

SUMMARY: Pursuant to Section 102(2)(C) of the National Environmental Policy Act of 1969; the Council on Environmental Quality Guidelines (40 CFR part 1500); and the Natural Resources Conservation Service Guidelines (7 CFR part 650); the Natural Resources Conservation Service, U.S. Department of Agriculture, gives notice that an environmental impact statement is not being prepared for the Broad Creek Watershed, Sussex County, Delaware.

FOR FURTHER INFORMATION CONTACT: Elesa K. Cottrell, State Conservationist, Natural Resources Conservation Service (NRCS), Suite 101, 1203 College Park Dr., Dover, Delaware 19904-8713, telephone (302) 678-4160.

SUPPLEMENTARY INFORMATION: The environmental assessment of this federally assisted action indicates that the project will not cause significant local, regional, or national impacts on the environment. As a result of these findings, Elesa K. Cottrell, State Conservationist, has determined that the preparation and review of an environmental impact statement are not needed for this project.

This watershed protection plan is a plan for water quality improvement and watershed protection within the Broad Creek watershed. This will be accomplished through accelerated technical and financial assistance to plan and install needed conservation measures. These measures include agricultural waste management systems, waste storage structures, livestock composters, nutrient management, conservation buffers, and irrigation water management.

The Notice of a Finding of No Significant Impact (FONSI) has been forwarded to the Environmental Protection Agency and to various Federal, state, and local agencies and interested parties. A limited number of copies of the FONSI are available to fill single copy requests at the above address. Basic data developed during the environmental assessment and planning phase of this project are on file and may be reviewed by contacting Paul M. Petrichenko, Assistant State Conservationist, at the above address.

No administrative action on implementation of the proposal will be taken until 30 days after the date of this publication in the **Federal Register**.

(Catalog of Federal Domestic Assistance Program No. 10.904, Watershed Protection and Flood Prevention Program. Office of Management and Budget Circular A-95 regarding State and local clearing house review of Federal and federally assisted programs and project is applicable)

Dated: September 5, 2001.

Elesa K. Cottrell,

State Conservationist.

DEPARTMENT OF AGRICULTURE

Natural Resources Conservation Service

Notice of Proposed Changes to Section IV of the Field Office Technical Guide (FOTG) of the Natural Resources Conservation Service in Indiana

AGENCY: Natural Resources Conservation Service (NRCS).

ACTION: Notice of availability of proposed changes in Section IV of the FOTG of the NRCS in Indiana for review and comment.

SUMMARY: It is the intention of NRCS in Indiana to issue four revised conservation practice standards in Section IV of the FOTG. The revised standards are: Contour Farming (330); Water and Sediment Control Basin (638); Constructed Wetland (656); Forest Stand Improvement (666). These practices may be used in conservation systems that treat highly erodible land and/or wetlands.

DATES: Comments will be received for a 30-day period commencing with this date of publication.

ADDRESSES: Address all requests and comments to Jane E. Hardisty, State Conservationist, Natural Resources Conservation Service (NRCS), 6013 Lakeside Blvd., Indianapolis, Indiana 46278. Copies of this standard will be made available upon written request. You may submit your electronic requests and comments to darrell.brown@in.usda.gov.

FOR FURTHER INFORMATION CONTACT: Jane E. Hardisty, 317-290-3200.

SUPPLEMENTARY INFORMATION: Section 343 of the Federal Agriculture Improvement and Reform Act of 1996 states that after enactment of the law, revisions 2 made to NRCS state technical guides used to carry out highly erodible land and wetland provisions of the law, shall be made available for public review and comment. For the next 30 days, the NRCS in Indiana will receive comments relative to the proposed changes. Following that period, a determination will be made by the NRCS in Indiana regarding disposition of those comments and a final determination of changes will be made.

Dated: September 17, 2001.

Jane E. Hardisty,

State Conservationist, Indianapolis, Indiana.

Certain In-Shell Pistachios From Iran: Initiation of New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of initiation of new shipper review on certain in-shell pistachios from Iran.

SUMMARY: On July 31, 2001, the Department of Commerce (the Department) received a request to conduct a new shipper review of the antidumping duty order on certain in-shell pistachios (in-shell pistachios) from Iran. In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(d), we are initiating this new shipper review.

