Title: Veterans Affairs Acquisition Regulation (VAAR) Clause 852.211-75, Technical Industry Standards.

OMB Control Number: 2900-0586.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Abstract: VAAR clause 852.211-75, Technical Industry Standards, requires that items offered for sale to VA under solicitation conform to certain technical industry standards, such as Underwriters Laboratory (UL) or the National Fire Protection Association and that the contractor furnish evidence to VA that the items meet that requirement. The evidence is normally in the form of a tag or seal affixed to the item, such as the UL tag on an electrical cord or a tag on a fire-rated door. This requires no additional effort on the part of the contractor, as items come from the factory with tags already in place, as part of the manufacturer's standard manufacturing operation. Occasionally, for items not already meeting standards or for items not previously tested, a contractor will have to furnish a certificate from an acceptable laboratory certifying that the items furnished have been tested in accordance with, and conform to, specified standards. Only firms whose products have not previously been tested to ensure the products meet industry standards required under solicitation will be required to submit a separate certificate. The information will be used to ensure that items being purchased meet minimum safety standards and to protect VA employees, VA beneficiaries and the public.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Abstract: VAAR Provision 852.214-70, Caution to Bidders " Bid Envelopes, advises bidders that it is their responsibility to ensure that their bid price cannot be ascertained by anyone prior to bid opening. It also advises bidders to identify their bids by showing the invitation number and bid opening date on the outside of the bid envelope. The Government often furnished a blank bid envelope or a label for use by bidders/offers to identify their bids. The bidder is advised to fill in the required information. This information requested from bidders is needed by the Government to identify bid envelopes from other mail or packages received without having to open the envelopes or packages and possibly exposing bid prices before bid opening. The information will be used to identify which parcels or envelopes are bids and which are other routine mail. The information is also needed to help ensure that bids are delivered to the proper bid opening room on time and prior to bid opening.

DEPARTMENT OF VETERANS AFFAIRS

Rehabilitation Research and Development Service Scientific Merit Review Board, Notice of Meeting

The Department of Veterans Affairs gives notice under Public Law 92-463 (Federal Advisory Committee Act) as amended, by section 5(c) of Public Law 94-409 that a meeting of the Rehabilitation Research and Development Service Scientific Merit Review Board will be held at the Crown Plaza Hotel, 1001 14th Street, NW., Washington, DC on July 31 through August 1, 2001.

The sessions on July 31, and August 1, 2001, are scheduled to begin at 8:30 a.m. and end at 5 p.m. The purpose of the meeting is to review rehabilitation research and development applications for scientific and technical merit and to make recommendations to the Director, Rehabilitation Research and Development Service, regarding their funding.

The meeting will be open to the public for the July 31 session from 8:30 a.m. to 9 a.m. for the discussion of administrative matters, the general status of the program, and the administrative details of the review process. On July 31 from 9 a.m. through August 1, 2001, the meeting is closed during which the Board will be reviewed research and development applications.

This review involves oral comments, discussion of site visits, staff and consultant critiques of proposed research protocols, and similar analytical documents that necessitate the consideration of the personal qualifications, performance and competence of individual research investigators. Disclosure of such information would constitute a clearly unwarranted invasion of personal privacy. Disclosure would also reveal research proposals and research underway which could lead to the loss of these projects to third parties and thereby frustrate future agency research efforts.

Thus, the closing is in accordance with 5 U.S.C. 552b(c)(6), and (c)(9)(B) and the determination of the Secretary of the Department of Veterans Affairs under sections 10(d) of Public Law 92-463 as amended by section 5(c) of Public Law 94-409.

Those who plan to attend the open session should write to Ms. Victoria Mongiardo, Program Analyst, Rehabilitation Research and Development Service (122P), Department of Veterans Affairs, 810 Vermont Ave. NW., Washington, DC 20420 (Phone: 202-408-3684) at least five days before the meeting.

Dated: July 5, 2001.

By Direction of the Secretary.
