

which will include the results of its analysis of issues raised in any such written comments or at a hearing, within 120 days after the publication of this notice.

Upon issuance of the final results of review, the Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries. The Department will issue appraisal instructions directly to Customs. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the results and for future deposits of estimated duties. For duty assessment purposes, we calculated an importer-specific assessment rate by dividing the total dumping margins calculated for the U.S. sales to the importer by the total entered value of these sales. This rate will be used for the assessment of antidumping duties on all entries of the subject merchandise by that importer during the POR.

Furthermore, the following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided in section 751(a)(1) of the Act: (1) The cash deposit rate for Ta Chen, the only reviewed company, will be that established in the final results of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established in the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will continue to be the "all other" rate established in the LTFV investigation, which was 51.01 percent.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 2, 2001.

Faryar Shirzad,

Assistant Secretary for Import Administration.

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Denial of Short Supply Request under the United States - Caribbean Basin Trade Partnership Act (CBTPA)

July 6, 2001.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Denial of request alleging that microfilament fabric of continuous polyester and nylon filaments with average size of 0.02 to 0.8 decitex cannot be supplied by the domestic industry in commercial quantities in a timely manner.

FOR FURTHER INFORMATION CONTACT:

Janet E. Heinzen or Lori Mennitt, International Trade Specialists, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3400.

SUPPLEMENTARY INFORMATION:

Authority: Section 213(b)(2)(A)(v)(II) of the Caribbean Basin Economic Recovery Act, as added by Section 211(a) of the CBTPA; Section 6 of Executive Order No. 13191 of January 17, 2001.

Summary

On May 8, 2001 the Chairman of CITA received a petition on behalf of Freudenberg Nonwovens Group alleging that microfilament fabric of continuous polyester and nylon filaments with average size of 0.02 to 0.8 decitex, classified in subheading 5603.11.0090, 5603.12.0090, 5603.13.0090 or 5603.14.9090 of the Harmonized Tariff Schedule of the United States (HTSUS), cannot be supplied by the domestic industry in commercial quantities in a timely manner. It requested that apparel articles of such fabric be eligible for preferential treatment under the CBTPA. As a result, CITA published a Federal Register Notice (66 FR 13912) requesting public comments on the petition. These comments were due May 30, 2001. Based on its review of the petition, public comments received, and other information obtained, CITA is denying Freudenberg's petition.

Background

The CBTPA provides for quota- and duty-free treatment for qualifying textile and apparel products. Such treatment is generally limited to products manufactured from yarns or fabrics formed in the United States or a beneficiary country. The CBTPA also provides for quota- and duty-free treatment for apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more CBTPA beneficiary countries from fabric or yarn that is not formed in the United States or a CBTPA beneficiary country, if it has been determined that such fabric or yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner. In Executive Order No. 13191, the President delegated to CITA the authority to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the CBTPA. On March 6, 2001, CITA published procedures that it will follow in considering requests. (66 FR 13502).
