Federal Supply Service

Household Goods Tender of Service

AGENCY: Federal Supply Service, GSA.

ACTION: Notice of issuance of the GSA Household Goods Tender of Service for comment.

SUMMARY: The General Services Administration (GSA), in compliance with 41 U.S.C. 418b, is publishing the GSA Household Goods Tender of Service (HTOS) for comments. The HTOS combines the Domestic Tender of Service (DTOS), effective January 2, 1996 and the International Tender of Service (ITOS), effective October 1, 1995, into a single document. It establishes a uniform basis for purchasing transportation, accessorial services, and storage-in-transit for personal effects, unaccompanied baggage, and privately owned vehicles of Federal civilian employees relocated in the interest of the Government. Agreement to abide by the provisions of the HTOS is a prerequisite for any carrier or household goods forwarder that wishes to participate in GSA's Centralized Household Goods Traffic Management Program (CHAMP). GSA's Federal customer agencies benefit from the HTOS which leverages the Government's buying power to provide agencies standardized cost effective household goods transportation services. All submitted comments will be considered prior to issuance of the HTOS. Publication of the HTOS in the **Federal Register** will effectively cancel the DTOS, the ITOS and their respective supplements.

DATES: Please submit your comments by February 19, 2002.

ADDRESSES: Mail comments to the General Services Administration, Travel and Transportation Management Division (FBL), Washington, DC 20406, Attn: Gorman Purdy.

FOR FURTHER INFORMATION CONTACT: Mr. Gorman Purdy, Transportation Programs Branch by phone at 703-305-7999 or by e-mail at gorman.purdy@gsa.gov.

Dated: December 6, 2001.

GSA will evaluate this information to determine whether the applicant has sufficient financial capacity to provide service.

2-6.6. Firm Processes and Process Controls [old D2-3. & I2-6.2.1]

GSA will evaluate the applicant's responses in terms of whether the applicant has demonstrated actual potential ability to perform in accordance with HTOS, performance consistent with that of firms or agents, as appropriate, already participating in the program, and performance that will meet the levels of quality expected of approved program Participants.

2-6.7. Quality Control Program [old I2-6.2.2]

GSA will determine whether the applicant's internal quality control program has been formally published, contains quality goals and objectives with measurable performance standards, measurement techniques, and actions based on those standards, and is sufficient to ensure that the applicant's operations, employees, and agents, if appropriate, are familiar with and will be held accountable for the achievement of the program's goals and objectives. GSA will also determine that the interface of quality control programs between the applicant firm and each of its designated agents is such that the quality goals and objectives and the performance standards are relatively consistent and will result in a unified approach to the quality of service delivery.

2-6.8. Corporate Account Trends [old D2-3. & I2-6.2.3]

GSA will determine how well the applicant has managed and handled its corporate account businesses.

2-6.9. HTOS Questionnaire [old D2-3 & I2-6.2.4]

GSA will evaluate the responses to the questionnaire in terms of whether the applicant has an understanding of the HTOS sufficient to performance that will meet the levels of quality expected of approved program Participants.

2-6.10. Certificate of Insurance [old D2-3 & I2-6.2.5]

Upon receipt of the vendor certification statement of cargo liability insurance from the carrier, and in accordance with the instructions listed in the RFO, GSA will verify the primary underwriter of the cargo insurance policy is licensed by the appropriate regulatory authority. The insurance must also provide for notice of termination or cancellation be provided thirty (30) days prior thereto to the PMO. (SATISFACTORY/ UNSATISFACTORY).

2-6.11. Performance Bond.— International Only [old I2-6.2.6]

Upon receipt of the performance bond from the surety, GSA will verify that the surety company executing the bond appears on the list contained in the Department of Treasury Circular 570, "Surety Companies Acceptable on Federal Bonds," and that the sum of the bond is correct. (Acceptable/ Unacceptable).

2-6.12. Federal Support [old I2-6.2.7]

In the event the application is from a firm covered by 2-3.1, above, GSA will evaluate the federal support for the applicant to determine whether the applicant's recommencement of operations or its initiation of operations is supported by at least 75% of its former federal, non-DOD customers.

2-7. Approval [old D2-4. & I2-7]

A firm will be approved when the evaluation results in a determination that the applicant possesses sufficient qualifications, experience, facilities, quality control processes, and financial capacity.

2-8. Approval Limitation. [old D2-5 & I2-8]

2-8.1. General [old D2-5. & I2-8.1]

The approval of a firm shall include a limitation on the scope of that firm's operations within the program. The limitation shall be determined in accordance with the following criteria.

2-8.2. New Participants [old D2-5 & I2-8.2]

2-8.2.1. Transportation Services

Except as provided in Paragraphs 2.8.3 and 2.8.4 below, new firms are those applicants approved as Participants during a specific approval window. The designation "new" shall apply until November of the calendar year following the year in which approval was granted (for example, an applicant approved in 1997 shall be considered a new firm until November, 1998). GSA will limit the new Participant's scope of operation to that consistent with the applicant's experience, resources, quality control processes, and financial responsibility.

2-8.3. Applicants Whose Approval Has Been Terminated [old D2-5 & I2-8.3]

For those applicants whose approval as a firm has been terminated by GSA and have subsequently reapplied as a firm, the applicant's scope of operation will not exceed that previously approved, unless GSA determines that a lesser scope is consistent with the applicant's experience, resources, quality control processes, financial responsibility, and prior performance in the program.

2-8.4. Applicants Which Have Voluntarily Withdrawn [old D2-5 & I2-8.4]

For those firm applicants which have voluntarily withdrawn from the program and reapplied as firms, the applicant's scope of operation will not exceed that previously approved, unless GSA determines that a lesser scope is consistent with the applicant's experience, resources, quality control processes, financial responsibility, and prior performance in the program.

2-8.5. Scope Of Operation Adjustments [old D2-5. & I2-8.5]

For other than new firm Participants, the approved scope of operation will be adjusted based on customer satisfaction with the firm's performance within its assigned scope of operation as indicated by the Customer Satisfaction Index effective on November 1 of the year of adjustment. The adjustment shall be calculated in accordance with the following.

2-8.5.1. Adjustment When the Customer Satisfaction Index (CSI) Is Greater Than 105 [old D2-5 & I2-8.5.1]

A CSI greater than 105.00 indicates better than average customer satisfaction. A firm with a CSI greater than 105.00 may increase its scope of operation by an amount equal to the

difference between its CSI and 100.00. For example, a CSI of 109.83 would permit a 9.83% increase in the number of service area pairs (SAP) in the approved scope of operation, as demonstrated by the following computations:

Program Average = 100.00

CSI = 109.83

of SAPs approved = 3

Step 1: $109.83 - 100.00 = 9.83$ (move the decimal two places to the left of the decimal position—example: change 109.83 to .0983)

Step 2: $3 \times .0983 = .29$ or an increase of 1 SAP

Note: Round all percentages relating to the number of SAP's to the next greater whole number—For example, .29 to 1.

2-8.5.2. Adjustment When the Customer Satisfaction Index (CSI) Is Between 95 and 105 [old D2-5. & I2-8.5.2]

A CSI between 95.00 and 105.00 indicates average customer satisfaction. A firm with a CSI between 95.00 and 105.00 may not change its scope of operation.

2-8.5.3. Adjustment When the Customer Satisfaction Index (CSI) Is Less Than 95 [old D2-5. & I2-8.5.3]

A firm with a CSI less than 95.00 must decrease its scope of operation by an amount equal to the difference between its CSI and 100.00.

2-8.5.4. Reduction of a Multi-Service Area Pair Scope (Old D2-5. & I2-8.5.3.1)

When a firm has a multi-service area scope, the firm will be required to reduce its scope of operation by an amount equal to the difference between its CSI and 100.00. For example, a CSI of 88.23 would require an 11.77% decrease in the number of service area pairs (SAP) in the approved scope of operation, as demonstrated by the following computations:

Program Average = 100.00

CSI = 88.23

of SAPs approved = 115

Step 1: $100.0 - 88.23 = 11.77\%$ (move decimal two places to the left for calculation purposes in step 2).

Step 2: $115 \times .1177 = 13.54$ or decrease of 14 SAP's.

Note: Round all percentages relating to the number of SAP's to the next greater whole number—For example, round 13.54 to 14.

2-8.5.4.1. Reduction of a Single Service Area Pair Scope [old D2-5. & I2-8.5.3.2]

When a firm's CSI is less than 95.00 and the firm's scope of operation must be reduced as provided in 2-8.5.3, above, and when the resultant scope of operation would be zero (0) service area

pairs or service areas, as the case may be, the scope will not be changed for the filing cycle during which the Customer Satisfaction Index will be effective, subject to the provisions of 2-8.5.6, Adjustment, when the firm is unindexed.

2-8.5.5. Adjustment When There Is No CSI [old D2-5. & I2-8.5.4]

The lack of a CSI indicates that GSA has been unable to establish the quality of the firm's performance. An unindexed firm may not change its scope of operation.

2-8.5.6. Adjustments Based on Factors Other Than the Customer Satisfaction Index [old D2-5. & I2-8.5.5]

For firms other than new that have filed rates since their approval, the approved scope of operation under the circumstances and in accordance with the provisions described below may be adjusted upon written request by the firm. Any approved adjustment will be effective as determined by GSA.

2-8.5.6.1. Adjustment Based on an Increase in Operating Authority [old D2-5. & I2-8.5.5.1]

If subsequent to a firm's approval and the assignment of or any adjustment to a scope of operation, a firm's operating authority increases, no adjustment in the assigned scope of operation will be made unless the firm's current published Customer Satisfaction Index is greater than 105.00; provided, however, that GSA reserves the right to require the firm to submit current information in accordance with the requirements set out in 2-5 above, and to increase, decrease, or not change the firm's scope of operation based on the evaluation of that information.

2-8.5.6.2. Adjustment Due to Mergers and Acquisition [old D2-5. & I2-8.5.5.2]

If subsequent to a firm's approval and the assignment of or any adjustment to a scope of operation, a firm's operating authority increases because of a merger and/or acquisition, no adjustment in the assigned scope of operation will be made unless the firm's current published Customer Satisfaction Index is greater than 105.00; provided, however, that GSA reserves the right to require the firm to submit current information in accordance with the requirements set out in 2-5 above, and to increase, decrease, or not change the firm's scope of operation based on the evaluation of that information.

2-8.5.6.3. Adjustments Based on Reorganization Plans [old D2-5. & I2-8.5.5.3]

If subsequent to a firm's approval and the assignment of or any adjustment to a scope of operation, a firm's plan for reorganization is approved under the laws of the United States, GSA will require the submission of current information in accordance with the requirements set out in 2-5 above, and increase, decrease, or not change the firm's scope of operation based on the evaluation of that information.

2-8.5.6.4. Adjustment Based on Financial Capacity [old D2-5. & I2-8.5.5.4]

Subsequent to a firm's approval and the assignment of or any adjustment to a scope of operation, GSA reserves the right to require a firm to submit current financial information and increase, decrease, or not change the firm's scope of operation based on the evaluation of that information.

2-8.5.6.5. Adjustment Based on Redesignation of Principal Operating Company [old D2-5. & I2-8.5.5.5]

Subsequent to a firm's approval and the assignment of or any adjustment to the scope of operation, the scope of operation will not be adjusted due to the redesignation of the principal operating company (POC) by the parent company.

2-8.5.6.6. Adjustment Based on Firm Name Change [old D2-5. & I2-8.5.5.6]

An approved firm may change its name upon submission of a copy of its approval by the U.S. Department of Transportation (successor to the Interstate Commerce Commission), or appropriate regulatory authority to the PMO. Such documentation must clearly demonstrate a change of name as can be determined by the PMO. No adjustments in the assigned scope of operation will be made; provided, however, that GSA reserves the right to require the firm to submit current information in accordance with the requirements set out in 2-5 above, and to increase, decrease, or not change the firm's scope of operation based on the evaluation of that information.

2-8.5.6.7. Adjustment When More Than One of the Factors Cited in 2-8.5.6.1 Through 2-8.5.6.6 Applies [old D2-5. & I2-8.5.5.7]

When more than one of the factors cited in 2-8.5.6.1 through 2-8.5.6.6 applies (for example, an approved reorganization coupled with a name change), GSA reserves the right to determine the factor under the terms of

which any adjustment action will be taken.

2-8.5.7. Restructuring of Scope of Operation [old D2-5. & I2-8.5.6]

2-8.5.7.1. Restructuring Under the Provisions of 2-8.5.9.3 [old D2-5. & I2-8.5.6.1]

Upon approval of a reorganization plan by the cognizant Bankruptcy Court of the United States, a firm is required to submit a plan for restructuring of its scope of operation and the information required in 2-5, above.

2-8.5.7.2. Restructuring Based on Changes in Traffic Patterns [old D-2.5 & I2-8.5.6.2]

Over a period of time and for various reasons, a firm's predominant, long-term traffic patterns may change. Such changes may result in the approved scope of operation no longer matching the traffic patterns of the firm. Accordingly and notwithstanding any of the provisions set out in 2.8.5, above, a firm may request in writing a restructuring of its scope of operation.

2-8.5.7.2.1. Time of Request [old D2-5. & I2-8.5.6.2.1]

No earlier than five (5) years after the year in which the firm was approved to participate in the program and in five (5) year increments thereafter, a firm may request a review of its scope of operations; for example, a firm approved in calendar year 1989 may request a review of its scope of operation in calendar year 1994 and thereafter in calendar years 1999, 2004, and so on). [See Section 5, Restructuring of Scope of Operations.]

2-8.5.7.2.2. Procedure [old D2-5. & I2-8.5.6.2.2]

When a firm has determined that it wants to exercise its rights to request a restructuring, the firm shall notify the PMO in writing of its intent to file a request for restructuring under the terms of this HTOS. Upon receipt of such notice, the PMO shall transmit to the firm the instructions for the submission of its requests. The firm must then file the formal request in the anniversary year. Formal request, as opposed to the notice of intent to request, received by GSA prior to or after the anniversary year will be rejected.

