Title: Request for Electronic LDP Services.

OMB Control Number: 0560-NEW.

Type of Request: Approval of a new information collection.

Abstract: On behalf of CCC, the Farm Service Agency (FSA) has developed an Electronic Loan Deficiency Payment pilot project. This internet-based process would allow producers to request an LDP online. The capability to request LDPs online would provide producers an alternative method for obtaining loan deficiency payments. The purpose for obtaining this

information is to determine producer eligibility and establish producer profiles in support of the online process. The reporting method is customer/producer-based and focuses on collecting and maintaining information needed to authorize producers access to E-LDP Services.

Estimate of Burden: Public reporting burden for the collection of information is estimated to average 4 minutes per producer.

Respondents: Producers/corporations.

Estimated Number of Respondents: 500.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 25 hours.

Proposed topics for comment include: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility and protect the interests of CCC and the producer; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of the information on those who respond, including the use of appropriated automated, electronic, mechanical, or techniques or other forms of information technology.

Comments should be sent to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 and to Kimberly V. Graham, USDA/Farm Service Agency, 1400 Independence Avenue, SW., STOP 0512; Washington, DC 20250-0512, telephone number (202) 720-9154.
