

duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of October 2001. If the Department does not receive, by the last day of October 2001, a request for

review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: September 7, 2001.

The International Trade Commission
("the Commission") is publishing

concurrently with this notice its notice
of *Institution of Five-Year Review*
covering this same suspended
investigation.

SUPPLEMENTARY INFORMATION:

The Applicable Statue

Unless otherwise indicated, all
citations to the Tariff Act of 1930, as
amended (the "Act"), are references to
the provisions effective January 1, 1995,
the effective date of the amendments
made to the Act by the Uruguay Round
Agreements Act ("URAA"). In addition,
unless otherwise indicated, all citations
to the Department of Commerce's
("Department") regulations are to 19
CFR part 351 (2001). Pursuant to
sections 751(c) and 752 of the Act, an

antidumping ("AD") or countervailing
duty ("CVD") order will be revoked, or
the suspended investigation will be
terminated, unless revocation or
termination would be likely to lead to
continuation or recurrence of (1)
dumping or a countervailable subsidy,
and (2) material injury to the domestic
industry.

The Department's procedures for the
conduct of sunset reviews are set forth
in 19 CFR 351.218. Guidance on
methodological or analytical issues
relevant to the Department's conduct of
sunset reviews is set forth in the
Department's Policy Bulletin 98:3—
*Policies Regarding the Conduct of Five-
year ("Sunset") Reviews of
Antidumping and Countervailing Duty
Orders; Policy Bulletin*, 63 FR 18871
(April 16, 1998) ("*Sunset Policy
Bulletin*").

Background

Initiation of Review

In accordance with 19 CFR 351.218
we are initiating a sunset review of the
following suspended investigation:

DOC case No.	ITC case No.	Country	Product
A–201–820	731–TA–747	Mexico	Fresh Tomatoes.

Filing Information

As a courtesy, we are making
information related to sunset
proceedings, including copies of the
Sunset Regulations (19 CFR 351.218)
and *Sunset Policy Bulletin*, the
Department's schedule of sunset
reviews, case history information (*i.e.*,
previous margins, duty absorption
determinations, scope language, import
volumes), and service lists, available to
the public on the Department's sunset
Internet website at the following
address: <http://ia.ita.doc.gov/sunset/>.

All submissions in this sunset review
must be filed in accordance with the
Department's regulations regarding
format, translation, service, and
certification of documents. These rules
can be found at 19 CFR 351.303. Also,
we suggest that parties check the
Department's sunset website for any
updates to the service list before filing
any submissions. The Department will
make additions to and/or deletions from
the service list provided on the sunset
website based on notifications from
parties and participation in this review.
Specifically, the Department will delete
from the service list all parties that do
not submit a substantive response to the
notice of initiation.

Because deadlines in a sunset review
are, in many instances, very short, we
urge interested parties to apply for
access to proprietary information under
administrative protective order ("APO")
immediately following publication in
the **Federal Register** of the notice of
initiation of the sunset review. The
Department's regulations on submission
of proprietary information and
eligibility to receive access to business
proprietary information under APO can
be found at 19 CFR 351.304–306.

**Information Required From Interested
Parties**

Domestic interested parties (defined
in 19 CFR 351.102) wishing to
participate in this sunset review must
respond not later than 15 days after the
date of publication in the **Federal
Register** of the notice of initiation by
filing a notice of intent to participate.
The required contents of the notice of
intent to participate are set forth at 19
CFR 351.218(d)(1)(ii). In accordance
with the Department's regulations, if we
do not receive a notice of intent to
participate from at least one domestic
interested party by the 15-day deadline,
the Department will automatically
revoke the order without further review.

If we receive an order-specific notice
of intent to participate from a domestic

interested party, the Department's
regulations provide that *all parties*
wishing to participate in the sunset
review must file substantive responses
not later than 30 days after the date of
publication in the **Federal Register** of
the notice of initiation. The required
contents of a substantive response, on
an order-specific basis, are set forth at
19 CFR 351.218(d)(3). Note that certain
information requirements differ for
foreign and domestic parties. Also, note
that the Department's information
requirements are distinct from the
International Trade Commission's
information requirements. Please
consult the Department's regulations for
information regarding the Department's
conduct of sunset reviews.¹ Please
consult the Department's regulations at
19 CFR part 351 for definitions of terms
and for other general information
concerning antidumping and
countervailing duty proceedings at the
Department.

¹ A number of parties commented that these
interim-final regulations provided insufficient time
for rebuttals to substantive responses to a notice of
initiation, 19 CFR 351.218(d)(4)). As provided in 19
CFR 351.302(b), the Department will consider
individual requests for extension of that five-day
deadline based upon a showing of good cause.