2-8.5.7.2.3. General Content of Instructions [old D2-5. & I2-8.5.6.2.3]

Generally, the firm will be required to submit the information identified in 2-5 together with sufficient traffic flow statistics and such other information as may be needed to support a conclusion that a substantial, long term change in

traffic patterns different from the approved scope of operation has occurred.

2-8.5.7.2.4. Action On The Request [old D2-5. & I2-8.5.6.2.4]

GSA reserves the right to restructure, decrease, or not change the firm's scope of operation based on the evaluation of that information.

2-8.5.7.3. Needs Of The Program [old D2-5. & I2-8.5.6.3]

GSA reserves the right to increase or restructure a firm's scope of operation without regard to the firm's Customer Satisfaction Index when the needs of the program require such increase or restructuring.

2-9. Rejection Of Application To Participate [old D2-6. & I2-9]

2-9.1. Timeliness [old D2-6. & I2-9.1]

An applicant's failure to file by the respective due dates will result in the rejection of its application.

2-9.2. Reserved For Future Use [old I2-9.2]

This Subparagraph reserved for future use.

2-9.3. Financial Responsibility [old D2-6. & I2-9.3]

An applicant not meeting the financial qualification standards will not be approved.

2-9.4. Business And Operational Responsibility [old D2-6. & I2-9.4]

An applicant not meeting the business and operational responsibility standards such that a scope of operation cannot be established will not be approved.

2-10. Continued Participation [old D2-7. & I2-10]

2-10.1. General [old D2-7. & I2-10.1]

Once an applicant has been approved to participate, continued participation depends upon (1) The Participant showing a willingness and ability to meet the transportation requirements of the United States Government and the HTOS; and (2) the Participant's maintenance of financial responsibility, working capital, and other financial, technical, quality control processes, and management resources to perform.

2-10.2. Continuation Of ISO 9000 Certification [old I2-10.2]

In the event that a firm's approval is predicated in part on ISO 9000 certification and that certification lapses or is terminated by the certification registrar, the firm's approval will become conditional until it has

completed all parts of the application that were waived because of the ISO 9000 certification; provided, however, that should the firm not meet the evaluation standards, approval will be terminated.

2-10.3. Continuation of Insurance [old I2-10.3]

If at any time the firm's certification statement of cargo liability insurance is not provided to the PMO in accordance with the RFO, the firm's participation in the program will be immediately terminated.

2-10.4. Continuation of Performance Bond—International Only [old I2-10.4]

If at any time the firm's performance bond is canceled and not replaced with an acceptable new bond, the firm's participation in the program will be immediately terminated.

2-10.5. Assignment Of Rights [old I2-10.5]

Except for assignment of payment of the Participant's original bills to a bank for collection and in the event that a Participant exercises any right under a currently existing agreement nor enters into agreements with parties not subject to its control which in any way infringe, controvert, or otherwise subordinate or prevent the Participant from deciding unilaterally whether it will or will not submit a claim or file suit against the Government or pay a claim by the Government after the original bill for services performed under this HTOS, the Participant's approval will be immediately terminated.

2-10.6. Conditional Approval Based on a Customer Satisfaction Index Less Than 95.00 When a Single Service Area Scope of Operation is Involved—Firm [old I2-10.6]

Under the conditions specified in 2-8.5.4.1, above, the following applies.

2-10.6.1. Change in Approval Status [old D2-7. & I2-10.6.1]

The firm's approval will be changed to conditional for the filing cycle during which the Customer Satisfaction Index will be effective.

2-10.6.2. Revocation of Approval [old D2-7. & I2-10.6.2]

In the event the firm's Customer Satisfaction Index for the subsequent customer satisfaction rating period remains less than 95.00, the firm's approval will be terminated.

2-10.6.3. Termination of Conditional Approval [old D2-7. & I2-10.6.3]

If the firm's Customer Satisfaction Index for the subsequent customer

satisfaction rating period is 95.00 or greater or the firm is unindexed for the subsequent customer satisfaction rating period, the conditional approval will be terminated.

2-10.7. Submission of False Information [old D2-7. & I2-10.7]

Willful submission of false information on any document furnished by the applicant or Participant pursuant to this HTOS is punishable by fines, imprisonment, or both (U.S. Code Title 18, Section 1001), and may be grounds for terminating the Participant's approval to participate in the program. Federal agencies are responsible for the final evaluation of firm performance and selections of firms which best serve their needs. In the event it is later discovered that the firm was in CFAC and did not declare that fact, the Participant's approval will be terminated.

2-10.8. Updating Approval Information [old D2-7. & I2-10.8]

Whenever an approved Participant makes substantive changes in its organization or operation as described in its approval application, the Participant must advise the PMO in writing of such changes.

2-10.9. Bankruptcies [old D2-7. & I2-10.9]

A Participant filing a petition for reorganization, or bankruptcy under the laws of the United States or a foreign country must notify the Program Management Office.

2-10.9.2. Reorganization [old D2-7. & I2-10.9.2]

When a Participant files a petition for reorganization under the laws of the United States or a foreign country, the Participant's approval to participate in the program will be subject to review and redetermined in accordance with the provisions of 2-8.5.6.3 and 2-8.5.7.1, above.

2-10.9.3. Bankruptcy [old D2-7. & I2-10.9.3]

When a Participant files a petition for bankruptcy, the Participant's approval to participate will be immediately terminated.

2-10.9.4. Failure To Notify PMO [old D2-7. & I2-10.9.4]

2-10.9.5.2. Constructive Withdrawal [old I2-10.10.2]

If a Participant is a principal operating company or is independently owned and operated, it will be construed as having withdrawn from participation in the program if it does not file rates in two consecutive years.

Section 3—Offers of Service

3-1. Filing [old D3-1]

Subject to Paragraph 3-4 below, Participants approved to participate in the Program may submit offers to provide the transportation services covered by this HTOS.

3-2. Time of Filing [old D3-2]

Except for newly approved Participants, offers may be filed only during the period designated in the filing instructions for the filing of offers. Newly approved Participants may file offers during the first open filing period, as set out in the filing instructions, after their approval.

3-3. Filing Restrictions [old D3-3]

3-3.1. Approved Participants [old D3-3]

The filing of offers is restricted to an approved Participant in the Centralized Household Goods Traffic Management Program (CHAMP).

3-3.2. Scope of Operation. [old D3-3]

The filing of offers is restricted to an approved Participant's scope of operation.

3-4. Acceptance/Rejection of Offers [old D3-4]

Offers submitted shall be accepted/rejected in accordance with such terms and conditions as the PMO deems necessary to assure maintenance of service, fair and reasonable pricing, and free and open competition. Offers outside the Participants approved scope of operations will be rejected.

3-5. Issuance of Special Offers.

3-5.1. General [old D3-5]

Except as provided in HTOS Paragraph 3-5.1.1. below, it is expressly prohibited for Participants party to this HTOS, their affiliates, or agents to offer, whether solicited or unsolicited, to a Federal agency subject to GSA's Centralized Household Goods Traffic Management Program any services, rates, rules, or charges different from those available in the Program. Availability in the Program shall be construed as a Participant's rate offer accepted in the normal course of a rate filing cycle; or if a Participant's rate offer had been rejected, any action by the Participant to make an offer to Federal agencies independent of GSA action. Violation of this paragraph will result in immediate placement of the principle operating company (POC) in temporary non-use for a period of 90 days, potential revocation of the POC's approval, and possible referral for Government-wide debarment.

3-5.1.1. Exception [old D3-5]

Participants may issue a special rate tender for first proviso household goods shipments for the use of a cost-reimbursable contractor of the United States Government. The terms of the rate tender must be such as to preclude use of that rate tender by the contracting Federal agency. For example, a Participant may issue a rate tender for "Department of Energy's Cost-Reimbursable Contractors", but not for "the Department of Energy and its cost-reimbursable contractors". The rates and charges offered in such rate tenders must be equal to or better than those set out in any rate tender accepted and otherwise available to Federal agencies.

3-6. Filing Instructions [old D3-6]

3-6.1. General

Instructions for the filing of offers, Request for Offers (RFO), will be issued by the PMO on an annual basis, unless changes in the program or other factors require the issuance of instructions on a different basis. Except as provided below, all terms, conditions, and instructions will be set out in the RFO.

3-6.2. Geographic Coverage [old D3-6]

3-6.2.1. Domestic

The geographic areas included in domestic offers are defined in Section 14. Offers for service within Alaska or between Alaska and all other points defined as domestic will include only those points identified in the RFO. Offers for all other domestic service must be for all points within the defined

service areas for interstate and for the full state for intrastate.

3-6.2.2. International

The geographic areas included in international offers are defined in Section 14. Offers for all international service may be between international areas or between international and domestic areas. In any case, offers for international service must be for all points within the defined service areas and/or countries.

3-6.3. Supplements [old 3.6.1.6.2]

Supplements to an initially accepted offer must be submitted in accordance with the RFO. If supplements do not conform to the requirements of the RFO, they will be rejected.

3-6.4. Liability for error [old D3-6]

GSA is not liable for any error in the formatting or content of a Participant's offer. In the event of differences between a Participant's submitted offer and its accepted offers as set out in the ITMS, the accepted offer as set out in ITMS will take precedence.

Section 4—Statement of Work

4-1. Performance Of Services

4-1.1. Scope of Service [old D4-1]

The responsible transportation officer (RTO) or the owner of the goods, or his/her designated representative, shall establish firm service dates in conjunction with Participants accepting shipments offered under this HTOS for the prompt performance of all necessary origin and destination services. Origin services shall include packing, necessary servicing of appliances and electrical equipment, pickup from owner's residence or place of storage, and loading and removal of packing debris. Destination services shall include delivery, unpacking, single placement of household goods in owner's residence, servicing of appliances and electrical equipment, removal of unpacking debris, and customs services, as required. These services shall be performed on, before, or after the date shown on the Government Bill of Lading (GBL). The required delivery date noted on the GBL will not be construed by the Participant as expedited service, unless specifically authorized by the RTO. The physical transfer of individual shipments from one line-haul vehicle to another will be held to a minimum.

4-1.2. Scope of Service—International Only [old I4.1.2]

Unless directed otherwise by the employing Federal agency, the

Participant will be required to place goods in Type II containers at origin, provide surface transportation to the ocean Participant terminal, transfer of goods to sea container, if necessary, transportation to port of debarkation, transfer of goods loaded in Type II containers from sea containers to motor Participant, if necessary, and delivery into storage or to destination residence; or place Type II containers in sea containers at origin residence and transportation to destination residence or storage facility.

4-1.2.1. Use of American Flag Vessels—International Only

4-1.2.1.1. General—International Only [old I4.4]

Except as provided below, the Participant will use ships of United States registry for the ocean portion of overseas shipments and book shipments for container or below deck stowage.

4-1.2.1.2. Use of Foreign Flag Shipping—International Only [old I4.4]

When it is determined that the use of a vessel of United States registry will not provide the required service, the Participant will request permission to use Foreign Flag vessel prior to start of movement. Requests for permission to use a Foreign Flag vessel must be made to RTO on the form "Request for Approval of Use of a Foreign Flag Vessel". Authority will be granted only when US flag shipping is not available or the use of foreign flag shipping is necessary to meet delivery requirements to which the Participant will certify in writing.

4-1.2.2. Overflow And Split Shipments—International Only.

4-1.2.2.1. Ocean Shipments.—International Only. [old I4.1]

The Participant will book all items of a single shipment together on the same vessel, same voyage or departure. In the event that a portion of any shipment should be shut out by the ocean Participant, the Participant will notify the RTO. Shipments may be split between ocean containers but not between ocean voyages.

4-1.2.2.2. Non-Ocean Shipments.—International Only [old I4.1]

If it is necessary to split a shipment for the non-ocean line-haul movement, the established RDD is applicable to all parts of the shipment.

4-1.2.3. Use of Agents In Unnamed Localities—International Only [old I4.1]

An agent furnishing agent services in a locality not named in Section 14 may

provide agent services to a requesting Participant; provided, however, that the Participant has obtained the permission of the RTO to use that agent prior to commencement of performance.

4-1.3. Pickup And Delivery Service [old D4-1]

When a shipment is accepted at origin, the Participant agrees to meet the specified pickup date and shall deliver the shipment in accordance with the transit time specified in Section 12, or the required delivery date (RDD) stated on the GBL, or as otherwise directed by the RTO. The required delivery date noted on the GBL will not be construed by the Participant as expedited service, unless specifically authorized by the RTO. Pickup maybe performed by the Participant's local agent with transfer to a line-haul Participant at the Participant's origin terminal facility. Shipments will not be scheduled by the Participant for pickup or delivery on Saturdays, Sundays, local holidays, or US holidays unless so directed by the RTO. In the event that the final date of the transit time or the RDD falls on a Saturday, Sunday, local holiday, or US holiday, the final date shall become the first workday following the Saturday, Sunday, local holiday, or US holiday. The Participant will not begin any service that will not allow completion by 5 p.m., local time, without prior approval of the RTO and will return the following workday morning to complete the job.

4-1.4. Adverse Weather Conditions [old D4-1]

When packing, loading, unloading or unpacking during adverse weather conditions could create a potential hazard to the owner's household goods or personal effects, such services will be suspended until more favorable weather conditions exists, unless otherwise mutually agreed in writing by the Participant and the owner. Participants must, if requested, produce a copy of this in writing to GSA.

4-1.5. Continuous Control [old D4-1]

Participants shall maintain continuous control of shipments and shall be responsible for monitoring and tracing to ensure prompt completion of all services.

4-1.6. Electronic Communications [old D4-1]

In those instances when a Participant has the capability, it may make available (at no cost to Federal agencies) electronic communications capabilities for such purposes as shipment booking, tracing, and claims settlement

information. The unpacking service and removal of debris will be performed at the time the goods are delivered to the residence unless specifically waived in writing by the employee or the employee's agent. The waiver will be held in the Participant's files for further reference.

