Public Water System Supervision Program Revision for the State of Mississippi

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of tentative approval.

SUMMARY: Notice is hereby given that the State of Mississippi is revising its approved Public Water System Supervision Program. Mississippi has adopted drinking water regulations requiring consumer confidence reports from all community water systems, revised its administrative penalty (AP) authority, and revised its definition of a public water system. EPA has

determined that these revisions are no less stringent than the corresponding federal regulations. Therefore, EPA intends on approving this State program revision.

All interested parties may request a public hearing. A request for a public hearing must be submitted by August 10, 2001 to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. However, if a substantial request for a public hearing is made by August 10, 2001, a public hearing will be held. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become final and effective on August 10, 2001. Any request for a public hearing shall include the following information: (1) the name, address, and telephone number of the individual organization, or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing, and (3) the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

ADDRESSES: All documents relating to this determination are available for inspection between the hours of 8 a.m. and 4:30 p.m., Monday through Friday, at the following offices:

Mississippi State Department of Health, Office of Environmental Health, Division of Water Supply, 570 E. Woodrow Wilson Blvd., Underwood Building, Suite 232, Jackson, Mississippi 39215-1700 or at the Environmental Protection Agency, Region 4, Drinking Water Section, 61 Forsyth Street SW, Atlanta, Georgia 30303.

FOR FURTHER INFORMATION CONTACT:

Shaun McMullen, EPA Region 4, Drinking Water Section at the Atlanta address given above or at telephone (404) 562-9294.

Authority: (Section 1420 of the Safe Drinking Water Act, as amended (1996), and 40 CFR part 142 of the National Primary Drinking Water Regulations).

Dated: June 8, 2001.

A. Stanley Meiburg,

Acting Regional Administrator, Region 4.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission, Comments Requested

July 3, 2001.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before September 10, 2001. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications Commissions, 445 12th Street, S.W., Room 1-A804, Washington, DC 20554 or via the Internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at (202) 418-0217 or via the Internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval No.: 3060-0662.

Title: Section 21.930 Five year build-out requirements.

Form No.: n/a.

Type of Review: Extension of currently approved collection.

Respondents: Businesses or other for-profit.

Number of Respondents: 450.
Estimated Hours Per Response: 4 hours (1 hour respondent, 3 hours consulting engineer).
Frequency of Response: on occasion.
Cost to Respondents: \$202,500.
Estimated Total Annual Burden: 450.
Needs and Uses: A BTA authorization holder has a five-year build-out period, beginning on the date of the grant of the BTA authorization and terminating on the 5th year anniversary of the grant of the authorization, within which it may develop and expand MDS station operations within its service area. Section 21.930(c) requires the BTA holder to file with the Commission a demonstration that the holder has met construction requirements. This demonstration must be filed sixty days prior to the end of the five year build-out period. On June 14, 2001, the Commission's Mass Media Bureau adopted a Memorandum Opinion and Order in MM Docket No. 01-109 which extended the five year build out requirement set forth in Section 21.930 by two years. Thus, the first filings will not occur until FY 2003. The certification of completion of construction (FCC 304-A) required by Section 21.930(a)(3) has separate OMB approval under control number 3060-0664.) The data is used by FCC staff to determine if the BTA holder has met its construction requirements and to ensure that service is promptly delivered to the public. The Commission will issue a declaration that the holder has met the construction requirements.
