

OCRM, NMFS, and DOI will make the final funding allocations for each jurisdiction. The Federal agency team will review the draft applications and will provide comments to each applicant. These comments will include input from individuals with coral reef and fisheries management experience. The Federal agency team will then review the final complete applications and make final decisions on the funding to be awarded to each jurisdiction based on the score that each application receives as a result of the application of the criteria listed in subsection (11) above.

If one or more jurisdictions are ineligible to receive an award, NOAA and DOI will consult with the individual members of the All Islands Group on the use of those residual funds. NOAA and DOI will work with each jurisdiction to ensure the greatest degree of success in meeting that island's objectives.

Other Requirements

(1) *Federal Policies and Procedures*—Recipients and sub recipients are subject to all Federal laws and Federal and DOC policies, regulations and procedures applicable to Federal financial assistance awards. Applicants must use the standard NOAA grants application package, available from OCRM or the NOAA Grants Management Division, with the exception of draft applications, which should, at a minimum, include basic information on task descriptions and costs. Notwithstanding any verbal or written assurance that may have been received, there is no obligation on the part of DOC to cover pre-award costs.

(4) *No Obligation for Future Funding*—If an application is selected for funding, DOC has no obligation to provide any additional future funding in connection with that award. Renewal of an award to increase funding or extend the period of performance is at the total discretion of DOC.

(5) *Delinquent Federal Debts*—No award of Federal funds shall be made to an applicant who has an outstanding delinquent Federal debt until either:

(c) *Anti-Lobbying*—Persons (as defined at 15 CFR part 26, section 105) are subject to the lobbying provisions of 31 U.S.C. 1352, "Limitations on use of appropriated funds to influence certain Federal contracting and financial transactions," and the lobbying section of the certification form prescribed above applies to applications/bids for cooperative agreements, cooperative agreements, and contracts for more than \$100,000, and loans and loan guarantees for more than \$150,000, or the single family maximum mortgage limit for affected programs, whichever is greater; and

(d) *Anti-Lobbying Disclosures*—Any applicant that has paid or will pay for lobbying using any funds must submit an SF-LLL, "Disclosure of Lobbying Activities," as required under 15 CFR part 28, appendix B.

(7) *Lower Tier Certifications*—Recipients shall require applicants/bidders for sub awards, contracts, subcontracts, or other lower tier covered transactions at any tier under the award to submit, if applicable, a completed Form CD-512, "Certifications Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions and Lobbying" and disclosure form SF-LLL, "Disclosure of Lobbying Activities." Form CD-512 is intended for the use of recipients and should not be transmitted to DOC. SF-LLL submitted by any tier recipient or sub recipient should be submitted to DOC in accordance with

the instructions contained in the award document.

International Whaling Commission; Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meetings.

SUMMARY: NOAA makes use of a public Interagency Committee to assist in preparing for meetings of the International Whaling Commission (IWC). This notice defines guidelines for participating on the Committee and provides a tentative schedule of meetings and of important dates.

DATES: The July 6, 2001, Interagency Meeting will be held at 2 p.m. See **SUPPLEMENTARY INFORMATION** for the schedule for the 2001 IWC annual meeting.

ADDRESSES: The July 6, 2001, meeting will be held in Room B841-A, Herbert C. Hoover Building, Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

SUPPLEMENTARY INFORMATION: The purpose of the July 6, 2001, Interagency Committee meeting is to review recent events relating to the IWC and to

discuss U.S. positions for the 2001 IWC annual meeting.

The Secretary of Commerce is charged with the responsibility of discharging the obligations of the United States under the International Convention for the Regulation of Whaling, 1946. The U.S. Commissioner to the IWC has primary responsibility for the preparation and negotiation of U.S. positions on international issues concerning whaling and for all matters involving the IWC. He is staffed by the Department of Commerce and assisted by the Department of State, the Department of the Interior, the Marine Mammal Commission, and by other interested agencies.

Each year, NOAA conducts meetings and other activities to prepare for the annual meeting of the IWC. The major purpose of the preparatory meetings is to provide input in the development of policy by individuals and non-governmental organizations interested in whale conservation. NOAA believes that this participation is important for the effective development and implementation of U.S. policy concerning whaling. Any person with an identifiable interest in whale conservation policies may participate in the meetings, but NOAA reserves the authority to inquire about the interest of any person who appears at a meeting and to determine the appropriateness of that person's participation. Foreign nationals and persons who represent foreign governments may not attend. These stringent measures are necessary to promote the candid exchange of information and to establish the necessary basis for the relatively open process of preparing for IWC meetings that characterizes current practices.

Tentative Meeting Schedule

The schedule for the 2001 IWC annual meeting is as follows:

July 3–4, 2001 (London, UK): IWC Scientific Committee Working Groups and Sub-committees.