4-9.3. Containers Moving in Local Service [old D4-5 & I4.9]

Containers (storage or liftvans) moving in local pickup or delivery service will be covered with a waterproof tarpaulin or other material providing equal protection when local weather conditions dictate. In any

event, such protective covering must be available. Containers will not extend beyond the side or end of flatbed equipment.

4-9.4. Removal Of Debris [old D4-2 & I4.12]

Packing and loading at origin will include removing from the employee's residence, to include driveway and curbside, all empty Participant-provided containers, packing materials, cartons and other debris, e.g., nails accumulated incident to packing and loading. All "debris" which may have accumulated on the street, or next-door neighbor's property or in parking spaces will be removed.

4-9.5. Protection of Residence Floors and Protection for Buildings [old D4-2 & I4.8]

The floor and carpeting or the employee's residence will be appropriately covered during packing, loading, and delivery to prevent damage or soiling. "Appropriately covered" is generally defined as substantial protection from scratching, gouging, or soiling the floor or carpet of the residence. The Participant shall furnish or cause to be furnished, when necessary, padding or other protective material for the interior of the buildings, including elevators, from and to which the property will be moved under this HTOS.

4-9.6. Impracticable Operation and Auxiliary Services**4-9.6.1. General [old I4.13]**

Nothing in this Section will require the Participant to perform any line haul service or any pick up or delivery service or any other service from or to, or at any point or location where, through no fault or neglect of the Participant, the furnishing of such services is impracticable because: (a) the conditions of roads, streets, driveways, alleys or approaches thereto would subject operations to unreasonable risk of loss or damage to life or property; (b) loading or unloading facilities are inadequate; (c) any force majeure, war, insurrection riot, civil disturbance, strike, picketing or other labor disturbance would (c) (1) subject operations to unreasonable risk of loss or damage to life or property or (c) (2) unreasonably jeopardize the ability of the Participant to render line haul or pick up or delivery or any other service from or to or at other points or locations; (d) Participant's hauling contractors, Participant's employees or Participant's agents are precluded, for reasons beyond Participant's control, from entering premises where pickup or

delivery is to be made; (e) local, state or federal restrictions, regulations or laws prohibit performance of such services by line-haul equipment; (f) when service is impracticable for reasons stated in this rule, and service can be completed through the employment of services of third persons, the RTO or the origin/destination GSO may order such service.

4-9.6.2. Provision of Smaller Equipment [old I4.13]

Upon request of the RTO, the Participant will use or engage smaller equipment than its normal road haul equipment or provide extra labor for the purpose of transferring the shipment between the origin or destination address and the nearest point of approach by the Participant's road equipment.

4-9.7. Lack of Proper Delivery Address [old I4.14]

If the Government bill of lading sets out a specific residential delivery address and delivery cannot be made at the address specified on the Government bill of lading for other than the fault of the Participant, and neither the shipping Federal agency, the destination RTO, nor the property owner designates another address at which delivery can be made, the Participant will place the property in storage-in-transit only after the RTO authorizes the storage.

4-9.8. Constructive Delivery**4-9.8.1. Tender at Nearest Point of Approach [old I4.15]**

When it is physically impossible for Participant to perform pickup of shipment at origin address or to complete delivery of the shipment at the destination address with normally assigned road equipment, due to the structure of the building, its inaccessibility by highway, inadequate or unsafe public or private road, overhead obstructions, narrow gates, sharp turns, trees, shrubbery, the deterioration of roadway due to rain, flood, snow or nature of an article or articles included in the shipment, the Participant will hold itself available at point of pickup or tender delivery at destination at the nearest point of approach to the desired location where the road equipment can be made safely accessible.

4-9.8.2. Owner Non-Acceptance of Delivery**4-9.8.2.1. General [old I4.15]**

If the owner does not accept the shipment at nearest point of safe

approach by Participant's road equipment to the destination address, the Participant may place the shipment or any part thereof not reasonably possible for delivery, in storage at the nearest available warehouse (see exception below, for international shipments). The RTO must be informed of and approve such action prior to placement in warehouse. The liability on the part of the Participant will cease when the shipment is unloaded into the warehouse and the shipment will be considered as having been delivered.

4-9.8.2.2. Exception—International Only [old I4.15]

Storage authorized in accordance with this subparagraph for international shipments must occur in the nearest available DOD or DOS approved warehouse.

4-9.9. Detention By Participant or Agent [old I4.6]

Personal property shipments moved under this HTOS are sponsored by the Government of the United States of America and, as such, will not under any condition or for any reason be detained by Participants or agents.

4-10. Determination Of Weight

4-10.1. Weighing Requirement [old I4.19]

Participants will determine the weight of each shipment transported prior to the assessment of any charges depending on the shipment weight. Except as otherwise provided in this item, the weight shall be obtained on a scale approved by the appropriate regulatory authority for use in determining the weight of household goods shipments.

4-10.1.1. Weight Variance

In the event the actual shipment weight is greater than 115% of the premove survey weight, the Participant must notify the RTO or its third party representative prior to billing the Federal Agency of the original weighing and be prepared to justify the difference. In the event the Participant fails to notify the RTO or third party representative, the Participant stipulates that the agreed weight of the shipment will be 115% of the premove survey weight. In the event the Participant fails to adequately justify the difference between the actual and premove survey weights, the Participant stipulates that the agreed weight of the shipment will be 115% of the premove survey weight. The agreed weight shall take precedence over the actual weight for the assessment of transportation, accessorial, and storage-in-transit

charges when based on weight. The RTO has the authority to waive this provision.

4-10.1.2. Verification of Weight Variance

A copy of the premove survey must accompany the billing voucher and associated documents when the weight variance rule is applied.

4-10.2. Weighing Procedure Household Effects

4-10.2.1. General [old I4.19]

Except as otherwise provided herein, the weight of each shipment will be obtained by determining the difference between the tare weight of the vehicle on which the shipment is to be loaded prior to the loading and the gross weight of the same vehicle after the shipment is loaded or, the gross weight of the same vehicle after the shipment is loaded or the gross weight of the vehicle with the shipment loaded and the tare weight of the same vehicle after the shipment is unloaded.

4-10.2.2. Included In Weighing

4-10.2.2.1. General [old D11-2 & I4-9]

At the time of both weighings, the vehicle will have installed or loaded all pads, dollies, hand trucks, ramps and other equipment required in the transportation of each shipment. Neither the driver nor any other persons shall be on the vehicle at the time of either weighing. Participants will bill for the net weight of a household goods shipment described on the GBL. The net weight will consist of actual goods (including a separate weight for designated PBP&E and for privately-owned automobiles), plus special wooden crates (when approved by the RTO), cartons, barrels, fiber drum, and wardrobes used to pack linens, books, bedding, mattresses, lampshades, draperies, glassware, chinaware, bric-a-brac, table lamp bases, kitchenware and other fragile articles and the necessary wrapping, packing and filler material incident thereto. Nothing else will be included in the net weight.

4-10.2.2.2. Included in Net Weight [old D11-2]

In determining net weight on containerized shipments, Participants will include in the tare weight all padding material, e.g., paper pads, cloth blankets, or any wrapping material used as a substitute for cloth blankets, and blocking and bracing material used for a Participant's convenience to protect and secure a shipment.

4-10.2.2.3. Lift Van Weights—International Only [old I4.19]

The net weight of shipments transported in lift vans will be the difference between the tare weight of the empty lift van, and the gross weight of the packed lift van.

4-10.2.3. Fuel Tanks [old I4.19]

The fuel tanks on the vehicle will be full at the time of each weighing or, in the alternative, no fuel may be added between the two weighings, when the tare weighing is the first weighing performed.

4-10.2.4. Detaching Equipment [old I4.19]

The trailer of a tractor-trailer vehicle combination may be detached from the tractor and the trailer weighed separately at each weighing providing the length of the scale platform is adequate to accommodate and support the entire trailer at one time.

4-10.2.5. Time of Weighing [old I4.19]

Shipments may be weighed on a certified platform or warehouse scale prior to loading for transportation or subsequent to unloading.

4-10.2.6. Right To Observe Weighing [old I4.19]

The shipper, the Government or its representative or any other person responsible for payment of the freight charges will have the right to observe all weighings of the shipment. The Participant must advise the shipper or any other person entitled to observe the weighings, of the time and specific location where each weighing will be performed and must give that person a reasonable opportunity to be present to observe the weighings. Waiver by a shipper of the right to observe any weighing or reweighing is permitted and does not affect any rights of the shipper under these regulations or otherwise.

4-10.3. Weight Tickets [old I4.19]

The Participant will obtain a separate weight ticket for each weighing required under this item except when both weighings, are performed on the same scale, one weight ticket may be used to record both weighings. Every weight ticket must be signed by the person performing the weighing and must contain the following minimum information: (1) The complete name and location of the scale; (2) the date of each weighing; (3) identification of the weight entries thereon as being the tare, gross and/or net weights; (4) the company or Participant identification of the vehicle; (5) the name of the owner of the household effects as it appears on

the GBL; (6) the Participant shipment registration or GBL number; (7) the original weight ticket or tickets relating to the determination of the weight of a shipment must be retained by the Participant as part of the file on the shipment. All freight bills presented to collect any shipment charges dependent on the weight transported must be accompanied by true copies of all weight tickets obtained in the determination of the shipment weight.

4-10.4. Reweighing of Shipments [old D4-12 & I4.19]

The Participant, upon request of the shipper or his representative, made prior to delivery of the shipment, and when approved by the RTO, will reweigh the shipment. Reweigh of the shipment must be performed on a scale different from the one on which the original weighing occurred. If a reweigh is required, shipment will be reweighed upon final delivery and performed on a scale different from the one on which the original weighing occurred.

4-10.5. Constructive Weight [old D11-2 & I4.19]

The application of constructive weight will occur only upon written approval of the RTO. If approved, constructive weight will be applied based on seven pounds per cubic foot. When PBP&E or a privately owned automobile is included as part of the shipment, the weight of such articles will be annotated separately on the GBL.

4-10.6. Platform Scales [old D11-2 & I4.19]

HTOS Participants may use platform scales to obtain tare and gross weight of containerized shipments.

4-11. Storage-In-Transit

4-11.1. General [old D4-11 & I4.17]

The Participant must provide SIT at destination when required. (SIT may not occur at origin unless authorized by the RTO). SIT is the holding of a shipment or portion thereof at a facility or warehouse the Participant uses for storage, pending further transportation. A shipment may be held in SIT for a period not to exceed 180 days. The Participant must advise the employee when the storage period will end and determine from the employee whether the shipment or any portion thereof, will be delivered to employee's residence or held in storage. If SIT is required beyond 180 days, the employee will inform the RTO and any SIT extension will be by mutual agreement between the RTO and the Participant. After the initial 180 day period ends, the Participant's liability terminates; the

applicable interstate, intrastate or international character of the shipment or portion thereof ceases; the warehouse is considered the destination of the property; the warehouseman becomes the agent for the shipper; the property then is subject to the rules, regulations, and charges of the warehouseman; and storage charges are the employee's responsibility.

4-11.2. Facilities [old D4-11]

The facilities or warehouses used by the Participant for SIT must be commercial facilities or warehouses used by the Participant or its agent in the normal course of business for receipt and storage of household goods awaiting further transportation and furnishing the services set out in 4-11.3 through 4-11.9, below. Unless approved by the RTO, the use of trailers, vans, public warehouses, and self storage units is prohibited.

4-11.3. Location of SIT

4-11.3.1. General [old D4-11]

The Participant will perform SIT only when specified on the bill of lading. Authorized SIT must be at the participant's nearest available SIT facility at the destination shown in the "consignee" block (or at origin shown in the "consignor block" when the RTO specifically authorized SIT at origin). However, in no case may SIT be more than 50 miles from the origin/destination municipality the bill of lading specifies or the RTO authorizes. Placing a shipment in SIT does not constitute a delivery or completion of service. Delivery of the shipment to the final destination and completion of destination services must be performed as part of the through service after the household goods are removed from SIT.

4-11.3.2. Exception—International Only [old I4.17]

For international shipments, the Participant must place shipments in SIT at the nearest available SIT facility of the Participant's agent at destination shown in the "Consignee Block" unless specified on the GBL or authorized by the RTO.

4-11.4. Lot Identification [old D4-7 & I4.16]

All lots will be properly identified by the owner's name, order number, warehouse lot number and GBL number. Such identification will be in plain view on each lot.

4-11.5. Rugs and Pads—Domestic Only [old D4-7]

Rugs, carpets, and padding will be stored on racks in a horizontal position

without folding any portion of the rug, carpet, and padding.

4-11.6. Overstuffed Furniture—Domestic Only [old D4-7]

Upholstered or overstuffed furniture will be placed in an upright normal position and covered for protection against dust. No boxes, cartons or other pieces of furniture will be placed upon this type of furniture. When placed in individual room storage or when containers are employed for warehouse storage, upholstered or overstuffed furniture will have protection, padding, blocking, and bracing to preclude damage from any pressure against the upholstery, including pressure from its own weight as well as from conditions external to the container.

4-11.7. Palletization of Property [old D4-7 & I4.16]

Personal property will be stored on skids, pallet bases, elevated platforms or similar storage aids maintaining a minimum of at least two inches clearance from the floor to the under most portion of the personal property. In addition, property will not be stored in contact with exterior walls. Trash cans, extension ladders, lawn mowers, television antennas, swing sets, and other like items are excluded from this requirement.

4-11.8. Removal From Shipping Containers—International Only [old I4.17]

The contents of containerized shipments will not be removed from the containers when placed in SIT.

4-11.9. Marking of SIT Containers [old I4.17]

All containerized shipments of household effects shall be marked with the employees' name and the GBL number.

4-11.10. Partial Withdrawal From Storage in Transit (SIT)

4-11.10.1. Identification of Item To Be Withdrawn [old I4.17]

Items for withdrawal from SIT should be indicated by the property owner/agent at the time of packing whenever possible. When the shipment has already been packed, inventory item numbers will be furnished by the employee to the RTO who shall provide the information to the Participant.

