for convenience and Customs Service purposes, our written description of the scope of this proceeding is dispositive.

**Successorship and Final Results of Review**

Because we received no comments on the preliminary results, for the reasons stated in the *Preliminary Results* and based on the facts on the record, we find Hyundai Hysco to be the successor to HDP for antidumping duty cash deposit purposes.

Therefore, Hyundai Hysco will be assigned HDP's cash deposit rate of 2.64 percent *ad valorem*. This cash deposit requirement will be effective upon publication of this notice of final results of changed circumstances review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date. This cash deposit rate shall remain in effect until publication of the final results of the next administrative review.

This determination is issued and published in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 353.221(c)(4).

Dated: May 29, 2001.

### Amendment of Final Results

On April 24, 2001, the Department of Commerce (the Department) published the final results of its administrative and new shipper reviews on freshwater crawfish tail meat (crawfish tail meat) from the People's Republic of China (PRC) (66 FR 20634). This review covered numerous exporters, including Huaiyin Foreign Trade Corporation (30) (Huaiyin30), Yancheng Foreign Trade Corporation (Yancheng FTC), Yancheng Haiteng Aquatic Products & Foods Company, Ltd. (Yancheng Haiteng), Ningbo Nanlian Frozen Foods Corporation, Ltd./Huaiyin Foreign Trade Corporation (5) (Ningbo Nanlian/Huaiyin(5)), Suqian Foreign Trade Company, Ltd. (Suqian FTC), Yangzhou Lakebest Foods Company, Ltd. (Yangzhou Lakebest), Shantou SEZ Yangfeng Marine Products Company (Shantou SEZ), Qingdao Zhengri Seafood Co., Ltd. (Qingdao Zhengri), and Fujian Pelagic Fishery Group Company (Fujian Pelagic). The period of review (POR) is September 1, 1998 through August 31, 1999.

On April 23, 2001, we received a submission from Huaiyin30 alleging a clerical error in the final results of the

administrative review. The allegation was filed in a timely fashion.

*Comment 1:* Huaiyin30 alleges that the Department committed a ministerial error in the final results of the administrative review, by using an incorrect sales price for one of Huaiyin30's U.S. sales. For further details, see the business proprietary version of the memorandum from Matthew Renkey to the file, "Amendment of the Final Results of the 1998-99 Administrative Review of Freshwater Crawfish Tail Meat from the People's Republic of China: Huaiyin Foreign Trade Corporation (30)," dated May 24, 2001 ("Amendment Memorandum").

*Department's Position:* After a review of Huaiyin30's allegation, we agree with Huaiyin30 and have corrected our calculation worksheet to show the correct U.S. sales price for the sale in question. Please see "Amendment Memorandum," a public version of which is available in the Central Records Unit, Room B-099 of the Department of Commerce building, 14th Street and Constitution Ave, NW., Washington, DC.

### Amended Final Results of Administrative Review

As a result of our review and the correction of the ministerial error described above, we have determined that the following margins exist:

Manufacturer/exporter	Margin (percent)
*Ningbo Nanlian/Huaiyin5 .....	2.75
*Yancheng Haiteng .....	0.00
Huaiyin30 .....	138.69
*Yancheng FTC .....	35.73
*Fujian Pelagic .....	38.76
*Yangzhou Lakebest .....	0.00
*Suqian FTC .....	0.00
*Qingdao Zhengri .....	0.00
*Shantou SEZ .....	0.00
*PRC-Wide Rate .....	201.63

\*Not affected by these Amended Final Results.

The Department shall determine, and the U.S. Customs Service (Customs) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we will instruct Customs to assess an importer-specific percentage margin for the subject merchandise on each of that importer's entries during the review period.

### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of amended final results of administrative review and new shipper reviews for all shipments of freshwater crawfish tail meat from the PRC entered,

or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for the reviewed companies will be the rates shown above except that, for firms whose weighted-average margins are less than 0.5 percent and therefore *de minimis*, the Department shall require no deposit of estimated antidumping duties; (2) for previously-reviewed PRC and non-PRC exporters with separate rates, the cash deposit rate will be the company-specific rate established for the most recent period; (3) for all other PRC exporters, the cash deposit rate will be the PRC-wide rate, 201.63 percent; and (4) for all other non-PRC exporters of the subject merchandise, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and in the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with section 351.305 of the Department's regulations or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This administrative review and notice is in accordance with sections 751(a)(1) and 771(i)(1) of the Act.

Dated: May 24, 2001.