EFFECTIVE DATE: October 10, 2001.

FOR FURTHER INFORMATION CONTACT:

Dena Aliadinov or Donna Kinsella, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue, NW., Washington, DC 20230; telephone: (202) 482-3362 or (202) 482-0194, respectively.

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Act are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all references to the Department's regulations are to 19 CFR part 351 (2001).

Background

On July 17, 1986, the Department issued an antidumping duty order on in-shell pistachios from Iran. See *Antidumping Duty Order; Certain In-Shell Pistachios From Iran*, 51 FR 25922 (July 17, 1986). This order covers raw in-shell pistachios and specifically excludes roasted in-shell pistachios. See *Certain In-Shell Pistachios From Iran; Clarification of Scope in Antidumping Duty Investigation*, 51 FR 23254 (June 26, 1986). In October 1987, the United States imposed a trade embargo on imports of all products to the United States from Iran. Effective April 28, 2000, the Department of the Treasury lifted the embargo on imports of certain Iranian-origin foodstuffs (including pistachios) and carpets.

On July 31, 2001, the Department received a timely request from Tehran Negah Nima Trading Company, Inc., trading as Nima Trading Company (Nima), in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on in-shell pistachios from Iran. This order has a July anniversary month.

Period of Review

The period of review (POR) is July 1, 2000 through June 30, 2001.

Initiation of Review

In accordance with 19 CFR 351.214(b)(2), Nima certified that: (1) It did not export subject merchandise to the United States during the period of investigation (POI) (April 1, 1985 through September 30, 1985); and (2) since the initiation of the investigation, on October 23, 1985, it has never been affiliated with any exporter or producer who exported the subject merchandise to the United States during the POI, including those exporters or producers not individually examined during the investigation. Nima also submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of

that shipment; and (3) the date of the first sale to an unaffiliated customer in the United States.

As Nima meets the eligibility requirements for a new shipper review, we are initiating a new shipper review of the antidumping duty order on in-shell pistachios from Iran, in accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1). In accordance with 19 CFR 351.214(i)(1), we intend to issue the preliminary results of this review no later than 180 days after the day on which this new shipper review is initiated.

Concurrent with publication of this notice, and in accordance with 19 CFR 351.214(e), we will instruct the U.S. Customs Service to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of the merchandise exported by Nima until the completion of this new shipper review.

The interested parties must submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation notice is published in accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: October 2, 2001.

Joseph A. Spetrini,

Deputy Assistant Secretary, AD/CVD Enforcement Group III.

Certain Stainless Steel Flanges From India; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 10, 2001.

FOR FURTHER INFORMATION CONTACT: Thomas Killiam or Robert James, AD/CVD Enforcement, Office 8, Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-5222, or (202) 482-0649, respectively.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act)

requires the Department of Commerce (the Department) to make a preliminary determination within 245 days after the last day of the month in which occurs the anniversary of the date of the order, or, if it is not practicable to complete the review within this time period, within 365 days.

Background

On March 22, 2001, the Department published in the **Federal Register** the notice of initiation of the administrative review of the antidumping duty order on certain stainless steel flanges from India, covering the period February 1, 2000 through January 31, 2001 (*Initiation of Antidumping Duty Administrative Reviews and Requests for Revocation in Part*, 66 FR 16037, March 22, 2001). The preliminary results are currently due no later than October 31, 2001. The respondents are Echjay Forgings Ltd. (with affiliate Pushpaman), Isibars, Ltd., Panchmahal Steel Ltd., Patheja Forgings & Auto Parts, Ltd., and Viraj Forgings, Ltd.

Extension of Time Limit

The Department has determined that because this review involves complex issues, such as comparison market selection and model definition, it is not practicable to complete the preliminary results of review within the original 245 day time limit mandated by section 751(a)(3)(A) of the Tariff Act and section 351.213(h)(1) of the Department's regulations. Therefore, the Department is extending the time limit for completion of the preliminary results until February 28, 2002 in accordance with section 351.213(h)(2).

Dated: October 2, 2001.

Joseph A. Spetrini,

Deputy Assistant Secretary, AD/CVD Enforcement Group III.
