

written notice of its intention to file the proposed rule change at least five business days prior to filing. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Commission notes that under rule 19b-4(f)(6)(iii), the proposal does not become operative for 30 days after the date of its filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the five-day pre-filing requirement and designate that the proposed rule become operative on October 1, 2001 due to the emergency situation caused by the attack on and destruction of the World Trade Center on September 11, 2001 and the resulting limitations on the Exchange's trading floor systems including its wired telephone lines.

The Commission believes that it is consistent with the protection of investors and the public interest to waive the five-day pre-filing requirement and designate the proposal immediately operative on October 1, 2001. Accelerating the operative date and waiving the pre-filing requirement will aid the Exchange in overcoming the damage caused to its telephone lines by the destruction of the World Trade Center on September 11, 2001. For this reason, the Commission finds good cause to designate that the proposal become operative on October 1, 2001.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than that those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in

the Commission's Public Reference Section. Copies of such filing will also be available for inspection and copying at the principal office of the Amex. All submissions should refer to File No. SR-Amex-2001-83 and should be submitted by October 26, 2001.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-44862; File No. SR-CBOE-2001-33]

Self-Regulatory Organizations; Order Approving Proposed Rule Change by the Chicago Board Options Exchange, Incorporated Relating To Step-Up From the Designated Primary Market Maker's Autoquote Price

September 27, 2001.

On June 14, 2001, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed a proposed rule change with the Securities and Exchange Commission ("SEC" or "Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder.² On August 16, 2001, the Exchange submitted Amendment No. 1 to the proposed rule change.³ The proposed rule change would clarify, for purposes of automatic step-up, that the term "Exchange's best bid or offer" would refer to the Designated Primary Market Maker's ("DPM") Autoquote price or the price from the DPM's proprietary automated quotation updating system.

The proposed rule change was published for comment in the **Federal Register** on August 23, 2001.⁴ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities

exchange⁵ and, in particular, the requirements of Section 6 of the Act⁶ and the rules and regulations thereunder. The Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act⁷ because, by limiting the Exchange's best bid or offer for purposes of the step-up feature of the Exchange's Retail Automatic Execution System to the Autoquote price as established by the DPM or the DPM's proprietary automated quotation updating system, the proposal should ensure that the step-up feature uses a quote that more accurately reflects the prevailing market. Therefore, the Commission finds the proposed rule change is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-CBOE-2001-33) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

III below, which Items have been prepared by the CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to change its rules and fee schedule to authorize monthly, rather than quarterly, billing and collection of membership dues.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to bill and collect Exchange membership dues more equitably and fairly by doing it on a monthly, rather than quarterly, basis. The Exchange represents that it has been its recent experience that collecting membership dues only four times a year can cause the dues to be imposed inequitably upon members who lease their seats. If a quarterly dues payment comes due at a time when the member is between lessees and has not yet found someone new to lease the seat, the member ends up having to pay three months worth of dues for a seat he is not even using. The Exchange believes that monthly, instead of quarterly, billing will minimize such occurrences, and increase the likelihood that the member who actually uses each seat will be the one paying the dues. This proposed change will take effect on October 1, 2001.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(4),⁴ in particular, because it is designed to provide for the equitable

allocation of reasonable dues, fees, and other charges among CBOE members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated the proposed rule change as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act⁵ and Rule 19b-4(f)(2) thereunder.⁶ Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the CBOE. All submissions should refer to File No.

SR-CBOE-2001-51 and should be submitted by October 26, 2001.
