DEPARTMENT OF EDUCATION

Office of Special Education and Rehabilitative Services; Grant Applications Under Part D, Subpart 2 of the Individuals With Disabilities Education Act

AGENCY: Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2002.

SUMMARY: This notice provides closing dates and other information regarding the transmittal of applications for FY 2002 competitions under one program authorized by the Individuals with Disabilities Education Act (IDEA), as amended: Special Education—Personnel Preparation to Improve Services and Results for Children with Disabilities (five priorities).

National Education Goals

The eight National Education Goals focus the Nation's education reform efforts and provide a framework for improving teaching and learning.

This priority addresses the National Education Goals by helping to improve results for children with disabilities.

Waiver of Rulemaking

It is generally our practice to offer interested parties the opportunity to comment on proposed priorities. However, section 661(e)(2) of IDEA makes the Administrative Procedure Act (5 U.S.C. 553) inapplicable to the priorities in this notice.

General Requirements

(a) The projects funded under this notice must make positive efforts to employ and advance in employment qualified individuals with disabilities in project activities (see section 606 of IDEA).

(b) Applicants and grant recipients funded under this notice must involve

individuals with disabilities or parents of individuals with disabilities in planning, implementing, and evaluating the projects (see section 661(f)(1)(A) of IDEA).

(c) The projects funded under these priorities must budget for a two-day Project Directors' meeting in Washington, DC during each year of the project.

(d) In a single application, an applicant must address only one absolute priority in this notice.

(e) Part III of each application submitted under a priority in this notice, the application narrative, is where an applicant addresses the selection criteria that are used by reviewers in evaluating the application. You must limit Part III to the equivalent of no more than the number of pages listed under each applicable priority and in the table at the end of this notice, using the following standards:

- A "page" is 8.5" x 11" (on one side only) with one-inch margins (top, bottom, and sides).
- Double-space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, and captions, as well as all text in charts, tables, figures, and graphs.
- If using a proportional computer font, use no smaller than a 12-point font, and an average character density no greater than 18 characters per inch. If using a nonproportional font or a typewriter, do not use more than 12 characters per inch.

The page limit does not apply to Part I—the cover sheet; Part II—the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the one-page abstract, the resumes, the bibliography or references, or the letters of support. However, you must include all of the application narrative in Part III.

We will reject without consideration or evaluation any application if—

- You apply these standards and exceed the page limit; or
- You apply other standards and exceed the equivalent of the page limit.

Special Education—Personnel Preparation to Improve Services and Results For Children With Disabilities [CFDA 84.325]

Purpose of Program: The purposes of this program are to (a) help address State-identified needs for qualified personnel in special education, related services, early intervention, and regular education, to work with children with disabilities; and (b) to ensure that those personnel have the skills and knowledge, derived from practices that have been determined through research

and experience to be successful, that are needed to serve those children.

Eligible Applicants: Institutions of higher education are eligible applicants for Absolute Priorities 1–4 under this program. Eligible applicants for Absolute Priority 5, Projects of National Significance, are: State and local educational agencies; institutions of higher education; other public agencies; private nonprofit organizations; outlying areas; freely associated States; and Indian tribes or tribal organizations.

Applicable Regulations: (a) Program regulations in 34 CFR part 304; (b) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 85, 86, 97, 98, and 99; (c) The selection criteria for the priorities under this program that are drawn from the EDGAR general selection menu. The specific selection criteria for each priority are included in the funding application packet for the applicable competition.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

Additional Requirement for All Personnel Preparation Program Priorities

Student financial assistance is authorized only for the preservice preparation of special education and related services personnel who serve children ages 3 through 21, early intervention personnel who serve infants and toddlers, and leadership personnel who work in these areas.

Priority

Under section 673 of the Act and 34 CFR 75.105(c)(3) we consider only applications that meet one of the following priorities:

Absolute Priority 1—Preparation of Special Education, Related Services, and Early Intervention Personnel to Serve Infants, Toddlers, and Children with Low-Incidence Disabilities (84.325A)

Background

The national demand for educational, related services, and early intervention personnel to serve infants, toddlers, and children with low-incidence disabilities exceeds available supply. However, because of the small number of these personnel needed in each State, institutions of higher education and individual States have not given priority to programs that train personnel to work with those with low-incidence disabilities. Moreover, of the programs that do exist, many are not producing graduates with the prerequisite skills