4-11.10.2. Ordering Partial Withdrawal [old I4.17]

In accordance with the previous HTOS Paragraph, partial withdrawal shall only be ordered by the RTO who

shall so certify on the DD Form 619-1 or other commercial form.

4-11.10.3. Consist of Withdrawal [old I4.17]

Only complete cartons or item numbers on the inventory may be withdrawn. Individual cartons will not be opened.

4-11.10.4. Weight of Partial Withdrawal [old I4.17]

Participant is responsible for obtaining the weight of the portion withdrawn.

4-11.10.5. Billing for Partial Withdrawal [old I4.17]

Participant shall bill for the partial withdrawal of property as directed by the RTO.

4-12. Tracing

4-12.1. Shipment [old I4.16]

The Participant shall trace a shipment upon request from the RTO or property owner and will promptly report to the requesters the location of the shipments.

4-12.2. Missing Household Effects [old I4.16]

The Participant shall take action to trace missing loose household effects.

4-12.3. Missing Liftvans/Containers [old I4.16]

The Participant shall take action to trace missing liftvan(s)/container(s) when a containerized shipment is placed into SIT and the liftvan(s)/container(s) are found to be missing with an annotation of the GBL or inventory to explain the shortage.

4-13. Non-Temporary Storage [old D4-6 & I4.1]

If requested by the employing Federal agency, the Participant will be responsible to provide or arrange non-temporary storage for those household goods and personal effects authorized by the appropriate Federal agency. Tender rates will apply into the carrier warehouse. Rates for monthly non-temporary storage per 100 pounds and rates for full value protection per each \$100 of value to be negotiated between the carrier and the Federal agency.

Section 4A—Move Management Services (MMS) Statement of Work

4A-1. Performance of Services

The MMS provider must provide the MMS outlined in this section 4A in conjunction with HHG transportation services. The MMS provider must comply with all requirements of this HTOS including the service, delivery

timeframe, billing, reporting, and liability requirements.

4A-2. Memorandum of Understanding (MOU)

The MMS provider and the agency must enter into a written MOU setting out the terms and conditions of the MMS provider responsibilities as identified in this section 4A. In instances when the agency requests bill of lading (BL) preparation and maintenance under HTOS paragraph 4A-6.5, the MOU should contain at a minimum specific instructions on the BL preparation and maintenance, including instructions to complete each portion of the BL. If requested by the MMS provider and/or the agency, the GSA PMO will review the agreement before implementation.

4A-3. Performance as Participant

The MMS provider must file rates within its current approved scope of operations; be subject to the Customer Satisfaction Index (CSI) rating system; and must comply with the requirement to collect and pay GSA its IFF as specified in RFO Section 2-7.6.

4A-4. Commissions

An MMS provider must not charge a commission to a participant to which it tenders a HHG shipment.

4A-5. Required Services

4A-5.1. General

The MMS provider must arrange, coordinate, and monitor each relocating employee's HHG move from initial notification of the move by the agency through completion of all move-related transactions required under HTOS paragraphs 4A5.1 through 4A-5.9. An HHG move within the continental United States (CONUS) is defined as a basic move consisting of one shipment of HHG and, when specifically authorized by the agency, shipment of one or more privately owned vehicles (POV). A HHG move to/from an international location is defined as a basic move consisting of one surface shipment of HHG and, when specifically authorized by the agency, one or more unaccompanied baggage shipments and shipment of one or more POV's. Multiple origins and/or destinations may be involved for both CONUS and international shipments. The MMS provider must provide the services specified in HTOS paragraphs 4A-5.2 through 4A-5.9.

4A-5.2. Participant Selection

An agency may select the participant to transport the relocating employee's HHG or may delegate this responsibility

to the MMS provider in which case the agency will furnish the MMS provider criteria to use in selecting the participant. The selected participant must be currently approved to participate in CHAMP and must have approved rates on file with GSA. The MMS provider must be capable of accessing the GSA Interagency Transportation Management System (ITMS) to obtain cost comparison information for use in making the participant selection when delegated this responsibility by the employing agency.

4A-5.3. Shipment Booking

The MMS provider must perform the following:

- (1) Schedule the move with the selected participant;
- (2) Order a pre-move survey;
- (3) Identify any special services needed and obtain the RTO's written authorization. The RTO is responsible for authorizing storage-in-transit (SIT) or any special service. Special services include, but not limited to: shuttle service, special crating, third party servicing, elevator charges, long carry, and/or stair carry;
- (4) Indicate in writing all services authorized and identify those that will be paid as an entitlement of the relocating employee as well as those which the relocating employee requests, but for which the relocating employee has no entitlement and which may be advanced and charged back to the relocating employee; and
- (5) Inform the relocating employee before service performance of any service that will be advanced and charged back to the employee.

The provider may develop a generic form for the purpose of this item. Any service shown on a generic form that is not applicable to a particular shipment must be "crossed out" or marked "none" or "not applicable" before submitting the form to the RTO for written authorization/approval.

4A-5.4. Ensuring Participant Performance

The MMS provider must ensure that transportation services are in keeping with procedures under this HTOS, notwithstanding the Origin and Destination On-Site Quality Control procedures specified in HTOS paragraph 4A-6.7. The MMS provider also must take any action deemed necessary and appropriate to protect the interests of the agency to ensure proper participant performance, and to protect both the real and personal property of the relocating employee. When the MMS provider fails to direct

performance as required which could causes the agency or relocating employee to incur damages (other than damage to HHG), the MMS provider will be liable to the agency and/or the relocating employee, as appropriate for such damages.

4A-5.5. Arranging Storage in Transit (SIT)

If an agency authorizes SIT, the MMS provider must arrange the storage under provisions of this HTOS. The MMS provider must notify the relocating employee of the authorized SIT duration and location and provide the relocating employee's SIT-provider contact information within five (5) calendar days after delivery into SIT.

4A-5.5.1. Monitoring Shipments in SIT

The MMS provider must monitor shipments in SIT and provide a written request for disposition instructions from the relocating employee or the agency's destination facility representative at least ten (10) working days before expiration of the authorized SIT period. The written request must inform the relocating employee of his/her personal financial responsibility for any charges incurred for storage in excess of the maximum period authorized. The MMS provider is responsible for arranging delivery of shipments from SIT.

4A-5.5.2. SIT in Excess of 180 Days

If storage exceeds 180 days, the MMS provider must determine the condition of the relocating employee's property at the end of the 180-day SIT period to protect the Government's and the relocating employee's right to recover for participant-caused loss or damage. The warehouse automatically will be considered the shipment's destination upon expiration of the 180-day SIT period at which time the MMS provider's responsibility for the shipment ends. The shipment then becomes subject to the warehouse's rules, procedures, and charges, including local drayage out of storage. The relocating employee is responsible for payment of storage charges for any period of storage in excess of 180 days. If any discrepancy exists between other HTOS provisions and the provisions of this HTOS paragraph 4A-5.5.2 for purposes of SIT, the provisions of HTOS paragraph 4A-5.5.2 apply.

4A-5.6. Completion of GSA Form 3080

The MMS provider must furnish the relocating employee a GSA Form 3080, "Household Goods Carrier Evaluation Report" for completion of the section entitled, "Relocating Employee's Response". This form is available for

downloading and printing at <http://hydra.gsa.gov/forms> (other forms-external forms-numeric by form number). The provider must instruct the relocating employee to return the evaluation form upon completion to the agency for completion of the section entitled, "BL/GBL Issuing Officer's Response." The provider also must follow up in an attempt to ensure both the relocating employee and the agency completes their respective portions of the form and return it to the PMO. If the relocating employee has not completed the appropriate section on the form within thirty (30)-days from the date of delivery of the HHG to the new residence, the provider will so advise the agency.

4A-5.7. Service Performance Audit

The MMS provider must conduct an independent service performance audit of transportation billings and complete a certification document certifying by line item whether billed services (including any services specifically requested by the relocating employee) were or were not necessary, properly authorized, and actually performed. The provider may develop a form for this purpose and must, if requested, have it pre-approved by the agency. This audit is unrelated to an agency's audit of the actual billing charges which also is an optional "provider" service under paragraph 4A-6.3. If prepayment audit of transportation bills is performed under procedures in HTOS paragraph 4A-6.6, the provider must furnish the service performance audit certification along with the transportation billing to the prepayment auditor for audit of the actual billing charges.

4A-5.8. Management Information Reports

The Government requires certain management information reports that may or may not be commercially standard. If the MMS provider has a commercial report that would meet an agency's stated specific need, it may propose that the agency use that report instead of the one specified as long as it can satisfactorily demonstrate how the proposed substitution would meet the agency's needs. Reports must contain monthly, quarterly, and year-to-date totals, when appropriate. The MMS provider must provide required reports to the agency within fifteen (15) business days following the month/quarter services were performed.

4A-5.8.1. Agency Reports

If requested by the shipping agency, the MMS Provider must furnish the following reports in the manner

specified by the agency with regard to format, content, and frequency. Data elements may be revised by the ordering activity.

4A-5.8.2. Shipment Summary

A summary of the total number of shipments handled for the specified period further broken down into the following incremental categories:

- (1) Number of shipments by agency activity;
- (2) Number of shipments by participant;
- (3) Number of interstate shipments;
- (4) Number of intrastate shipments; and
- (5) Number of shipments to an international location.

For each category the provider must show total line-haul and accessorial charges.

4A-5.8.3. Claims Summary

A summary of the total number of loss/damage claims handled for the specified period further broken down into the following incremental categories:

- (1) Number of claims by agency activity;
- (2) Number of claims by participant;
- (3) Number of intrastate claims;
- (4) Number of interstate claims;
- (5) Number of international location claims;
- (6) Average number of days between the date of claim filing and date of issue of initial settlement offer;
- (7) Average number of days between the date of receipt of the initial settlement offer and the date of final settlement;
- (8) Average amount claimed and settled interstate;
- (9) Average amount claimed and settled intrastate; and
- (10) Average amount claimed and settled on shipments to an international location.

For each claim not settled within thirty (30) days and/or sixty (60) days as requested by the agency's RTO, an explanation for the delay must be supported by the appropriate Delay Codes identified in the HTOS Section 9.

4A-5.8.4. Counseling Contact Summary Report

(Applies only when an agency has chosen the optional "Employee Pre-Move Counseling" service)

A summary report of counseling contacts showing relocating employee's name, date of initial contact, and current status of the move including date(s) for the pre-move survey, packing, pickup, and actual or proposed delivery into SIT and/or residence.

4A-5.8.5. On-time Services Summary Report

A summary report listing:

- (1) Relocating employee(s) name;
- (2) Scheduled pickup date;
- (3) Actual pickup date;

Special one-time reports furnished to the RTO when the agency requests and the PMO approves.

4A-5.9. Customer Service

The contractor shall provide a 24-hour, toll-free telephone number to assist in tracking/tracing shipments; resolving problems that occur during any phase of the move, including quality control problems; and in filing post-delivery claims for agencies that choose that optional service.

4A-6. Optional Services

4A-6.1. General

If specifically requested by the agency, the MMS provider must provide the following optional services specified in HTOS paragraphs 4A-6.1 through 4A-6.9.

4A-6.2. Employee Pre-Move Counseling

Employee pre-move counseling (as distinguished from a participant provided pre-move survey) must include information on the participant's commercial moving practices affecting all aspects of the HHG move. It also may include Government-specific information on HHG entitlements and allowances prescribed in the Federal Travel Regulation (41 CFR chapters 300-304) as well as information on any agency internal implementing regulations, including weight allowance information. Additionally, the provider must counsel the relocating employee about services the relocating employee is authorized at Government expense as well as any requested services that are not the Government's financial responsibility and which the employing agency will charge back to the relocating employee. Some of these services are:

- (1) Extra pickup/delivery;
- (2) Temporary SIT authorized by the agency;

The counseling also includes explaining the Government's role concerning Commuted Rate Schedule moves as prescribed in the Federal Travel Regulations (FTR) and limitations on the Government's financial obligation for reimbursement on such moves. Following is an availability listing of publications that contain information important in the relocating employee's pre-move counseling process:

- (1) FTR: Available on the Internet at: <http://policyworks.gov/org/main/mt/homepage/mtt/FTR/FTRHP.shtml>
- (2) CHAMP: Available on the Internet at: <http://r6.gsa.gov/fsstt/>
- (3) Agency specific regulations/procedures: (Contact appropriate agency for availability)

4A-6.3. Prepayment Audit

(1) *MMS Provider Responsibilities.* The MMS provider will conduct, or arrange to have conducted, a prepayment audit of each transportation billing and supplemental billing for service performed under this HTOS.

(2) *Certification.* Any auditor (other than a GSA Prepayment Audit Schedule contractor) desiring to perform a prepayment audit service must be certified by the GSA Audit Division (FBA) to do so. Certification may be obtained by contacting: General Services Administration, Federal Supply Service, Audit Division (FBA), 1800 F Street, NW., Washington, DC 20405, <http://pub.fss.gsa.gov/transtrav>.

(3) *Procedures.* The Prepayment Audit procedures under this HTOS paragraph 4A-6.3 are subject to provisions of the Federal Management Regulations (FMR) part 102-118 (41 CFR parts 102-118). Procedures stated in this HTOS paragraph 4A-6.3 reflect requirements and may be used in addition to any other required procedures published in the FMR, in developing the MMS provider/agency MOU. The prepayment auditor must adjust billed charges as appropriate based on the service

performance audit as specified in HTOS paragraph 4A-5.7 and the prepayment audit before submitting the billing invoice, along with the service performance audit certification, to the agency for payment.

