

above on all appropriate entries. Because the URAA replaced the general rule in favor of a country-wide rate with a general rule in favor of individual rates for investigated and reviewed companies, the procedures for establishing countervailing duty rates, including those for non-reviewed companies, are now essentially the same as those in antidumping cases, except as provided for in section 777A(e)(2)(B) of the Act. The requested review will normally cover only those companies specifically named. *See* 19 CFR 351.213(b). Pursuant to 19 CFR 351.212(c), for all companies for which a review was not requested, duties must be assessed at the cash deposit rate. Thus, for the period covered by this review, January 1, 1999, through December 31, 1999, the assessment rates applicable to all non-reviewed companies covered by this order are the cash deposit rates in effect at the time of entry.

As a result of the International Trade Commission's determination that revocation of this countervailing duty order would not likely lead to continuation or recurrence of material injury to an industry in the United States in the reasonably foreseeable future, the Department, pursuant to section 751(d)(2) of the Act, revoked the countervailing duty order on IPA from Israel. *See Revocation Countervailing Duty Order: Industrial Phosphoric Acid from Israel*, 65 FR 114 (June 13, 2000). Pursuant to section 751(c)(6)(A)(iv) of the Act and 19 CFR 351.222(i)(2)(ii), the effective date of revocation was January 1, 2000. Accordingly, the Department has instructed Customs to discontinue suspension of liquidation and collection of cash deposits on entries of the subject merchandise entered or withdrawn from warehouse on or after January 1, 2000.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act (19 U.S.C. 1675(a)(1) and 19 U.S.C. 1677f(i)(1)).

Dated: December 4, 2001.

Bernard T. Carreau,

Acting Assistant Secretary for Import Administration.

BILLING CODE 3510-22-S

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

New Transshipment Charges for Certain Cotton and Man-Made Fiber Textile Products Produced or Manufactured in the People's Republic of China

December 7, 2001.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Issuing a directive to the Commissioner of Customs charging transshipments to 2001 limits.

EFFECTIVE DATE: December 10, 2001.

FOR FURTHER INFORMATION CONTACT: Roy Unger, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4212.

SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

In a notice published in the **Federal Register** on September 11, 1996 (61 FR 47892), CITA announced that Customs would be conducting investigations of transshipments of textile products produced in China and exported to the United States. Based on investigations by the U.S. Customs Service (Customs), Customs has determined that textile products in certain categories, produced or manufactured in China and entered into the United States, were entered in circumvention of the bilateral agreement effected by the Memorandum of Understanding (MOU) of February 1, 1997, and extended October 31, 2000. Consultations were held between the Governments of the United States and the People's Republic of China on this matter on October 17-18, 2001 and on December 6-7, 2001. Pursuant to Paragraph 13(E) of the bilateral MOU, the United States may charge three times the amounts transshipped to China's negotiated quantitative limits under certain conditions. Certain shipments made in 1998 of categories 338-S/339-S, 348, 638, 639, and 648 are eligible for triple charging under these provisions. Accordingly, these shipments will be triple charged to China's quotas. In the letter published below, the Chairman of CITA directs the Commissioner of Customs to charge the amounts listed in the letter below to the 2001 quota levels.

A description of the textile and apparel categories in terms of HTS numbers is available in the

CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see **Federal Register** notice 65 FR 82328, published on December 28, 2000). Information regarding the availability of the 2002 **CORRELATION** will be published in the **Federal Register** at a later date.

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

December 7, 2001.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: To facilitate implementation of the Bilateral Textile Memorandum of Understanding dated February 1, 1997, between the Governments of the United States and the People's Republic of China, you are directed, effective on December 10, 2001, to charge the following amounts to the following categories for the 2001 restraint period (see directive dated December 20, 2000):

Category	Amounts to be charged
334	245 dozen.
338/339	11,532 dozen.
338-S/339-S	23,562 dozen.
340	13,073 dozen.
340-Z	15,270 dozen.
345	1,374 dozen.
347/348	174,287 dozen.
352	104,022 dozen.
638/639	123,373 dozen.
647	1,096 dozen.
648	18,388 dozen.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception to the rulemaking provisions of 5 U.S.C.553(a)(1).

D. Michael Hutchinson,
Acting Chairman, Committee for the Implementation of Textile Agreements.

BILLING CODE 3510-DR-S

DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Science Board; meeting

AGENCY: Office of the Secretary, Department of Defense.

ACTION: Notice of Advisory Committee meeting.

SUMMARY: The Defense Science Board (DSB) Task Force on Precision Compellence will meet in closed session on January 3-4, 2002, at SAIC, 4001 N.

Fairfax Drive, Arlington, VA. The Task Force will conduct a comprehensive study of the ends and means of precision compellence, of the nuanced use of force, in concert with coalition partners, to achieve political, economic and moral change in countries affecting U.S. interests.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At this meeting, the Defense Science Board Task Force will survey the focused use of force so as to alter regimes' behavior, and in ways that are most promising to isolate regimes of concern from their populations and supporting organs and bureaucracies. This will include the means to acquire a well-founded conceptual delineation of targets critically important to the diplomatic, economic and military dominance of the regime. A regime's values and vulnerabilities being highly idiosyncratic, the Task Force shall select some concrete case studies for exploration in depth. These might include current rogue states, terrorist organizations, and future potential adversaries. Of particular relevance are the cleavage planes, where the discriminating use of force might divide the interests of different strata, political, ethnic or religious groups, or even personal rivalries.

In accordance with section 10(D) of the Federal Advisory Committee Act, P.L. No. 92-463, as amended (5 U.S.C. App. II), it has been determined that this Defense Science Board meeting concerns matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, this meeting will be closed to the public.

Dated: November 21, 2001.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
