

(3) An environmental report, satisfactory to RUS;

(4) Depreciation rates, based on current industry standards, for the equipment being financed (acceptance of such rates will be subject to RUS approval);

(5) A sketch or map showing existing and proposed service areas;

(6) A description of the current level of service available;

(7) Information on the owners and principal employees' relevant work experience that would ensure the success of the project; and

(8) All other required forms for Federal assistance and compliance with other applicable Federal statutes.

Review of Grant Applications

All applications for grants must be delivered to RUS at the address listed above or postmarked no later than November 13, 2001 to be considered eligible for FY 2001 grant funding. RUS will review each application for conformance with the provisions of this Notice. RUS may contact the applicant for additional information or clarification. Incomplete applications will not be considered. Applications conforming with this Notice will then be evaluated competitively by a panel of RUS employees selected by the Administrator and points awarded as described in the Scoring Criteria section below. The applications will be ranked and grants awarded in rank order until all grant funds are expended.

Scoring Criteria

Grant awards will be made based on the following scoring criteria as determined by RUS:

(1) *The need for services and benefits derived from services (up to 40 points).* This criterion will be used by RUS to score applications based on the documentation in support of the need for services, benefits derived from the services proposed by the project, and local community involvement in planning, implementing, and financial assistance of the project. RUS will consider the extent of the applicant's documentation explaining the challenges facing the community; the applicant's proposed plan to address these challenges; how the grant can help; and why the applicant cannot complete the project without a grant.

(2) *The economic need of the applicant's service area as determined by per capita personal income by County, as determined by the Bureau of Economic Analysis, U.S. Department of Commerce, at www.bea.doc.gov/bea/regional/reis/ (up to 40 points).* Applicants will be awarded points as

outlined below for service provided in each county where the per capita personal income (PCI) is less than 70 percent of the national average per capita personal income (NAPCI):

(i) PCI is 70 percent or greater of NAPCI; 0 points;

(ii) PCI is less than 70 percent and greater than 60 percent of NAPCI; 10 points;

(iii) PCI is less than 60 percent and greater than 50 percent of NAPCI; 20 points;

(iv) PCI is less than 50 percent and greater than 40 percent of NAPCI; 30 points;

(v) PCPI is less than 40 percent of NAPCI; 40 points;

If an applicant proposes significant service in more than one county, an average score will be calculated based on each counties' individual scores.

(3) *Project services USDA designated EZ/ECs (Empowerment Zone and Enterprise Communities) (10 points) or USDA designated Champion Communities (5 points).*

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: Information on Articles for Physically or Mentally Handicapped Persons Imported Free of Duty.

Agency Form Number: ITA-362P.

OMB Number: 0625-0118.

Type of Request: Revision-Regular Submission.

Burden: 304 hours.

Number of Respondents: 380.

Avg. Hours Per Response: 4 minutes.

Needs and Uses: Congress, when it enacted legislation to implement the Nairobi Protocol to the Florence Agreement, included a provision for the Departments of Commerce and Treasury to collect information on the import of articles for the handicapped. Form ITA-362P, Information on Articles for Physically or Mentally Handicapped Persons Imported Free of Duty, is the vehicle by which statistical information

is obtained to assess whether the duty-free treatment of articles for the handicapped has had a significant adverse impact on a domestic industry (or portion thereof) manufacturing or producing a like or directly competitive article. Without the collection of data, it would be almost impossible for a sound determination to be made and for the President to appropriately redress the situation.

Affected Public: Businesses or other for-profit, not-for-profit institutions, state, local or tribal governments, federal government, individuals or households.

Frequency: On Occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Madeleine Clayton, Departmental Paperwork Clearance Officer, (202) 482-3129, Department of Commerce, Room 6086, 14th and Constitution, NW., Washington, DC 20230 or via internet at MClayton@doc.gov.

Written comments and recommendations for the proposed information collection should be sent to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20503 within 30 days of the publication of this notice in the **Federal Register**.

Dated: August 9, 2001.

Departmental Paperwork Clearance Officer, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of Export Administration (BXA), Commerce.

Title: Foreign Availability Procedures and Criteria.

Agency Form Number: None.

OMB Approval Number: 0694-0004.

Type of Request: Extension of a currently approved collection of information.

Burden: 510 hours.

Average Time Per Response: 105 to 120 hours per response.

Number of Respondents: 2 respondents.

Needs and Uses: The office identifies foreign goods and technology analogous to American equipment subject to export controls. The foreign equipment must be available in sufficient quantities to controlled destinations. Continued restrictions on exports when comparable items are available from uncontrollable sources decreases U.S. competitiveness in high-technology industries and undermines U.S. national security interests. Without this information from the exporting community, the U.S. could easily lose its competitiveness in foreign markets.

Affected Public: Businesses or other for-profit institutions.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker.

Copies of the above information collection proposal can be obtained by calling or writing Madeleine Clayton, DOC Paperwork Clearance Officer, (202) 482-3129, Department of Commerce, Room 6086, 14th and Constitution Avenue, NW, Washington, D.C. 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20230.

Dated: August 10, 2001.

The data are used to derive annual estimates of the operations of nonbank U.S. affiliates of foreign investors, including their balance sheets; income statements; property, plant, and equipment; external financing; employment and employee compensation; merchandise trade; sales of goods and services; taxes; and research and development (R&D) activity. The data are also used to update similar data for the universe of U.S. affiliates collected once every five years in the BE-12 benchmark survey of foreign direct investment in the United States.

The data from the BE-15 survey complement data from BEA's other ongoing surveys of foreign direct investment in the United States, namely the BE-605 and BE-605 Bank quarterly surveys of transactions and positions between U.S. affiliates and their foreign parents, and the BE-13, Initial Report on a Foreign Person's Direct or Indirect Acquisition, Establishment, or Purchase of the Operating Assets of a U.S. Business Enterprise, Including Real Estate.
