

Tennessee states that the referenced sheet is being filed to comply with the Tennessee's May 25, 2001, Letter Order in the captioned proceeding. In compliance with the Letter Order, Tennessee has revised Article XXXI of the General Terms and Conditions of its Tariff to reflect the Commission-approved language regarding gathering affiliate access. Tennessee requests that the referenced sheet be made effective June 1, 2001, subject to Tennessee's reserved rights to seek rehearing of the Letter Order and, if applicable, to modify the filing to reflect the outcome of any such rehearing or judicial review of these proceedings.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Trunkline Gas Company; Notice of Proposed Changes in FERC Gas Tariff

June 14, 2001.

Take notice that on June 8, 2001, Trunkline Gas Company (Trunkline) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, Seventh Revised Sheet No. 242A, to be effective July 8, 2001.

Trunkline states that the purpose of this filing is to add a general statement in Section 28.7 of the General Terms

and Conditions to address the "shipper must have title" rule and state that Trunkline will only provide service for others utilizing capacity acquired on another pipeline (off-system capacity) pursuant to its existing rates and tariff. Trunkline requests that the Commission grant a generic waiver of the "shipper must hold title" policy for any future service that Trunkline may provide utilizing off-system capacity.

Trunkline states that copies of this filing are being served on all affected customers and interested state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
