Statutory Time Limits

Section 733(b)(1)(A) of the Act, requires the Department of Commerce (the Department) to issue the preliminary determination of an antidumping duty investigation within 140 days after the date of initiation. However, if the petitioner makes a timely request for an extension of the period and additional time is necessary to make the preliminary determination, section 733(c)(1)(A) of the Act allows the Department to extend the time limit for the preliminary determination until not later than 190 days after the date of initiation.

Background

On April 2, 2001, the Department initiated an antidumping duty investigation of live processed blue mussels from Canada. *See Notice of Initiation of Antidumping Investigation: Live Processed Blue Mussels From Canada*, 66 FR 18227 (April 6, 2001). The notice stated that the Department would issue its preliminary determination no later than 140 days after the date of initiation. The preliminary determination currently is due no later than August 20, 2001.

Extension of Preliminary Determination

On June 29, 2001, the Department received a request for postponement of the preliminary determination from Great Eastern Mussels Farms, Inc., (hereinafter, the petitioner), in accordance with section 733(c)(1)(A) of the Act and 19 CFR 351.205(e). There are no compelling reasons for the Department to deny the petitioner's request. Therefore, pursuant to section 733(c)(1)(A) of the Act, the Department is postponing the deadline for issuing

this determination until October 9, 2001.

This notice of postponement is in accordance with section 733(c)(2) of the Act and 19 CFR 351.205(f).

Dated: July 19, 2001.

Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title, Form, and OMB Number: Base Realignment and Closure (BRAC) Military Base Reuse Status; DD Form 2740; OMB Number 0790-0003.

Type of Request: Extension.

Number of Respondents: 75.

Responses per Respondent: 2.

Annual Responses: 150.

Average Burden per Response: 1 hour.

Annual Burden Hours: 150.

Needs and Uses: Through the Office of Economic Adjustment (OEA), DoD, funds are provided to communities for economic adjustment planning in response to closures of military installations. A measure of program evaluation is the monitoring of civilian job creation and type of redevelopment at the former military installations. The respondents to the semi-annual survey will generally include single points of contact at the local level who are responsible for overseeing redevelopment efforts. If this data is not collected, OEA would have no accurate, timely information regarding the civilian reuse of former military bases. A key function of the economic adjustment program is to encourage private sector use of lands and buildings to generate jobs as military activity diminishes and to serve as a clearinghouse for reuse data.

Affected Public: Business or Other For-Profit; State, Local, or Tribal Government.

Frequency: Semi-Annually.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Mr. Edward C. Springer.

Written comments and recommendations on the proposed information collection should be sent to Mr. Springer at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

DOD Clearance Officer: Mr. Robert Cushing.

Written requests for copies of the information collection proposal should be sent to Mr. Cushing, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.
