COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS**Reduction of Charges for Certain Cotton Textile Products Produced or Manufactured in the Republic of Turkey**

November 16, 2001.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Issuing a directive to the Commissioner of Customs reducing charges.

EFFECTIVE DATE: November 21, 2001.

FOR FURTHER INFORMATION CONTACT: Roy Unger, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4212.

SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854);

Executive Order 11651 of March 3, 1972, as amended. On June 26, 2001, in response to a request from the Government of Turkey,

CITA published an adjusted limit for Category 350 from Turkey. As a result of administrative error, the adjusted limit was incorrect, and the correct limit was published on September 10, 2001. During the interim period, the Government of Turkey issued visas, and exporters and importer engaged in commercial transactions, in reliance on the limit published on June 26. Since June 26, CITA has published other directives which provided additional quota to Turkey in this category. As parties relied on the amount published on June 26, CITA is instructing U.S. Customs to reduce the charges applied to the limit established in the directive dated October 27, 2000, for goods exported in 2001, for Category 350 by 9,533 dozens, the amount that CITA has determined would permit Turkey to ship the full amount published on June 26.

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

November 16, 2001.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Pursuant to a CITA decision to take into account the impact of an administrative error, effective on November 21, 2001, you are directed to reduce the charges applied to the limit established in the directive dated October 27, 2000, for goods exported in 2001, for Category 350 by 9,533 dozens.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson,
Acting Chairman, Committee for the Implementation of Textile Agreements.

POLICY JUSTIFICATION

Taipei Economic and Cultural Representative Office in the United States - Cooperative Logistics Supply Support Arrangement

The Taipei Economic and Cultural Representative Office in the United States has requested the possible establishment of a Cooperative Logistics Supply Support Arrangement (CLSSA) for spare parts in support of F-5E/F, C-130H, and F-16A/B aircraft, and for U.S. systems and sub-systems of the Indigenous Defense Fighter (IDF) aircraft. The estimated cost is \$288 million.

This sale is consistent with United States law and policy as expressed in Public Law 96-8.

These spare parts are required to assure that aircraft and aircraft systems previously procured from the United States are maintained in a mission capable status. The recipient will have no difficulty utilizing these additional spare parts.

The proposed sale of this equipment and support will not affect the basic military balance in the region.

Procurement of these items will be from the many contractors providing similar items to the U.S. armed forces. There are no offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government and contractor representatives to the recipient.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
