Title: Streamlined Process for Education Department General Administrative Regulations (EDGAR) Approved Grant Applications.

Burden Hours: 1.

Abstract: Since April 1997, EDGAR's menu of selection criteria become effective. For each competition, the Secretary would select one or more criteria that best enable the Department to identify the highest quality applications consistent with the program purpose, statutory requirements, and any priorities established. This allows the Secretary the flexibility to weigh the criteria according to the needs of each individual program. This menu of selection criteria will provide the Department the flexibility to choose a set of criteria tailored to a given competition and obviate the need to create specific selection criteria through individual program regulations. ED is requesting a streamlined clearance process for programs of approved applications who choose to change: (1) Criteria from the same EDGAR menu; (2) old EDGAR to new EDGAR criteria, or (3) program criteria to EDGAR criteria.