(4) *Adjustments.* Upon instructions from the agency, the MMS provider must advise the participant and/or the agency via a statement of differences submitted either electronically or in writing within seven (7) days of receipt of the bill of any adjustment the auditor makes. Review of an appeal must be completed within thirty (30) days. If the participant disputes the findings and the agency or MMS provider as appropriate, cannot resolve the dispute with the participant, all relevant documents including a complete billing history and the appropriation or fund charged should be forwarded to GSA for the rendering of a decision. Carrier claims must be

submitted within three (3) years beginning the day after the latest of the following dates (except in time of war):

- (a) Accrual of the cause of action;
- (b) Payment of charges for the transportation involved;

4A-6.4. Performance Standards for Service Performance Audit and Prepayment Audit-6.5

The Government must comply with provisions of the Prompt Payment Act (31 U.S.C. 3901(a)(5)). The MMS provider therefore must ensure that within seven (7) days of receiving the participant's bill, it has completed the service performance as described in HTOS paragraph 4A-5.7 and prepayment audits as described in HTOS paragraph 4A-6.3 and has the consolidated transportation/MMS billing, accompanied by the service performance audit certification, in the hands of the agency for payment. The MOU between the agency and the MMS provider must stipulate whether the agency or the MMS provider will be responsible for remitting payment to the participant. If the MMS provider is to remit payment to the participant, the agency must issue and forward the remittance by check or electronic transfer to the MMS provider in time for the agency to be deemed "in compliance" with provisions of the Prompt Payment Act. The MMS provider will not be liable for any late payment interest charge the agency may accrue on a transportation payment that is not in compliance with the Prompt Payment Act requirements.

4A-6.5. Preparation of Shipment Documentation

If an agency exercises its option to have the contractor prepare a GBL or BL, the contractor must comply with the terms and conditions set forth in FMR part 102-117 (41 CFR Part 102-117). On international shipments the MMS provider must complete, and distribute copies of, each GBL following instructions published in the GSA Federal Supply Service Guide, "How to Prepare and Process U.S. Government Bills of Lading" (National Stock Number 7610-00-682-6740, 41 CFR 101-41.305-1 and 2). The provider must furnish a legible memorandum copy of all GBL's or a legible copy of all BL's prepared and distributed to the RTO before the shipment pickup date.

- (3) Establish sufficient safeguards to prevent unauthorized access to the database information;
- (4) Make the electronic access available through an asynchronous modem with a baud rate of at least 2400; and
- (5) Furnish clear documentation setting out procedures for access to and use of the database.

4A-6.6.1. Data Elements

The database must contain, but is not limited to, the following elements: (1) task order information; and (2) shipment information sufficient to generate the reports specified in HTOS paragraph 4A-5. The shipment database must be maintained in a separate directory with separate shipment records for each relocating employee move. Shipment files must not be commingled with data maintained for shipments not subject to this HTOS. Each shipment record must contain all information required for that particular shipment, including any claims filed by the participant, status of the claim, etc. using a continuous computer terminal screen, if necessary. Performance data documenting how the move was handled must be collected independently and maintained in this file. The provider must provide the facility for the RTO's and the GSA PMO to extract and consolidate data such as participant performance if specific reports are required.

4A-6.6.2. Database Maintenance

The MMS provider must update the database on a twenty (24)-hour basis, at a minimum, and provide for on-line electronic access to database elements for a period of one year from date of pickup. After one year, only a hard copy of the records is required to be maintained as specified under the Examination of Records Clause in GSA Form 3504.

4A-6.7. On-site Quality Control Service

If an agency requests, the MMS provider must arrange for quality control personnel to provide on-site inspection service at the origin/

destination residence at pickup/delivery. Inspection services include, but are not limited to:

- (1) Verification of correct inventory coding;
- (2) Use of proper packing materials;
- (3) Appropriate article servicing;
- (4) Equipment and personnel suitability; and
- (5) Satisfactory performance of unpacking.

The actual cost of any on-site quality control service requested is negotiable between the MMS provider and the agency. The agreed upon price must be stated in a written document and retained by both parties. The document will be construed as a one-time only amendment to the provider's rate filing. A copy of the written document must be included with the MMS provider's voucher. The provider may engage a third party to perform these services provided they are representatives or employees of a HHG carrier, forwarder, or an agent thereof.

4A-6.8. Quality Assurance Plan

If requested by the agency, the MMS provider must provide the agency a quality assurance plan to assist in ensuring quality service and must designate quality assurance personnel to execute the plan.

4A-6.9. Claims Preparation, Filing, and Settlement Assistance

If the relocating employee or agency requests, the MMS provider must provide timely loss/damage claim preparation/filing assistance, including follow-up assistance for any subsequently discovered loss or damage. The provider must review and negotiate any settlement offer that is inconsistent with the participant's liability or HTOS provisions, and in the case of an impasse must refer the complete file to the agency. The MMS provider also must counsel the employee about potential consequences of signing any full and unconditional release on any offer of settlement before all claims resulting from a particular move have been resolved.

Authorized representatives of the RTO shall have the right to inspect the packing, loading, weighing, pickup, delivery, unpacking, warehousing, and any other services performed or being performed by the Participant. Authorized representatives of the RTO shall include personnel of the GSA designated to perform quality assurance, or in the absence of such GSA personnel, the owner of the property or personnel of the Federal agency employing the owner. Authorized representatives may inspect the performance of services at the residence of the owner of the goods or at the warehouse or other facility of the Participant or its agents during regular office hours or at any time that work is in process.

6-1.2.2. Corrective Action [old D6-1]

When authorized representatives of the RTO find that packing, loading, unpacking, or any other work being performed or already completed does not comply with the terms, conditions or specifications set out in this HTOS, the authorized representative shall so advise the Participant. The Participant must promptly correct the deficiency by taking whatever action is necessary at no additional cost to the Government or the owner.

6-1.2.3. Facilities [old D6-1]

The Participant must furnish Government representatives with free access and reasonable facilities and assistance required to accomplish their inspection.

6-1.2.4. Reports [old D6-1]

6-1.2.4.1. General

Reports of inspection shall be furnished to the PMO. Except as provided in Subparagraph 6-1.2.4.2.3.2. below, reports of inspection shall be construed as final and conclusive of the performance of services.

6-1.2.4.2. GSA Form 3080, Household Goods Carrier Evaluation Report

6-1.2.4.2.1. Completion

While any written statement from an authorized representative as specified in HTOS Paragraph 6-1.2.1, above, is an acceptable report of inspection, GSA Form 3080, Household Goods Participant Evaluation, is normally used as a report of inspection and will be provided to the owner of each shipment and to the RTO to assist the GSA in the

overall evaluation of customer satisfaction on personal property shipments. Upon completion of services by the Participant at destination, the owner will complete the appropriate section of GSA Form 3080 and transmit it to the RTO for completion of the appropriate section. After completion by both the property owner and the RTO, GSA Form 3080 is returned to the PMO. The PMO will review each completed form to ensure that all shipments routed under the GSA HTOS received high quality service. After the PMO has reviewed the form, the information contained on the form will be entered into the Service Performance Index and Evaluation System (SPIES) data base.

6-1.2.4.2.2. Appeal Procedures

In the event that the rated Participant disagrees with the evaluation contained on the GSA Form 3080, Household Goods Carrier Evaluation, the Participant has the right to appeal such evaluation as specified below. Except as provided below, an appeal received by the PMO directly from a rated Participant will be rejected.

6-1.2.4.2.2.1. Shipment Not Tendered

In the event the rated Participant carrier determines that a shipment was not tendered to its company, the Participant must advise the PMO in writing requesting review and correction.

6-1.2.4.2.2.2. Disagree With the Rating by the Property Owner

In the event the rated Participant disagrees with the property owner's evaluation and the property owner's evaluation had not been changed by the RTO prior to submission to the PMO, the rated Participant must first notify the property owner in writing setting out the basis of the disagreement and requesting the opportunity to resolve it. In the event the rated Participant disagrees with the property owner's evaluation and the property owner's evaluation had been changed by the RTO prior to submission to the PMO, the procedures set out in Paragraph "Disagree with rating by RTO" apply.

6-1.2.4.2.2.2.1. Disagreement is Resolved

If the property owner and the rated carrier resolve the disagreement and that resolution changes the property owner's rating, the property owner and the rated Participant must jointly advise the RTO by a single memo signed by both. The RTO will then in writing notify the PMO and request that the rating be changed.

6-1.2.4.2.2.2.2. Disagreement is not Resolved

If the property owner and the rated Participant cannot resolve the disagreement, the rated Participant must notify the RTO in writing requesting review and resolution. The request will set out the basis of the disagreement, actions taken to resolve the disagreement, and include a copy of the letter to the property owner and any records that may have been made of conversations, meetings, or correspondence with the property owner. The RTO will then investigate the disagreement, determine whether any changes should be made in the rating, and if so, advise the PMO in writing. The RTO's determination is final and not reviewable by the PMO.

6-1.2.4.2.2.3. Disagree with Rating by the RTO

In the event the rated Participant disagrees with the RTO's evaluation, the rated Participant must first notify the RTO in writing setting out the basis of the disagreement and requesting the opportunity to resolve it.

6-1.2.4.2.2.3.1. Disagreement is Resolved

If the RTO and the rated Participant resolve the disagreement and that resolution changes the RTO's rating, the RTO and the rated carrier must jointly advise the PMO in single memo signed by both.

6-1.2.4.2.2.3.2. Disagreement is Not Resolved

If the RTO and the rated Participant cannot resolve the disagreement, the rated Participant and the RTO must jointly request in a single memo signed by both to the PMO that they request resolution of the disagreement by the PMO and agree to accept the findings of the PMO without further appeal. The request will set out the basis of the disagreement, actions taken to resolve the disagreement, and include a copy of the letter to the RTO and any records that may have been made of conversations, meetings, or correspondence by either party. The PMO will then investigate the disagreement, determine whether any changes should be made to the rating, and if so, advise the rated Participant and the RTO in writing, and correct the rating. If the rated Participant and the RTO cannot agree to jointly request review and resolution by the PMO, the original rating will remain in effect.

6-1.2.4.2.2.4. Oral Appeals

Oral appeals will be construed as without merit and rejected.

6-1.3. Inspection of Sorting for Partial Withdrawal From Sit [old I6.1]

If the original GBL is located and made available to the Participant before settlement is made, the Participant shall return the memorandum copy to the issuing office. If the original GBL is

7-1.12. Adjustment Based on Rate Differentials Involved in the Use of Foreign Flag Shipping—International Only [old I7.1]

Adjustments in rates will be permitted when rate differentials are involved due to the use of Foreign Flag Shipping. A Justification Certificate (HTOS Section 15) is required for the use of a Foreign Flag vessel. When increases or decreases occur in rates due to the use of Foreign Flag Shipping, billing and documentation submitted in connection with the ITGBL shipment, will have differences between the Foreign Flag vessel rate and the rate used in computing the accepted transportation single factor rate (SFR), adjusted in favor of the Participant or the Government on the basis of the ocean freight bill which must be submitted to support each Government Bill of Lading. An example of the adjustment required in the event of an ocean rate increase would be.

ITGBL Shipment Adjustment Example.

PROBLEM. 3,000 lb., 450 × \$32.00 per cwt. Cubic Ft., ITGBL Rate \$32.00 per cwt.

STEP 1. 3,000 lb. = \$960.00.

STEP 2. Ocean rate used in constructing the effective ITGBL rate. 81 cents per cubic foot.

STEP 3. Paid to Foreign Flag ocean Participant as shown on freight bill. 90 cents per cubic foot.

STEP 4. Supplemental charge for ocean freight as stated on the ocean freight bill and computed in accordance with the measurement rule stated in tariff governing the rate. 450 cubic feet at 9 cents per cubic foot = \$40.50.

7-2. *Payment in the Event of Shipment Termination* [old I7.2]

7-2.1. Domestic Only

In the event a Participant's right to provide services is terminated by the RTO as provided in HTOS Paragraph 8-1.1.17.1, the Participant will be paid up

to the point of termination for services actually performed. Payment to the terminated Participant will be based on the actual services performed, less the difference between the terminated Participant's billing and the billing of the replacement Participant.

7-2.2. International Only

In the event a Participant's right to provide services is terminated by the RTO as provided in HTOS Paragraph 8-1.1.17.2, the Participant will be paid up to the point of termination on a prorated basis for the services actually performed. The basis of proration shall be negotiated between the RTO and the Participant. Upon determination, the RTO's decision shall be final and conclusive.

7-3. *Valuation Charges* [old D7-2]

Although the liability in excess of that declared by the shipping Federal agency is an expense of the owner, the charges will be billed by the Participant to the finance office of the Federal civilian executive agency sponsoring the shipment and identified as a separate item of billing.

7-4. *Charges Storage-In-Transit*

7-4.1. General.—International Only [old I7.4]

Except as specifically provided for herein, each portion of the shipment will be rated at the applicable rate in effect on the date of initial pickup of the shipment, based on the total weight of the entire shipment.

7-4.2. Warehouse Handling Charges [old D7-4]

Warehouse handling charges for shipments placed in SIT will be in accordance with the applicable tariff and/or tender for the destination municipality shown on the GBL, unless otherwise specifically authorized by the RTO. In the event the use of trailers, vans, public warehouses, and self storage units is approved, one-half the applicable warehouse handling rate will be paid.

7-4.3. Storage Charges [old 7.4.3]

Storage charges for shipments placed in SIT will be in accordance with the applicable tariff and/or tender for the destination municipality shown on the GBL, unless otherwise specifically authorized by the RTO. In the event the use of trailers, vans, public warehouses, and self storage units is approved, one-half the applicable storage rate will be paid.

7-4.3.1. Storage Charges at Destination—International Only [old I7.6]

When storage-in-transit is at destination, charges, including charges for additional services, advances, and other properly authorized charges will be billed after storage-in-transit is completed. This provision is applicable to temporary storage only.

7-4.4. Pickup or Delivery Charges.—Domestic Only [old D7-4]

Pickup or delivery charges for shipments placed in SIT will be in accordance with the applicable tariff and/or tender for the destination point shown on the GBL, unless otherwise specifically authorized by the RTO.

