Abstract: The International Adult Literacy and Lifeskills Survey (IALL) will collect internationally comparable information on the literacy and numeracy performance of adults from around the world. The IALL will be administered in the general household population aged 16–65 and in selected federally-funded adult education programs. The IALL household assessment will provide a detailed picture of the literacy and numeracy skills of U.S. adults compared to adults from other countries. The IALL adult education program assessment will show the literacy skills of the adults enrolled in adult education programs and how they differ from the U.S. general population and international populations.

DEPARTMENT OF EDUCATION

Recognition of Accrediting Agencies, State Agencies for the Approval of Public Postsecondary Vocational Education, and State Agencies for the Approval of Nurse Education

AGENCY: National Advisory Committee on Institutional Quality and Integrity, Department of Education (The Advisory Committee).

What Is the Purpose of This Notice?

The purpose of this notice is to invite written comments on accrediting agencies whose applications to the Secretary for initial or renewed recognition or request for an expansion of scope will be reviewed at the Advisory Committee meeting to be held on December 10–11, 2001.

Where Should I Submit My Comments?

Please submit your written comments by August 27, 2001 to Carol Griffiths, Chief, Accrediting Agency Evaluation, Accreditation and State Liaison. You may contact her at the U.S. Department of Education, 1990 K Street, NW., 7th Floor, Room 7105, Washington, DC 20006–8509, telephone: (202) 219–7011. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service at 1–800–877–8339.

What Is the Authority for the Advisory Committee?

The National Advisory Committee on Institutional Quality and Integrity is established under section 114 of the Higher Education Act (HEA), as amended, 20 U.S.C. 1011c. One of the purposes of the Advisory Committee is to advise the Secretary of Education on the recognition of accrediting agencies and State approval agencies.

Will This Be My Only Opportunity To Submit Written Comments?

Yes, this notice announces the only opportunity you will have to submit written comments. However, a subsequent **Federal Register** notice will announce the meeting and invite individuals and/or groups to submit requests to make oral presentations before the Advisory Committee on the agencies that the Committee will review. That notice, however, does not

offer a second opportunity to submit written comment.

What Happens to the Comments That I Submit?

We will review your comments, in response to this notice, as part of our evaluation of the agencies' compliance with the Secretary's Criteria for Recognition of Accrediting Agencies. The Criteria are regulations found in 34 CFR part 602 (for accrediting agencies) and in 34 CFR part 603 (for State approval agencies).

We will also include your comments in the staff analyses we present to the Advisory Committee at its December 2001 meeting. Therefore, in order for us to give full consideration to your comments, it is important that we receive them by August 27, 2001. In all instances, your comments about agencies seeking initial or continued recognition or request for an expansion of scope must relate to the Criteria for Recognition. In addition, your comments for any agency whose interim report is scheduled for review must relate to the issues raised and the Criteria for Recognition cited in the Secretary's letter that requested the interim report.

What Happens to Comments Received After the Deadline?

We will review any comments received after the deadline. If such comments, upon investigation, reveal that the accrediting agency is not acting in accordance with the Criteria for Recognition, we will take action either before or after the meeting, as appropriate.

What Agencies Are on the Agenda for the Meeting?

The Secretary of Education recognizes accrediting agencies and State approval agencies for public postsecondary vocational education and nurse education if the Secretary determines that they meet the Criteria for Recognition. Recognition means that the Secretary considers the agency to be a reliable authority as to the quality of education offered by institutions or programs that are encompassed within the scope of recognition he grants to the agency.
