## NUCLEAR REGULATORY COMMISSION

### Notice of Public Meeting of the Interagency Steering Committee on Radiation Standards

**AGENCIES:** Nuclear Regulatory Commission and Environmental Protection Agency.

**ACTION:** Notice of public meeting.

**SUMMARY:** The U.S. Nuclear Regulatory Commission (NRC) will host a meeting of the Interagency Steering Committee on Radiation Standards (ISCORS) on June 21, 2001, in Rockville, Maryland.

The purpose of ISCORS is to foster early resolution and coordination of regulatory issues associated with radiation standards. Agencies represented on ISCORS include the NRC, U.S. Environmental Protection Agency, U.S. Department of Energy, U.S. Department of Defense, U.S. Department of Transportation, the Occupational Safety and Health Administration of the U.S. Department of Labor, and the U.S. Department of Health and Human Services. The Office of Science and Technology Policy, the Office of Management and Budget, and a State Department representative may be observers at meetings. The objectives of ISCORS are to: (1) Facilitate a consensus on allowable levels of radiation risk to the public and workers; (2) promote consistent and scientifically sound risk assessment and risk management approaches in setting and implementing standards for occupational and public protection from ionizing radiation; (3) promote completeness and coherence of Federal standards for radiation protection; and (4) identify interagency radiation protection issues and coordinate their resolution. ISCORS meetings include presentations by the chairs of the subcommittees and discussions of current radiation protection issues. Committee meetings normally involve pre-decisional intra-governmental discussions and, as such, are normally not open for observation by members of the public or media. One of the four ISCORS meetings each year is open to all interested members of the public. There will be time on the agenda for members of the public to provide comments. Summaries of previous ISCORS meetings are available at the ISCORS web site, [www.iscours.org](http://www.iscours.org) and the final agenda for the June meeting will be posted on the site shortly before the meeting.

**DATES:** The meeting will be held from 1 p.m. to 5 p.m. on Thursday, June 21, 2001.

**ADDRESSES:** The meeting will be held in the NRC auditorium, at Two White Flint North, 11545 Rockville Pike, Rockville, Maryland 20852.

### Advisory Committee on Reactor Safeguards Meeting of the Subcommittee on Plant License Renewal; Notice of Meeting

The ACRS Subcommittee on Plant License Renewal will hold a meeting on June 22, 2001, Room T-2B3, 11545 Rockville Pike, Rockville, Maryland.

The entire meeting will be open to public attendance.

The agenda for the subject meeting shall be as follows: *Friday, June 22, 2001—1:00 p.m. until the conclusion of business.*

The Subcommittee will discuss the need for revising 10 CFR Part 54, "Requirements for Renewal of Operating Licenses for Nuclear Power Plants." The purpose of this meeting is to gather information, analyze relevant issues and facts, and to formulate proposed positions and actions, as appropriate, for deliberation by the full Committee.

Oral statements may be presented by members of the public with the concurrence of the Subcommittee Chairman; written statements will be accepted and made available to the Committee. Electronic recordings will be permitted only during those portions of the meeting that are open to the public, and questions may be asked only by members of the Subcommittee, its consultants, and staff. Persons desiring to make oral statements should notify the cognizant ACRS staff engineer named below five days prior to the meeting, if possible, so that appropriate arrangements can be made.

During the initial portion of the meeting, the Subcommittee, along with any of its consultants who may be present, may exchange preliminary views regarding matters to be considered during the balance of the meeting.

The Subcommittee will then hear presentations by and hold discussions with representatives of the NRC staff and other interested persons regarding this review.

Further information regarding topics to be discussed, whether the meeting has been canceled or rescheduled, and the Chairman's ruling on requests for the opportunity to present oral statements and the time allotted therefor, can be obtained by contacting the cognizant ACRS staff engineer, Mr. Sam Duraiswamy (telephone 301/415-7364) between 7:30 a.m. and 4:15 p.m. (EDT). Persons planning to attend this meeting are urged to contact the above named individual one or two working days prior to the meeting to be advised of any potential changes to the agenda, etc., that may have occurred.

Dated: May 31, 2001.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-44368; File No. SR-NYSE-00-31]

### Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the New York Stock Exchange, Inc. To Amend Rule 36.30 and Rule 104A.50

May 30, 2001.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 3, 2000, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange submitted an amendment to the proposed rule change on May 21, 2001.<sup>3</sup> The Commission is publishing this notice to solicit comments on the

proposed rule change, as amended, from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change consists of amendments to NYSE Rule 36.30, concerning communications from specialists' posts on the floor of the Exchange, and NYSE Rule 104A.50, concerning specialists reporting requirements. The text of the proposed rule change is set forth below. Deletions are in brackets. Additions are in italics.