7-4.4.1. Pickup or Delivery Charges.—International Only [old I7.6]

7-4.4.2. Use Of A Facility For The Participant's Convenience [old I7.6]

Should the Participant use a more distant facility in excess of its nearest facility for its own convenience, SIT and related charges will be based on the Participant's agent's nearest available DoD/DOS approved facility. Nearest available Participant's agent DoD/DOS approved storage facility is defined as that Participant's agent's facility which has DoD/DOS approval, has space for the shipment, and is accepting Federal civilian non-DoD traffic from the Participant.

7-4.4.3. Agent Refusal Of SIT Shipment.—International Only [old I7.6]

If the agent refuses to accept a shipment, e.g., because of the Participant's refusal to provide a waiver and/or due to the Participant's poor payment history, the agent's facility will be considered "available" for purpose of determining charges irrespective of what destination warehouse the Participant uses.

7-4.4.4. Delivery/Pickup at a Mini-Storage Warehouse [old I7.6]

Except as otherwise provided herein, if shipment is delivered to or picked up at a mini storage warehouse, the rates for transportation include only the unloading or loading at door, platform, or other point convenient or accessible to the vehicle.

7-4.4.5. Reduction In Charges [old I7.6]

In the event the storage occurs at a point other than the Participant's agent's nearest available facility, regardless of the cause and without the approval of the RTO, and in the event that the transit time for delivery from the actual point of storage to the final destination exceeds the transit time between the Participant's agent's nearest available facility and the final destination, the total charges shall be subject to a reduction equal to the Government paid cost of temporary quarters for the excess transit time.

7-4.5. Charges Applicable to Portion [old I7.6]

The transportation charges to apply on a portion of a storage-in-transit shipment delivered from warehouse location to destination will be the applicable transportation rate based on the weight of such portion, subject to the provisions of HTOS Paragraph 7-4.7.

7-4.6. Overflow [old I7.6]

On property consigned to storage-in-transit wherein an overflow of property requires that a split shipment be delivered to the warehouse on different dates, the charges for such property will be as follows: (1) Transportation charges from initial point of pick up to warehouse location will be based on the combined weight of the property stored in transit, and computation of transportation charges will be as provided in HTOS Paragraph 7-4.8; (2) storage charges in effect on date of initial pick up will apply and be assessed separately on each portion of shipment stored in transit, except the 1,000 pound minimum weight will apply to the combined weight of property stored in transit. Storage will be rated separately on each portion added; (3) warehouse handling charges will apply only once, based on the combined weight of the property stored in transit; (4) all subsequent charges will be based on the combined weight of the property stored in transit.

7-4.7. Withdrawal of Property [old I7.6]

During storage-in-transit, the property owner may withdraw a portion of the property. When the selection of items requires unstacking and/or restacking of the shipment or a portion of the shipment, charges for such handling will be assessed in accordance with labor charges. Charges for transportation furnished, if any, for portion selected for delivery will be assessed on the same basis as would apply to that portion as an individual shipment. The following

will be applicable to the portion remaining in storage: (1) Storage charges will continue to apply on the weight of remainder of the property and (2) Charges for transportation furnished, if any, for the delivery of the remainder of the property will be assessed on the same basis as would apply to that portion as an individual shipment. Billing of charges incident to partial withdrawal of property will be in accordance with the instructions of the RTO.

7-4.8. Placement in SIT on Different Dates [old I7.6]

When property is placed in SIT in segments on different dates, the transportation rates and additional service charges in effect on the date of the pickup of the initial shipment will apply to each property segment placed in SIT.

7-4.9. Removal From SIT and Extra Pickup [old I7.6]

When property is removed from storage-in-transit and extra pickups are ordered, the transportation rates and additional service charges in effect on the date of the pickup of the initial shipment will apply based on the weight of the property removed from SIT or constituting the extra pickup.

7-5. Charges For Lost Or Destroyed Shipment

7-5.1. Total Loss [old D7-5]

The Participant shall not collect, or require, a payment of any charges when the shipment is totally lost or destroyed in transit. Notwithstanding any other provisions of this HTOS Paragraph, the Participant shall collect, and the shipper shall be required to pay, any specific valuation charge that may be due. This HTOS Paragraph shall not be applicable to the extent that any such loss or destruction is due to the act or omission of the shipper.

7-5.2. Partial Loss [old D7-5]

In the event that any portion, but less than all, of a shipment of household goods is lost or destroyed in transit, the Participant shall refund that proportion of its charges (including any charges for accessorial or terminal services) corresponding to that portion of the shipment which is lost or destroyed in transit. In order to calculate the charges applicable to the shipment as delivered, the Participant shall multiply the percentage corresponding to the portion of the shipment delivered by the total charges applicable to the shipment as tendered by the shipper. If the charges so computed exceed the charges otherwise applicable to the shipment as delivered, the lesser of those charges shall apply. Notwithstanding any other provisions of this HTOS Paragraph, the Participant shall collect, and the shipper shall be required to pay any specific valuation charge that may be due. The provisions of this HTOS Paragraph shall not be applicable to the extent that any such loss or destruction is due to the act or omission of the shipper or Acts of God. Participants shall determine, at their own expense, the proportion of the shipment not lost or destroyed in transit.

7-5.3. Partial Loss Involving More Than One Vehicle—International Only [old I7.7]

7-11. Charges for Crating Services

Crating services will be quoted, billed and paid as provided in the GRT. 9–3.2.2.7. Claim Settlement Delay Code Specifications [old D9–7]

Codes beginning with a “C” apply specifically to reasons for a late settlement because of a Participant's act or omission; codes beginning with a “P” apply specifically to reasons for a late settlement because of a property owner's act or omission. Codes “C99,” “P99,” and “Z99” are used to indicate a group of reasons for a late settlement; see below for additional information. Except as otherwise specified, the Delay Codes must begin in position 81.

9–3.2.2.7.1. Delay Code C99

Indicates that because of a combination of Participant failures, as indicated by the following Participant codes, settlement was delayed past 60 days. If this code is used, it must begin in position 81 with the specific codes following it, e.g., C99C12C13. Do not use for an ‘other’ or ‘unknown’ indication. Do not use by itself or with only one other code (Example: C99 or C99C12).

9–3.2.2.7.2. Delay Code C11

Participant Failure: Indicates that the Participant through administrative error failed to make a settlement offer within 60 days.

9–3.2.2.7.3. Delay Code C12

Adjuster Failure: Indicates that the adjuster hired by the Participant failed to complete review and settlement action within 60 days or to provide the Participant with its report so that the Participant could complete settlement within 60 days. If the adjuster's failure

was based on inability to meet with the property owner, use Delay Code P12.

9-3.2.2.7.4. Delay Code C13

Repair Estimates: Indicates that the Participant failed to obtain estimates of repair in sufficient time to make a settlement offer within 60 days (see DTOS Paragraph 10-2 for the requirement that the Participant obtain repair estimates). If the failure to obtain timely repair estimates was based on the inability of the repair firm to meet with the property owner, use Delay Code P13.

9-3.3. Claim Settlement and Shipment Report Submission Requirements

9-3.3.1. Electronic Submission. [old D9-8]

Reports must be submitted electronically by Internet FTP. Hard copy (paper) reports will not be accepted. Submissions received from Participants or filing services not conforming to the report submission specifications will be rejected.

9-3.3.2. File Naming Convention

Implementation of the Interagency Transportation Management System (ITMS) has created the need for the development of a File Naming Convention. This File Naming Convention applies to quarterly shipment and claim reports submitted to the PMO. The File Naming Convention identified below must be adhered to. Failure to do so will result in an incomplete status of shipment and/or claim report submission. File names must be eight (8) characters, and the file extension will reflect the record type (Shipment/Claim).

Field	Required positions	Record position(s)	Contents
Carrier Code.	4	1-4	Four (4) digit Standard Carrier Alpha Code
Year	1	5	Last digit of calendar year (1999 would be 9).
Quarter	1	6	Calendar quarter, e.g., 1=Jan-Mar, 2=Apr-Jun, 3=Jul-Sep, 4=Oct-Dec.
File Type	1	7	Designates the type of transportation the file contains. General Domestic = A, General International = B, Direct Move Management Domestic = C, Direct Move Management International = D, Broker Move Management Domestic = E, Broker Move Management International = F.
Report Type	1	8	Report Submission Number (i.e. first submission of original quarterly report =1; corrected error report submission=2).
File Extension	3	9-11	Shipments: Original submission must be .SHP; the correction report submitted requires an .ERS extension. Claims: Original submission must be .CLM; the correction report submitted requires an .ERC extension.

If you have several files to transmit at one time, each file name must be unique (i.e., GSAA93B1.SHP, GSAA93A1.CLM, GSAA93A2.ERS, etc.).

9-4. Electronic Report Submission Instructions

9-4.1. General

Claim and shipment reports must be submitted via the Internet using the File Transfer Protocol (I-FTP) and must meet the transmission requirements defined below. Hard copy (paper) reports are not acceptable. If your firm has never submitted reports electronically to the General Service Administration (GSA) and intends to directly transmit the required reports via I-FTP instead of using a filing service, your firm will need to contact the Program Management Office (PMO) in writing on company letterhead to receive a user ID and password. A FACSIMILE request is acceptable.

9-4.2. Format

Format requirements as set out in HTOS Paragraph 9-3.2 of this Section must be adhered to and must be via the Internet using the File Transfer Protocol (I-FTP). Submissions received from Participants or services not conforming to the record requirements will be unacceptable and not incorporated in the database.

9-4.3. File Preparation

In order to transfer the file(s) via the I-FTP the file must be transmitted as unformatted ASCII (TEXT ONLY) flat file, (i.e., no tab characters, etc.). The file *must not* have a top, bottom, or left margin, pagefeeds, or embedded blank records (Note: The type of software you will be using will determine what must be done to prepare the file for transmission). GSA suggests using "File Save As Text Document" to prevent saving any formatting along with the text. Be sure to change the .TXT file extension to the required one after saving the text file.

9-4.4. Accessing the I-FTP

GSA is unable to provide specific instructions on how to access the I-FTP, how to upload a file onto the I-FTP, or how to move around in the I-FTP due to the fact that accessing and operating within the I-FTP are dependent upon the type of Internet software used. Consequently, a firm will need to contact its I-FTP provider for assistance. The information listed below provides the (1) address to GSA's I-FTP directory and (2) two different methods (there are others) of accessing a firm's individual directory in which the firm's shipment and/or claim reports will need to be uploaded.

9-4.4.1. User ID and Password

(See HTOS Paragraph 9-4.1.)

9-4.4.2. I-FTP Address

Kcftp.gsa.gov

9-4.4.3. Directory Access

Methods of accessing individual directories (i.e., item in **bold** are words/phrases THAT YOU MUST TYPE IN EXACTLY)

FTP>CD CARRIERS/USER ID

or

FTP>D:\PUB\CARRIERS\USER ID

9-4.4.4. Verification of File Transfer

Once you have transmitted a file onto the I-FTP within your firm's assigned directory, you can follow the steps identified below to verify that your firm's file was successfully transmitted onto the I-FTP.

1. Exit I-FTP;

2. Re-connect to I-FTP;

3. Enter your firm's assigned User ID and Password when requested;

4. Change to your firm's directory—

FTP>CD CARRIERS/USER ID

or

FTP>PUB:\PUB\CARRIERS\USER ID;
and

5. Type **DIR**.

At this point you should be able to see your firm's file identified in your assigned directory. If the file doesn't appear, you will need to "Upload" the file to the I-FTP again. The steps identified above will assist you only in verifying that your firm's claim and/or shipment report(s) file was transferred successfully onto the I-FTP. Following these steps WILL NOT verify that the contents of your firm's reports have been formatted correctly—only that GSA has received a file.

9-4.5. Reorganizations and Bankruptcies Reports

9-4.5.1. Reorganization Report [Old D9-9]

The Participant shall furnish a copy of the court approved reorganization plan to the PMO within the timeframe specified in Section 5 of the DTOS or ITOS.

9-4.5.2. Bankruptcy Report [Old D9-9]

The Participant shall furnish a copy of the bankruptcy judgment to the PMO within the timeframe specified in Section 5 of this HTOS. The Participant shall also provide a listing of all shipments handled pursuant to this HTOS in its possession, in transit, or in SIT, and shall notify agencies of the bankruptcy. The shipment listing shall identify the name of the Federal agency and the property owner, the location of the shipment, and the telephone number of the SIT facility, if the shipment is in SIT. In the event the shipment is in transit, the Participant shall also advise the Federal agency of the Participant's plans for disposition of the shipment. The Participant shall also notify those Federal agencies that have booked shipments but which have not yet been picked up.

9-5. Reports by the PMO

9-5.1. Performance Reports

9-5.1.1. Performance Reports (Quarterly) [Old D9-6]

The PMO shall furnish Participants a performance report. The report will be

furnished to the Participant on a calendar quarter basis, and shall either contain information derived from GSA Forms 3080 received during the previous quarter pertaining to shipments handled by the Participant or consist of copies of the GSA Forms 3080 received during the previous quarter.

9–5.1.2. Performance Reports (Annual) [Old D9–6]

The PMO shall publish an annual report based upon information from GSA Forms 3080 received during the previous calendar year and such other information as the PMO deems appropriate.

10–1.2.1.1. Domestic Shipments [Old D10–1]

The released value of shipments handled under Full Value Service will be a value no less than ___ times the net weight of each domestic shipment in pounds. However, the released value may be increased by the Government on behalf of the relocating employee for a specific shipment, which must be so annotated on the bill of lading. For the applicable released value dollar amount, refer to the RFO.

10–1.2.1.2. International Shipments [Old I10.2]

For the applicable released value dollar amount, refer to the RFO.

10–1.2.2. Increase in Basic Released Value [old D10–1]

Should the owner elect to specify a released value different from that specified on the GBL after the GBL has been issued, but prior to the date of pickup, the Participant should have the owner contact the RTO and request an amendment to the original GBL indicating the desired valuation.

10–1.3. Extent of Liability.

