

agreement between the Governments of the United States and the Former Yugoslav Republic of Macedonia.

Products in the above categories exported during 2001 shall be charged to the applicable category limits for that year (see directive dated October 27, 2000) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits do not apply to goods entered under the Outward Processing Program, as defined in the letter to the Commissioner of Customs, dated December 8, 1999 (see 64 FR 69746).

Any shipment for entry under the Outward Processing Program which is not accompanied by a valid certification in accordance with the provisions established in the letter to the Commissioner of Customs, dated December 9, 1999 (see 64 FR 69744), shall be denied entry. However, the Government of Macedonia may authorize the entry and charges to the appropriate specific limits by the issuance of a valid visa. Also see directive dated April 2, 1998, (63 FR 17156). Any shipment which is declared for entry under the Outward Processing Program but found not to qualify shall be denied entry into the United States.

These limits may be revised if the Former Yugoslav Republic of Macedonia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to the Former Yugoslav Republic of Macedonia.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C.553(a)(1).

Sincerely,  
D. Michael Hutchinson,