##### Rule 36 Communications Between Exchange and Members' Offices

\* \* \* \* \*

.30 Specialist Post Wires—[With the approval of the Exchange, a specialist unit may maintain a telephone line at its stock trading post location to the off-Floor offices of the specialist unit or the unit's clearing firm. Such telephone connection shall not be used for the purpose of transmitting to the Floor orders for the purchase or sale of securities, but may be used to enter options or futures hedging orders through the unit's off-Floor office or the unit's clearing firm, or through a member (on the floor) of an options or futures exchange.]

*A. With the approval of the Exchange, a specialist unit may maintain a communication link at its stock trading post location:*

*1. To the off-Floor office of the specialist unit or the unit's clearing firm which may be used for the purpose of entering options and futures hedging orders, and orders in a foreign security;*

*2. To a member (on the Floor) of an options or futures exchange for the purpose of entering options and futures hedging orders;*

*3. To an automated trading system registered as a broker-dealer under the Securities Exchange Act of 1934 (a "registered broker-dealer") or under the auspices of a registered broker-dealer or under the auspices of a foreign broker-dealer subject to and in accordance with Rule 15a-6 under the Securities Exchange Act of 1934 ("Rule 15a-6") for the purpose of entering orders in a foreign security; and*

*4. To a registered broker-dealer or a foreign broker-dealer subject to and in accordance with Rule 15a-6 for the purpose of entering orders in a foreign security.*

*B. No such communication link shall be used for the purpose of transmitting to the Floor orders for the purchase or sale of securities.*

*C. For purposes of the Rule, a foreign security is a security traded on the Exchange which is a foreign ordinary security, a depositary receipt or a depositary share that represents a foreign company's publicly traded security. A specialist registered in the depositary receipt or share may enter an order either in such security or the related ordinary security. A specialist registered in the ordinary security may enter an order in such security, or where applicable, a related depositary receipt or share.*

#### Rule 104A Specialists—General

\* \* \* \* \*

.50 Equity Trading Reports—Every specialist (including relief specialists) must keep a record of purchases and sales initiated on the Floor (including purchases and sales resulting from commitments or obligations to trade issued from the Exchange through ITS or any other Application of the system), in stocks in which he is registered, for an account in which he has an interest. Specialists must also maintain records of purchases and sales in the Exchange's off-hours trading sessions. Such record must show the sequence in which each transaction actually took place, the time thereof, and whether such transaction was at the same price or in what respect it was at a different price in relation to the immediately preceding transaction in the same stock. The price designations for transactions made in another market center through ITS or any other applications of the System are to be determined from the immediately preceding transaction price on the Exchange at the time the commitment or obligation to trade is issued. Specialists and relief specialists are required to report such transactions in such automated format and with such frequency as may be prescribed by the Exchange. Paragraph 2104.12 sets forth circumstances under which specialists who maintain investment accounts in specialty stocks are required to submit an equity trading data report.

Options trading data reports—Every specialist (including relief specialists) must keep a record of all options purchases and sales to hedge his specialty stock positions as permitted by Rule 105 and must report such transactions in such automated format and with such frequency as may be prescribed by the Exchange.

Foreign securities reports—Every specialist (including relief specialists) must keep a record of all purchases and sales of foreign securities (as defined in Rule 36.30) for an account in which he has an interest. Specialists and relief specialists are required to report such transactions in such automated format and with such frequency as may be prescribed by the Exchange.

Inquiries.—Inquiries in connection with these reports should be addressed to Market Surveillance, 11 Wall Street, 10th Floor, telephone 656-6755.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> The Exchange submitted a new Form 19b-4, which replaces and supersedes the original filing in its entirety ("Amendment No. 1"). Amendment No. 1 withdraws the proposed amendments to NYSE Rule 36.20 in the original filing that would have permitted certain off-floor communications by members on the floor. The NYSE has stated that these amendments will be subject to a separate filing. Amendment No. 1 also amends proposed NYSE Rule 36.30A to clarify the manner in which Exchange specialists may communicate proprietary orders in foreign specialty stock from their post to off-floor broker-dealers. Finally, Amendment No. 1 amends proposed NYSE Rule 36.30C to include in the definition of foreign security depositary shares that represent a foreign company's publicly traded security.