10–1.3.1. Exception to Liability [old D10–1 and I10.3]

Provided that the burden of proof shall be on the Participant to show that the loss or damage was so caused by the one or more of the following excepted conditions which relieve it of liability, the Participant is not responsible for loss or damage caused by (a) acts of God, public authority or negligence of the owner, and/or owner's agent; (b) hostile or warlike action in the time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack, including (1) by any government or sovereign power (de jure or de facto), or by an authority maintaining forces, and (2) by an agent of any such government, power, authority or forces; (c) any weapon of war employing atomic fission or radioactive force whether in time of peace or war, including contamination attributable to effects of radioactive or fissionable materials; (d) insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating, or defending against such occurrence, seizure or destruction under quarantine or customs regulations, confiscation by order of any government or public authority, or risks of contraband or illegal transportation or trade; (e) strikes, lockouts, labor disturbances, riots, civil commotion, acts of person or persons taking part in such occurrence or disorder; (f) Inherent vice of the article or infestations by mollusks, arachnids, crustaceans, parasites or other types of pests, fumigation or decontamination when not the fault of the Participant. 10–1.3.2. Liability for General Average/Salvages—International Only [old I10.3]

On ocean shipments, in addition to the Participant's liability as otherwise provided in this HTOS, the Participant assumes full liability for and will pay all

contributions in general average or salvage assessed against personal property and will provide bonds or make arrangements for the prompt release of the shipments from any maritime lien arising therefrom.

10–1.3.3. Liability for Non-Vehicular Personal Property

10–1.3.3.1. General

Except when loss and/or damage arises out of causes beyond the control and without the fault or negligence of the Participant, the Participant shall be liable to the United States Government or the owner for the loss of and/or damage to any article in an amount not to exceed the released value of the article. The Participant shall be so liable for any article over which the Participant has control or custody. Custody on the part of the Participant shall be considered to begin at the time performance of service commences and shall continue until services are completed; including, but not limited to, while being packed, picked up, loaded, transported, delivered, unloaded, or unpacked; stored in transit; or serviced (appliances, etc.) by a third person hired by the Participant to perform the servicing.

10–1.3.3.1.1. Non-Vehicular Property Delivered to a Foreign Post—International Shipments [old I10.3]

Subject to the general provisions stated above and in the event non-vehicular personal property is lost or damaged, the measure of damages for a shipment to be delivered to a foreign post shall be repair or replacement not to exceed the replacement value of the item at the foreign post; provided, however, the foreign post value is within 10 percent ($\pm 10\%$) of the CONUS replacement value at the point of origin at the time of arrival at the port of debarkation. In the event the foreign post value is not within 10 percent ($\pm 10\%$), the measure of damages will be the CONUS replacement value of the item at the point of origin at the time of arrival at the port of debarkation plus the cost of transportation and delivery of the property, including customs clearance, to the employee at the post. Replacement value must be based on replacement of the property with property of comparable kind and quality.

10–1.3.3.1.2. Non-Vehicular Property Delivered Within the Continental United States [old I10.3]

Subject to the general provisions stated above and in the event personal non-vehicular property is lost or damaged, the measure of damages for a

10-1.3.5. Liability for Real Property Damage [old I10.2]

The Participant will be liable for any damage sustained to the premises and/or property of the employee/owner caused by the Participants' agents/employees.

10-1.3.6. Liability for High Risk Items [old I10.3]

Participant's legal liability for loss or damage to high risk items will be the same as for any other property lost or damaged. Unless covered by a high risk program established in accordance with HTOS Paragraph 10.1.6. below, a Participant's liability for high risk items shall in no way be limited to a value less than that established under the terms of the level of service stated on the Government bill of Lading.

10-1.3.7. Liability for Concealed Loss/Damage

10-1.3.7.1. General [old D10-1]

The Participant shall be liable for concealed loss and/or damage discovered by the owner within 75 days after delivery if the owner notifies the Participant, in writing, of the loss and/or damage within 75 days from the date of delivery. The notification requirement cited in HTOS Paragraph 5.11 does not mean that a claim cannot be filed after seventy-five (75) days by the property owner and may not be used as the sole basis for denying a claim.

10-1.3.7.2. Burden of Proof When Notice Is Given [old I10.2]

If a claim for concealed damage is filed within the period specified in HTOS Paragraph 5.11, the burden of proving that it did not cause the loss/damage is on the Participant. If a claim for concealed loss/damage is filed after the period specified in HTOS Paragraph 5.11 and the Participant received notice of all or some of the loss/damage within the period specified in HTOS Paragraph 5.11, the burden of proof is on the Participant for that loss/damage for which it received notice and on the property owner for that loss/damage for which he/she did not give notice.

10-1.3.7.3. Burden of Proof When Notice Is Not Given [old I10.2]

If a claim for concealed loss/damage is filed after the period specified in HTOS Paragraph 5.11 and the Participant did not receive notice of any of the loss/damage within the period specified in HTOS Paragraph 5.11, the burden of proving that the Participant caused the loss/damage is on the property owner.

10-1.3.7.4. Government Custody [old I10.3]

Except as provided above with respect to concealed loss and damage, the Participant shall not be liable for loss or damage when the Participant can reasonably establish that such loss or damage occurred while the shipment

was in the effective custody and control of the Government.

10-1.3.8. Liability for Delay [old I10.2]

Participant shall be liable for the inconvenience and extra expense caused to the owner and to the Government, if the owner is required to retain temporary quarters due to the Participant's failure to pickup or deliver the household goods shipment in accordance with the instructions provided by the RTO, the owner of the property, or his designated representative. Equipment failure, actions by underlying Participants and/or agents and illness of or error by persons in its employ or in the employ of its agents, among others, are considered within the control of the Participant and may not be used as a basis for denying a claim for damages due to delay.

10-1.3.9. Liability for Terminated Shipments [old I10.2]

In the event the progress of a shipment is terminated by the Government and is assigned to another Participant for completion of service, both the terminated and the assigned Participants shall be jointly liable for any loss and/or damage to the shipment and for any delay by the responsible Participant. The Government reserves the right to file any claim for property loss/damage or for shipment delay with either the terminated Participant or the assigned Participant, and the Participant against which the claim was filed shall be responsible for settling the claim in full without waiting for any acknowledgment of liability or reimbursement from the other Participant.

10-1.3.10. Liability for Prohibited Items [old I10.3]

When a Participant undertakes the shipment of items prohibited by law or regulatory body which are injurious or contaminating to the shipment, the Participant shall be liable for loss or damage resulting from its failure to decline such items.

10-1.3.11.2. Exception [old I10.2]

In the event article/items are located subsequent to claims action by the

employee and/or the Government, the Participant shall hold the articles/items at the point of location, notify the RTO, and await disposition instructions. When articles/items are returned to the employee, any claims which have been paid in favor of the employee, shall be readjusted in the Participant's favor.

10-1.4. Employee Failure To Verify Inventory [old I10.2]

The Participant may not deny liability for property loss and/or damage solely on the basis that the Government, the employee, or the employee's authorized representative failed to verify the origin or destination inventories as prepared in accordance with HTOS Paragraph 4-6.

10-1.5. Participant Failure To Settle [old I10.2]

Failure to make settlement within the initial thirty (30) day period, or the maximum sixty (60) day period if proper notice is given as provided in HTOS Paragraph 5-12.3, shall be construed as a refusal by the Participant to settle the claim and as an admission of its liability to the full extent of the law and this HTOS.

10-1.6. Establishment of High Risk Program [old I10.3]

A high risk program limiting a Participant's liability for loss of or damage to high risk items may only be established with the approval of the RTO and be evidenced by a written agreement setting out the terms and conditions established by the shipping Federal agency. The mere issuance of a GBL to a Participant with a pre-existing high risk program is not sufficient to incorporate the terms of such high risk program into the contract of carriage.

10-2. Preparation and Filing of Claim

10-2.1. General [old D10-2]

The Participant must furnish to the property owner all reasonable and necessary assistance in the preparation and filing of claims. Included in such assistance are inspections of the damaged property, if requested, completion of claim forms, and obtaining estimated repair costs at no cost to property owner.

10-2.2. Claims for Loss of and/or Damage to Personal Property. [old D10-2]

Claims for loss of and/or damage to personal property shipped pursuant to this HTOS must be filed with the Participant by the shipping Federal agency; provided, however, that with the approval of the shipping federal agency, the owner of the property or his designated representative may file the

claim on behalf of himself and the Government.

10-2.3. Claims for Damage to Real Property [old D10-2]

Claims for damage to real property belonging to the property owner at the time of shipment or subsequent thereto must be filed with the Participant by the shipping Federal agency; provided, however, that with the approval of the shipping federal agency, the owner of the property or his designated representative may file the claim on behalf of himself and the Government.

10-2.4. Claims for Injury [old D10-2]

Claims for injury shall be filed with the Participant by the injured party.

10-2.5. Claims for Delay [old D10-2]

Claims for delay may be filed by the property owner, or his designated representative, or by the Federal agency paying the cost of the services provided pursuant to this HTOS.

10-3. Minimum Filing Requirements [old D10-3]

A communication in writing from a claimant filed with the Government or the Participant and (1) containing facts sufficient to identify the shipment (or shipments) of property involved, (2) asserting liability for alleged loss, damage, injury, or delay, and (3) making claim for the payment of a specified or determinable amount of money, will be considered as sufficient compliance with the provisions for filing claims embraced in the bill of lading or other contract of carriage.

10-4. Documents Not Constituting Claims [old D10-4]

Bad order reports, appraisal reports of damage, notations of shortage or damage, or both, on freight bills, delivery receipts, or other documents, or inspection reports issued by the Participant or their inspection agencies, whether the extent of the loss or damage is indicated in dollars and cents or otherwise will, standing alone, not be considered as sufficient to comply with the minimum claim filing requirements specified above.

10-5. Supporting Documents

10-5.1. General [old D10-5]

When necessary as part of an investigation, each claim must be supported for each article by a statement of the nature and extent of such damage, the basis for the amount claimed, i.e., date article purchased, original cost, amount of depreciation, actual cash value at time of loss or damage, or the full replacement value, in those cases

where shipments are released to full replacement value.

10-5.2. Inconvenience Claims [old D10-5]

Inconvenience claims shall be supported with an itemized listing of costs incurred and payments made by the Government to the employee.

10-5.3. Identical Inventory Exception Coding [old D10-5]

In the event items are listed on the inventory with identical, or substantially identical, exception coding, the exception coding shall be construed as void and such items shall be construed as inventoried without exception.

10-6. Verification of Loss

10-6.1. Only Claim [old D10-6]

When an asserted claim for loss of an entire package or an entire shipment cannot be otherwise authenticated upon investigation, the Participant will obtain from the claimant of the shipment involved a certified statement, in writing, that the property for which the claim is filed, has not been received from any other source.

10-6.1.1. Inventory Correctness [old D10-6]

When there is an asserted claim for loss of an article, either contained in a carton or as a stand alone item, and it is not specified on the inventory, the item shall be construed as present and the Participant shall not contest a claim for the missing items, unless the Participant can establish that the inventory was a complete listing of all items in the shipment and that the article was not received by the Participant.

10-7. Satisfaction of Claim

10-7.1. Property Loss/Damage [old D10-7]

The Participant shall satisfy a claim by repairing or replacing the property lost or damaged to the extent of Participant liability with materials of like kind, quality, and condition at time of acceptance by the Participant. Repair and/or replacement will also be construed to include payment in cash. In the event that estimates of repair costs are obtained by the employee, either on his/her own or at the request of the Participant, the estimator's cost to furnish such estimates shall be reimbursable to the employee; provided, however, that if the terms of the estimate provide that the cost of the estimate will be deducted from the cost of repairs when repairs are completed,

the Participant's liability will not exceed the cost of repairs.

10-7.2. Inconvenience Claims

10-7.2.1. Filed by Employee [old D10-7]

When the claim is filed by the employee, the Participant shall be liable for the reasonable costs incurred by the employee in excess of those reimbursed the employee by the Government.

10-7.2.2. Filed by The Government [old D10-7]

When the claim is filed by the Government, the Participant shall be liable for the reimbursement made by the Government to the employee for the temporary quarters retained by the employee.

10-8. Government Liability— International Only [old I10.1]

The United States Government (DOS or other US Government agencies assuming effective custody) will be liable to the Participant for damage to or loss or destruction of lift vans due to negligence of the Government, reasonable wear and tear excepted.

Section 11—Miscellaneous Agreement Provisions

11-1. Warranty of Services [old D11-1]

11-1.1. Acceptance and Correction [old D11-1]

11-1.1.1. Definitions [old D11-1]

11-1.1.1.1. Acceptance [old D11-1]

Acceptance, as used in this HTOS Paragraph, means the act of an authorized representative of the Government by which the Government assumes for itself or approves specific services, as partial or complete performance of the HTOS.

11-1.1.1.2. Correction [old D11-1]

Correction, as used in this clause, means the elimination of a defect.

11-1.1.2. Warranty [old D11-1]

Notwithstanding inspection and acceptance by the Government or any provision concerning the conclusiveness thereof, the participant warrants that all services performed under this HTOS will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this HTOS. The RTO shall give written notice of any defect or nonconformance to the participant within forty-five (45) days from the date of acceptance by the Government. This notice shall state either (1) that the participant shall correct or reperform any defective or nonconforming

services, or (2) that the Government does not require correction or reperformance.

11-1.1.3. Correction and Reperformance [old D11-1]

If the participant is required to correct or reperform, it shall be at no cost to the Government, and any services corrected or reperformed by the participant shall be subject to this clause or if the participant refuses to correct or reperform, the RTO may correct or replace with similar services and charge to the participant the cost occasioned to the Government thereby, or make an equitable adjustment in the price for services rendered.

11-1.1.4. No Correction and Reperformance [old D11-1]

If the Government does not require correction or reperformance, the RTO shall make an equitable adjustment in the price for services rendered.

