

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal government having first provided the funds to pay those costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.IC, this rule is categorically excluded from further environmental documentation. A “Categorical Exclusion Determination” is available in the docket for inspection or copying where indicated under **ADDRESSES**.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and

responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive order 13211, Actions Concerning Regulations that Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a statement of Energy Effects under Executive Order 13211.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05–1(g), 6.04–6, and 160.5; 49 CFR 1.46.

2. A new temporary section 165.T09–921 is added as follows:

§ 165.T09–921 Safety zone: Lake Erie, Port Clinton, Ohio.

(a) *Location.* All waters and the adjacent shoreline of Lake Erie, Port Clinton, Ohio, bounded by the arc of a circle with a 420-foot radius with its center in approximate position 41°30′52″ N, 082°55′46″ W. (NAD 1983).

(b) *Effective Period.* This regulation is effective from 2 p.m. until 11 p.m., July 04, 2001.

(c) *Regulations.* In accordance with the general regulations in § 165.23 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port.

Dated: June 4, 2001.

David L. Scott,

Commander, U.S. Coast Guard, Captain of the Port.

33 CFR Part 165

[CGD09–01–050]

RIN 2115–AA97

Safety Zone—River, Toledo, OH

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the Maumee River, Toledo, Ohio. This zone is intended to restrict vessels from a portion of the Maumee River during the City of Toledo's July 04, 2001, fireworks display. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with fireworks displays.

DATES: This rule is effective from 12:30 p.m. until 11 p.m. on July 04, 2001.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD09–01–050] and are available for inspection or copying at U.S. Coast Guard Marine Safety Office Toledo, 420 Madison Ave, Suite 700, Toledo, Ohio 43604, between 9:30 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LT Herb Oertli, Chief of Port Operations, Marine Safety Office, 420 Madison Ave, Suite 700, Toledo, Ohio 43604 (419) 418–6050.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM, and, under 5 U.S.C. 553(d)(3), good cause exists for making this rule if effective less than 30 days after publication in the **Federal Register**. The Coast Guard had insufficient advance notice to publish an NPRM followed by a temporary final rule. Publication of a notice of proposed rulemaking and delay of effective date would be contrary to the public interest because immediate action is necessary to prevent possible loss of life, injury, or damage to property.

Background and Purpose

A temporary safety zone is necessary to ensure the safety of spectators and vessels during the setup, loading and launching of a fireworks display in conjunction with the City of Toledo's

4th of July fireworks. The fireworks display will occur between 12:30 p.m. and 11 p.m. on July 04th.

This safety zone will encompass all waters and the adjacent shoreline of the Maumee River, Toledo, Ohio, extending from the bow of the museum ship SS WILLIS B. BOYER (41°38'35" N, 083°31'54" W), then north north-east to the south end of the City of Toledo Street (41°38'51" N, 083°31'50" W), then south-west to the red nun bouy #64 (41°38'48" N, 083°31'58" W), then south south-east to the museum ship SS WILLIS B. BOYER. The Captain of the Port Toledo or his designated on scene representative have the authority to terminate the event.

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Toledo or his designated on scene representative. The Captain of the Port or his designated on scene representative may be contacted via VHF Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). This finding is based on the historical lack of vessel traffic during this time of year.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: The owners and operators of vessels intending to transit or anchor in

a portion of the Maumee River off Toledo, Ohio.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: this rule will be in effect for less than one day in conjunction with one event, and vessel traffic can pass safely around the safety zone. In the event that shipping is affected by this temporary safety zone, commercial vessels may request permission from the Captain of the Port Toledo to transit through the safety zone.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Marine Safety Office Toledo (see ADDRESSES).

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal government having first provided the

funds to pay those costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations that Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a

statement of Energy Effects under Executive Order 13211.

DEPARTMENT OF DEFENSE

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

RIN 2900–AK41

Veterans Education: Increased Allowances for the Educational Assistance Test Program

AGENCIES: Department of Defense and Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The law provides that rates of subsistence allowance and educational assistance payable under the Educational Assistance Test Program shall be adjusted annually by the Secretary of Defense based upon the average actual cost of attendance at public institutions of higher education in the twelve-month period since the rates were last adjusted. After consultation with the Department of Education, the Department of Defense has concluded that the rates for the 2000–01 academic year should be increased by 4% over the rates payable for the 1999–2000 academic year. The regulations dealing with these rates are amended accordingly.

DATES: *Effective Date:* June 14, 2001.

Applicability Date: The changes in rates are applied retroactively to October 1, 2000, to conform to statutory requirements.

FOR FURTHER INFORMATION CONTACT:

William G. Susling, Jr., Assistant Director for Policy and Program Development, Education Service, Veterans Benefits Administration, 202–273–7187.

SUPPLEMENTARY INFORMATION: The law (10 U.S.C. 2145) provides that the Secretary of Defense shall adjust the amount of educational assistance which may be provided in any academic year under the Educational Assistance Test Program and the amount of subsistence allowance authorized under that program. The adjustment is to be based upon the twelve-month increase in the average actual cost of attendance at public institutions of higher education. As required by law, the Department of Defense has consulted with the Department of Education. The Department of Defense has concluded that these costs increased by 4% in the 1999–2000 academic year. Accordingly, this final rule changes 38 CFR 21.5820 and 21.5822 to reflect a 4% increase in the rates payable in the 2000–01 academic year, including changes in § 21.5820 to the adjustments that compensate for rounding. In addition, nonsubstantive changes are made for the purpose of clarification.

Administrative Procedure Act

The rates of subsistence allowance and educational assistance payable under the Educational Assistance Test Program are determined based on a statutory formula and, in essence, the calculation of rates merely constitutes a non-discretionary ministerial act. The other changes made by this document are merely nonsubstantive changes for the purpose of clarification. Accordingly, there is a basis for

dispensing with notice-and-comment and a delayed effective date under 5 U.S.C. 552 and 553.

Paperwork Reduction Act

This document contains no provisions constituting a collection of information under the Paperwork Reduction Act (44 U.S.C. 3501–3520).

Executive Order 12866

This document has been reviewed by the Office of Management and Budget under Executive Order 12866.

Regulatory Flexibility Act

The Secretary of Veterans Affairs and the Secretary of Defense hereby certify that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C 601–612. This final rule directly affects only individuals. Pursuant to 5 U.S.C. 605(b), this final rule, therefore, is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

There is no Catalog of Federal Domestic Assistance number for the program affected by this final rule.
