Proposed Information Collection Activity; Comment Request; Proposed Projects

Title: Child Care and Development Fund Annual Report (Form ACF-700).

OMB No.: 0980-0241.

Description: The Child Care and Development Fund (CCDF) report requests annual tribal aggregate information on services provided through the CCDF which is required by the Child Care and Development Block Grant (CCDBG) Final Rule (45 CFR Parts 98 and 99). Tribes are required to submit annual aggregate data appropriate to tribal programs on children and families receiving CCDF-funds or CCDBG funded child care services. The CCDBG statute and regulations also require Tribal Lead Agencies to submit a supplemental narrative as part of the ACF-700 report. This narrative describes general child care activities and actions in the Tribal Lead Agency's service area and is not restricted to CCDF-funded child care activities. Instead this description is intended to address all child care available in the Tribal Lead Agency's service area. The ACF-700 and supplemental narrative report will be included in the Secretary's report to Congress, as appropriate, and will be shared with all Tribal Lead Agencies to inform them of CCDF or CCDBG-funded activities in other tribal programs.

Respondents: Tribal CCDF Programs (257 in total).

Title: Low Income Home Energy Assistance Program (LIHEAP) Carryover and Reallotment Report.

OMB No.: 0970-0106.

Description: The LIHEAP statute and regulations require LIHEAP grantees to report certain information to HHS concerning funds forwarded and funds subject to reallotment. The 1994 reauthorization of the LIHEAP statute, the Human Service Amendments of 1994 (Pub. grantee before the Allotment for the next fiscal year may be awarded.

We are requesting changes in the collection of data by adding a form, the Carryover and Reallotment Report For FY 20____, for the collection of data previously requested by the Simplified Instructions for Timely Obligations of FY 20____ LIHEAP Funds and Reporting Funds for Carryover and Reallotment. The addition of the form will clarify the information being requested and ensure the submission of all the required information. Use of the form will be voluntary. It is being added in response to numerous queries each year concerning how to provide information. It will not add any additional burden on grantees. Grantees would have the option to use another format.

Respondents: State, Local or Tribal Govt.