11-1.2. Improper Customs Clearance Reduction.—International Only [old I11.1.2]

In the event that a carrier improperly clears a shipment through customs (for example, a shipment is cleared as a DoD shipment, rather than a DOS shipment) and warehouse handling, storage, or delivery costs accrue exceeding those applicable to the shipment had the shipment been properly cleared, the excess warehouse handling, storage, or delivery costs will not be reimbursable by the Federal agency paying the transportation charges.

11-1.3. Late Delivery Reduction.— DOMESTIC ONLY [old D11-1]

A late delivery reduction of \$100.00 per day will be payable to the Federal agency paying the transportation charges, for each calendar day or fraction thereof, when the actual transit time for direct delivery shipments exceeds the transit time as defined in Section 12 of this HTOS, subject to the following items: (1) When the Government and the participant mutually agree to a transit time longer than the transit time as shown in this HTOS, the penalty will begin on the day after the agreed date; (2) When the Government and the participant mutually agree to a transit time chart other than the chart in this HTOS, the penalty will begin on the day after the agreed date; (3) When a shipment consigned to Storage-in-Transit (SIT) at destination is en route and the destination is changed to a direct delivery, the transit time is negotiable and no penalty occurs for late delivery; (4) This item will apply only for

shipments which: (a) Weigh or are rated at 3,500 pounds or more that are picked up during the period from October 1 through May 14 of each subsequent year; OR. (b) weigh or are rated at 5,000 pounds or more that are picked up during the period from May 15 through September 30 of each year; (5) This item applies only when both origin and destination of the shipment are within the continental United States; (6) This item will not apply if delay is caused by reasons beyond the participant's control, described as "Impractical Operation" in the participant's governing Government Rate Tender; (7) This item will not apply to a shipment, or portion thereof, which is lost or destroyed in transit and cannot be delivered due to such loss or destruction; (8) This item will not apply to an overflow portion of the shipment when the overflow weight represents less than twenty (20) percent of the total shipment weight and contains nonessential items (possessions not needed to maintain day-to-day housekeeping during the period of time between delivery of the main portion of the shipment and delivery of the overflow); (9) This item will apply when reconsignment or diversion is made on a shipment, based on the applicable mileage and weight of the shipment from point of diversion to the new destination; (10) The total reimbursement shall not exceed an amount equal to the linehaul transportation charges for the shipment; (11) This payment satisfies the Government's right to equitable adjustment for failure to perform, but does not waive, mitigate, or satisfy any other right or remedy available to the Government on account of late delivery by the participant.

11-1.4. Late Delivery Reduction.— INTERNATIONAL ONLY [old I11.1.3]

A late delivery reduction of \$100.00 per day will be payable to the Federal agency paying the transportation charges, for each calendar day or fraction thereof, when the actual transit time for direct delivery shipments exceeds the transit time as defined in Section 12 of this HTOS, subject to the following items: (1) When the Government and the participant mutually agree to a transit time longer than the transit time as shown in this HTOS, the penalty will begin on the day after the agreed date; (2) When the Government and the participant mutually agree to a transit time chart other than the chart in this HTOS, the penalty will begin on the day after the agreed date; (3) When a shipment consigned to Storage-in-Transit (SIT) at

destination is en route and the destination is changed to a direct delivery, the transit time is negotiable and no penalty occurs for late delivery; (4) This item will apply only for shipments which: (a) weigh or are rated at 3,500 pounds or more that are picked up during the period from October 1 through May 14 of each subsequent year; OR. (b) weigh or are rated at 5,000 pounds or more that are picked up during the period from May 15 through September 30 of each year; (5) This item will not apply if delay is caused by reasons beyond the participant's control, described as "Impractical Operation" in the participant's governing Government Rate Tender; (6) This item will not apply to a shipment, or portion thereof, which is lost or destroyed in transit and cannot be delivered due to such loss or destruction; (7) This item will not apply to an overflow portion of the shipment when the overflow weight represents less than twenty (20) percent of the total shipment weight and contains nonessential items (possessions not needed to maintain day-to-day housekeeping during the period of time between delivery of the main portion of the shipment and delivery of the

overflow); (8) This item will apply when reconsignment or diversion is made on a shipment, based on the applicable mileage and weight of the shipment from point of diversion to the new destination; (9) The total reimbursement shall not exceed an amount equal to total charges for the shipment, excluding SIT; (10) This payment satisfies the Government's right to equitable adjustment for failure to perform, but does not waive, mitigate, or satisfy any other right or remedy available to the Government on account of late delivery by the participant.

11-2. Diversion Or Reconsignment. [old D11-3]

Diversion or reconsignment of a shipment to a destination area other than that specified on the GBL can only be authorized by written order or oral notice followed by written order of the GBL Issuing Officer. The destination area is the territory recognized as the commercial zone for the destination city or municipality shown on the GBL. Instructions furnished by the owner or his representative to the carrier or its agent to perform local drayage to any point within the commercial zone shall not constitute an order for diversion or reconsignment.

11-3. Advertising Of Participant Approval. [old D11-4 & I11.3]

Except in those instances where the participant uses information or data publicly available, the participant will not refer to GSA approval to participate in the program or participation in the program in commercial advertising in such a manner as to state or imply that the services provided are endorsed or preferred by the Federal Government or are considered by the Government to be superior to other services.

Section 12—Transit Times

12-1. Transit Times

This HTOS paragraph 12-1 provides transit times for shipments moving between CONUS locations, between CONUS and Canada locations, and between locations in CONUS and Canada on the one hand and on the other hand international locations, including POV surface shipments (except locations shown in HTOS paragraph 12-2. For Transit Times on international unaccompanied air baggage, refer to HTOS Section 5.

(For Special Agency Transit Times, refer to the Request for Offers (RFO))

1. Introduction

This agreement prescribes the general procedures and policies to be followed when Electronic Commerce (EC) is used for transmitting and receiving requests for offers, rate tenders, or other business information in lieu of creating one or more paper documents normally associated with conducting business with the General Services Administration. The General Services Administration (GSA or the agency) will transmit and receive using the File Transfer Protocol (FTP) of the Internet network (I-FTP) such transaction sets (documents) as it chooses and as established by the governing tender of service or the request for offers. These transaction sets will be transmitted to those firms, organizations, agencies, or other entities (trading partners) recognized by GSA that agree to accept such documents and to be bound by the terms and conditions contained in those documents, this agreement, and any applicable tender of service.

2. Purpose

This agreement is to ensure that all EC obligations are legally binding on all trading partners. Further, the use of any electronic equivalent of a standard business document referenced in Paragraphs 3 and 4 will be deemed an acceptable business practice and that no trading partner will challenge the admissibility of the electronic information in evidence, except in circumstances in which an analogous paper document could be challenged. Where participant is used in this agreement it will mean carrier/forwarder as applicable.

3. Freight Reference

This agreement, in addition to the terms and conditions stated in Paragraph 5, is subject to the terms and conditions of the following documents:

- GSA Freight Traffic Management Program Standard Tender of Service.
- Optional Form 280
- GSA Freight Traffic Management Program Request for Offers

4. Household Goods Reference

This agreement, in addition to the terms and conditions stated in Paragraph 5, is subject to the terms and conditions of the following documents:

- GSA Centralized Household Goods Traffic Management Program Tender of Service.

- Optional Form 280
- GSA Centralized Household Goods Traffic Management Program Request for Offers

5. Terms and Conditions

(A) GSA will place electronic documents in a publicly accessible website (www.KC.GSA.GOV/FSST) and when warranted in the directory of a confirmed trading partner (trading partner/<SCA>), hereinafter referred to as directory. It will receive documents from confirmed trading partners in each confirmed trading partner's directory via I-FTP. Receipt by the trading partner is considered to occur when the document is placed and either the public directory or the trading partner's directory, as the case may be.

(B) GSA will bear the costs of maintaining the GSA FTP server and the costs of placing documents issued by GSA in the appropriate directory on the GSA FTP server, and the costs of managing documents put on the GSA FTP server by its trading partners. The agency's trading partners are responsible for all costs associated with getting documents from or putting documents on the GSA FTP server.

(C) When the transmissions are submission or fate tenders, the submitting firm must have first met all applicable approval requirements set out in the applicable, governing Tender of Service.

(D) GSA will be responsible for the accuracy of documents issued by it and placed in the GSA FTP server directory. GSA will not be responsible for errors occurring in documents put on the GSA FTP server, nor will GSA be responsible for errors occurring in documents gotten from the GSA FTP server.

(E) GSA will not be responsible for any damages incurred by a trading partner as a result of missing or delayed transmissions when the problem is not with or caused by GSA or the agency's FTP server.

(F) Any document placed in a directory maintained on the GSA FTP server is to be considered a valid and authentic document backed by the same guarantees of legitimacy as are found in a paper transaction. Likewise, any document from a trading partner put into a directory on the GSA FTP server will be considered a valid and authentic document backed by the same guarantees of legitimacy as are found in a paper transaction.

(G) If a participant uses a broker, shipper agent/Intermodal Marketing Company, or filing service to file its

rates with GSA, documents submitted on behalf of the participant will be accepted as though submitted by the participant and GSA. The use of a broker, shipper agent/Intermodal Marketing Company, or filing service does not relieve the participant of any of its rights or obligations under the terms of this agreement, including the maintenance of a valid trading partner agreement with GSA.

6. Force Majeure

None of the parties in this agreement will be liable for failure to properly conduct EC in the event of war, accident, riot, fire, flood, epidemic, power outage, labor dispute, act of God, act of public enemy, malfunction or inappropriate design of hardware or software, or any other cause beyond such party's control. If standard business cannot be conducted by EC, GSA, will, at its discretion, return to a paper based system.

7. Effective Date

The effective date of this agreement will be the latest of the date(s) shown on the signature page of this document

8. Agreement Review

The agreement will be affective on a continuing basis, except as provided in Paragraph 9, below; provided, however, that GSA may from time to time make such changes to the agreement as are necessary, and the trading partner may request review of the agreement at any time.

9. Termination

(A) If GSA terminates a participant's participation in the GSA Freight Traffic Management Program and/or the GSA Centralized Household Goods Traffic Management Program, this agreement will be considered terminated as of the date notice is given to a firm of its participation termination.

(B) If a participant terminated its participation in the GSA Freight Traffic Management Program and/or the GSA Centralized Household Goods Traffic Management Program, this agreement will be considered terminated as of the date notice of such termination is received by the GSA.

All other provisions under the original tender will continue in effect until property is delivered to final residence.

17–27. Reshipments-Household Effects, Surface

A. This HTOS Paragraph 17–27 applies to shipments which are terminated for the convenience of the government and which require over ocean transportation either by air or water. A reshipment normally will be handled by the carrier originally tendered the shipment if that carrier has a cost effective GSA approved rate on file.

B. The point of termination will be considered the final destination of the original shipment and the GBL will be adjusted accordingly.

C. Onward movement of property will be treated as a new shipment under a new GBL. The following procedures will be followed in determining applicable rates for the new GBL.

approved rate on file to the new destination, that SFR, less US\$54.00 per net cwt (45kg) will apply. The reduction will be supported by DOS annotation on the original GBL.

(2) If the carrier originally handling the shipment does not have a cost effective rate on file to the new destination, an acceptable rate will be negotiated with RTO or the shipment will be tendered to another carrier.

(3) If the shipment is tendered to another carrier with a cost effective GSA approved rate on file, the SFR will be reduced by US\$49.00 per net cwt (45kg) for non-performance of packing services. The shipment will be decontainerized and restuffed into other containers and original containers returned to owner.

(D) The above procedures are not applicable to those shipments terminated and retendered due to the fault of the carrier, such as carrier bankruptcy or failure to complete movement as defined in HTOS Paragraph 8–1.1.17. In these instances, due to the need to expedite onward movement, shipments will remain in the original carrier's containers. These containers will be made available to the original carrier by the new carrier at destination.

(E) Old and new GBLs will be cross-referenced.

17–28. Reshipments—Unaccompanied Air Baggage

(A) this HTOS Paragraph 17–28 applies to shipments which are terminated for convenience of the Government and which require over ocean transportation either by air or water. A reshipment normally will be handled by the carrier originally tendered the shipment if that carrier has a cost effective, GSA approved rate on file or negotiates an acceptable OTO rate with GSA.

(B) The point of termination will be considered the final destination and the original GBL will be terminated at that point.

(C) Onward movement of property will be treated as a new shipment under a new GBL. The following procedures will be followed in determining applicable rates for the new GBL.

(1) If the carrier originally handling the shipment has a cost effective, GSA approved rate on file to the new destination, that SFR, less US\$5.00 per gross CWT (45kg) for nonperformance of packing will apply. The reduction will be supported by a RTO annotation on the original GBL.

(2) If the carrier originally handling the shipment does not have a cost effective, GSA approved rate on file to

the new destination, an acceptable OTO SFR will be negotiated or the shipment will be tendered to another carrier.

(3) If the shipment is tendered to another carrier, this SFR will be reduced by US\$5.00 per gross CWT (45kg) for nonperformance of packing services.

D. Old and new GBLs will be cross-referenced.

17–29. Shipments Diverted After Commencement Of Transportation Service

A. Upon instructions made and confirmed in writing by RTO, shipments will be diverted subject to the provisions and charges shown below. However, when charges are assessed in accordance with the provisions of this item, the charges associated with delivery from SIT herein, will not apply.

B. The term “diverted” or “diversion” as used herein, means a change to a new destination point more than fifty (50) (80 km) miles from the original

destination point. A diversion will be made only at an ocean port of embarkation, an ocean port of debarkation, or at destination point. If the RTO directs the movement of the shipment to a place which is less than 50 (80 km) miles from the original destination point of the shipment, the shipment will be terminated at the point designated by the RTO and no diversion will occur. In such instance, the SFR will be that applicable to the original destination point. If the RTO directs the movement of the shipment to a place which is more than 50 (80 km) miles from the original destination point, the transportation charges as stated below in this HTOS Paragraph 17–29 will apply.
