

The Tribal Colleges and Universities Program enables tribal colleges and universities to build, expand, renovate, and equip their own facilities, especially those that are available to and used by the larger community. On May 11, 2001 (66 FR 24237), HUD published a Notice of Funding Availability (NOFA) announcing the availability of \$3 million in Fiscal Year 2001 funds for the Tribal Colleges and Universities Program. The Department reviewed, evaluated and scored the applications received based on the criteria in the NOFA. As a result, HUD seven applications were funded. These grants, with their grant amounts are identified below.

The Catalog Federal Domestic Assistance number for this program is 14.519.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, U.S.C. 3545), the Department is publishing details concerning the recipients of funding awards, as follows:

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4644-N-42]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless

assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

Title: North American Breeding Bird Survey.

Current OMB Approval Number: None.

Summary: The North American Breeding Bird Survey (BBS) is a long-term, large-scale avian monitoring program that was initiated in 1966 to

track the status and trends of continental bird populations. Each spring, interested volunteers conduct 3-minute point counts of birds along roadsides across the United States. Data can be submitted electronically via the Internet or on hard copy. These data provide an index of population abundance that can be used to estimate population trends and relative abundances at various geographic scales. Declining population trends act as an early warning system to galvanize research to determine the causes of these declines and reverse them before populations reach critically low levels. The BBS currently provides population trend estimates for 420 bird species and raw data for more than 650 species via the web.

Estimated Annual Number of Respondents: 2500.

Estimated Annual Burden Hours: 12,500 hours.

Affected Public: Primarily U.S. residents.

For Further Information Contact: To obtain copies of the survey, contact the Bureau clearance officer, U.S. Geological Survey, 807 National Center, 12201 Sunrise Valley Drive, Reston, Virginia, 20192, telephone (703) 648-7313.

Dated: October 15, 2001.
