Proposed Project: Native Hawaiian Health Scholarship Program.

Evaluation: Surveys of Current Scholars, Alumni Scholars, and Site Administrators (NEW).

The Bureau of Primary Health Care (BPHC), Health Resources and Services Administration (HRSA), is planning to conduct mail surveys of the Native Hawaiian Health Scholarship Program (NHHSP). The NHHSP provides Federal financial support for Native Hawaiian students of health professions who are needed to serve Native Hawaiian people in the State of Hawaii. The purpose of

the program is to increase the supply of health professionals serving Native Hawaiian people in Hawaii. The program provides assistance to Native Hawaiians for training in health professions in exchange for service in a federally designated health professional shortage area in Hawaii.

The purpose of these surveys is to determine the effectiveness of the NHHSP in various phases of operation: placement, service, and retention. The project also aims to evaluate the impact of the NHHSP providers on the site they serve and evaluate the NHHSP scholars' career trajectories. Data from these

surveys will provide information about the sociodemographic characteristics of the scholars, health care services provided, reasons for seeking scholarship, and satisfaction with experience. Survey questions include professional employment history, site characteristics, practice setting, compensation and benefits, as well as student and mentor experiences. These data will be useful to the program and will enable HRSA to provide data required by Congress under the Government Performance and Results Act of 1993.

The estimated burden is as follows:

Survey	Number of respondents	Respondents per respondent	Hours per response	Total burden hours
Current scholars	73	1	1	73
Alumni scholars	25	1	1	25
Site administrators	40	1	1	40
Total	138	138

Send comments to Susan G. Queen, Ph.D., HRSA Reports Clearance Officer, Room 14-22, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: October 3, 2001.

Director, Division of Policy Review and Coordination.
