National Fuel Gas Supply Corporation; Notice of Tariff Filing

August 8, 2001.

Take notice that on July 31, 2001, National Fuel Gas Supply Corporation (National) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, the following tariff sheet to become effective August 1, 2001.

Thirty Eighth Revised Sheet No. 9

National states that under Article II, Section 2, of the settlement, it is required to recalculate the maximum Interruptible Gathering (IG) rate monthly and to charge that rate on the first day of the following month if the result is an IG rate more than 2 cents above or below the IG rate as calculated under Section 1 of Article II. The recalculation produced an IG rate of \$0.37 per dth. In addition, Article III, Section 1 states that any overruns of the Firm Gathering service provided by National shall be priced at the maximum IG rate.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the

Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Northwest Natural Gas Company; Notice of Rate Election

August 8, 2001.

Take notice that on July 18, 2001, Northwest Natural Gas Company (NW Natural) filed, pursuant to Section 284.123(b)(2) of the Commission's regulations, an election setting forth proposed rates for bundled firm and interruptible storage and related transportation services in interstate commerce. NW Natural states that its petition for rate approval has been filed in compliance with the Commission's May 17, 2001, order in Docket No. CP00-138-000 granting NW Natural a limited jurisdiction blanket certificate of public convenience and necessity to provide these services under Section 284.224 of the Commission's regulations.

Based on a straight fixed variable rate design, NW Natural proposes a cost-based firm maximum reservation rate of \$4.9361 per Dth per month based on maximum daily deliverability for storage withdrawals and a maximum reservation rate of \$0.0722 per Dth per month based on maximum storage capacity. NW Natural also proposes maximum cost-based rates for interruptible storage and related transportation services and for authorized overrun service of \$0.2275 per Dth. Fuel and tax reimbursement

charges are also specified for the FERC jurisdictional services. NW Natural requests that the Commission expedite its review of the proposed rates.

Any person desiring to participate in this rate proceeding must file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All motions must be filed with the Secretary of the Commission on or before August 23, 2001. This petition for rate approval is on file with the Commission and is available for public inspection. Power Dynamics, Inc.; Notice of Issuance of Order

August 8, 2001.

Power Dynamics, Inc. (Power Dynamics) submitted for filing a rate schedule under which Power Dynamics will engage in wholesale electric power and energy transactions at market-based rates. Power Dynamics also requested waiver of various Commission regulations. In particular, Power Dynamics requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Power Dynamics.

On June 12, 2001, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Power Dynamics should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Power Dynamics is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for

some lawful object within the corporate purposes of Power Dynamics and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Power Dynamics' issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is September 7, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance).
