Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof from Germany; Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, United States Department of Commerce.

ACTION: Notice of amended final results of administrative review

SUMMARY: On July 12, 2001, the Department of Commerce published the final results of administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Sweden, and the United Kingdom. Based on our

analysis of a comment received, we are amending the final results of reviews of the antidumping duty order covering cylindrical roller bearings from Germany with respect to merchandise produced by INA Wälzlager Schaeffler oHG.

EFFECTIVE DATE: September 6, 2001.

FOR FURTHER INFORMATION CONTACT:

Hermes Pinilla or Richard Rimlinger, AD/CVD Enforcement, Group I, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482–3477 or (202) 482–4477, respectively.

SUPPLEMENTARY INFORMATION:

Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions in effect as of January 1, 1995. In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations are to 19 CFR part 351 (2000).

Background

On July 12, 2001, the Department published the final results of administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof (AFBs) from France, Germany, Italy, Japan, Sweden, and the United Kingdom (66 FR 36551). We invited interested parties to comment on our final results. Based on a timely comment we received from a respondent, INA Wälzlager Schaeffler oHG (INA), we are now amending the final results of review with respect to the order covering cylindrical roller bearings (CRBs) from Germany. The period of review (POR) for this order is May 1, 1999, through December 31, 1999.

On July 11, 2001, we received a letter from INA stating that it had reviewed the Department's disclosure materials and found a ministerial error. Specifically, INA alleged that the Department in its final results inadvertently used the wrong variable in its computer program to identify whether INA's home-market customers are affiliated or unaffiliated. We reviewed INA's allegation and agree with INA; therefore, we are amending the final results of review for CRBs from Germany. For more information, see analysis memorandum from analyst to file dated August 9, 2001.

Amendment to Final Results

We are now amending the final results of administrative review of the antidumping duty order on CRBs from Germany for the period of review May 1, 1999, through December 31, 1999. As a result of this change, the weighted-average margin for INA changed from 2.96 percent to 2.82 percent. Accordingly, the Department will determine and the Customs Service will assess appropriate antidumping duties on entries of the subject merchandise exported by INA covered by this administrative review.

We are issuing and publishing this determination in accordance with section 751(a) of the Act.

Dated: August 10, 2001.

Faryar Shirzad,

Assistant Secretary for Import Administration.

Notice of Preliminary Results of Antidumping Duty New Shipper Review: Freshwater Crawfish Tail Meat From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting a new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China (PRC) in response to a request from Shanghai Taoen International Trading Co., Ltd. (Shanghai Taoen). The review covers the period September 1, 1999 through September 30, 2000.

We preliminarily determine that sales have been made below normal value (NV). The preliminary results are listed below in the section titled "Preliminary Results of Review." If these preliminary results are adopted in our final results, we will instruct the U.S. Customs Service to assess antidumping duties based on the difference between the export price (EP) and NV. Interested parties are invited to comment on these preliminary results. (See the "Preliminary Results of Review" section of this notice.)

EFFECTIVE DATE: September 6, 2001.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act) are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (2000).

Background

The Department published in the **Federal Register** an antidumping duty order on freshwater crawfish tail meat from the PRC on September 15, 1997 (62 FR 48218). On September 29, 2000 the Department received timely requests for review, in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the Department's regulations, from Coastal (Jiangsu) Foods Co., Ltd. (Coastal), Shouzhou Huaxiang Foodstuffs Co., Ltd. (Shouzhou), and Shanghai Taoen, to conduct new shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the PRC.

On November 6, 2000, the Department published its initiation of these new shipper reviews for the period September 1, 1999 through August 31, 2000. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of New Shipper Antidumping Administrative Reviews*, 65 FR 66525 (November 6, 2000).

On March 16, 2001 the Department published an extension of the deadline for completion of the preliminary results of these new shipper reviews until August 27, 2001. See *Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty New Shipper Reviews: Freshwater Crawfish Tail Meat from the People's Republic of China*, 66 FR 15219 (March 16, 2001).

The new shipper requests were made pursuant to section 751(a)(2)(B) of the Act and § 351.214(b) of the Department's regulations, which state that, if the Department receives a request for review from an exporter or producer of the subject merchandise stating that it did not export the merchandise to the United States during the period covered by the original investigation (the POI) and that such exporter or producer is not affiliated with any exporter or producer who exported the subject merchandise

during that period, the Department shall conduct a new shipper review to establish an individual weighted-average dumping margin for such exporter or producer, if the Department has not previously established such a margin for the exporter or producer.

The regulations require that the exporter or producer shall include in its request, with appropriate certifications: (i) The date on which the merchandise was first entered, or withdrawn from warehouse, for consumption, or, if it cannot certify as to the date of first entry, the date on which it first shipped the merchandise for export to the United States, or if the merchandise has not yet been shipped or entered, the date of sale; (ii) a list of the firms with which it is affiliated; (iii) a statement from such exporter or producer, and from each affiliated firm, that it did not, under its current or a former name, export the merchandise during the period of investigation (POI); and (iv) in an antidumping proceeding involving inputs from a non-market-economy (NME) country, a certification that the export activities of such exporter or producer are not controlled by the central government. See 351.214(b)(2) of the Department's Regulations.

The request received from Shanghai Taoen was accompanied by information and certifications establishing the effective date on which this company first shipped and entered freshwater crawfish tail meat for consumption in the United States, the volume of each shipment, and the date of first sale to an unaffiliated customer in the United States. Shanghai Taoen certified that it was not affiliated with any company which exported freshwater crawfish tail meat from the PRC during the POI. In addition, Shanghai Taoen certified that its export activities are not controlled by the central government. With respect to Coastal and Shouzhou, their entries of subject merchandise occurred well after the end of the period of review (POR), and we determined that an expansion of the normal POR would likely prevent the Department from completing this review within the designated time limits. Therefore, we rescinded the new shipper reviews for Coastal and Shouzhou. For a full discussion of this issue, see *Freshwater Crawfish Tail Meat From the People's Republic of China: Final Rescission of Antidumping Duty New Shipper Reviews*, 66 FR 41831 (August 9, 2001) (*Rescission Notice*). Thus, only the new shipper review of Shanghai Taoen remains.

Scope of Review

The product covered by this review is freshwater crawfish tail meat, in all its
