Applicants' Representations

1. The Fund is a closed-end management investment company registered under the Act and organized as a Delaware business trust. Scudder Weisel is registered as an investment adviser under the Investment Advisers Act of 1940 and will serve as investment adviser to the Fund. Scudder Weisel also is registered as a broker-dealer under the Securities Exchange Act of 1934 and will distribute the Fund's shares. Applicants request that the order also apply to any other registered closed-end management investment company established in the future for which Scudder Weisel, or any entity controlling, controlled by, or under common control with Scudder Weisel acts as principal underwriter or investment adviser.¹

2. The Fund's investment objective is to provide investors with long-term capital appreciation. The Fund seeks its objective by investing primarily in public and private equity securities of U.S. and non-U.S. companies.

3. The Fund intends to continuously offer its shares to the public at net asset value, plus any applicable sales charges. The Fund's shares will not be offered or traded in the secondary market and will not be listed on any exchange or quoted on any quotation medium. The Fund intends to operate as an "interval fund" pursuant to rule 23c-3 under the Act and to make quarterly repurchase offers to its shareholders.

¹ Any registered closed-end investment company relying on this relief in the future will do so in a manner consistent with the terms and conditions of the application. Applicants represent that each investment company presently intending to rely on the requested relief is listed as an applicant.

4. The Fund currently intends to offer one class of shares, Class A shares, that will be sold with a front-end sales charge and will be subject to a shareholder services fee. Class A shares will not be subject to an early withdrawal charge ("EWC"). The Fund seeks the flexibility to be structured as a multiple-class fund and may in the future offer other classes of shares with different distribution structures, including shares with no front-end sales charge but with an EWC. Future classes of shares of the Fund may also be subject to an asset-based distribution fee. Applicants represent that shareholder services fees and asset-based distribution fees will comply with the provisions of rule 2830(d) of the Conduct Rules of the National Association of Securities Dealers, Inc. ("NASD Sales Charge Rule"). Applicants also represent that the Fund will disclose in its prospectus, the fees, expenses and other characteristics of each class of shares offered for sale by the prospectus, as is required for open-end multi-class funds under Form N-1A.

5. All expenses incurred by the Fund will be allocated among the various classes of shares based on the net assets of the Fund attributable to each class, except that the net asset value and expenses of each class will reflect distribution fees, service fees, and any other incremental expenses of that class. Expenses of the Fund allocated to a particular class of shares will be borne on a pro rata basis by each outstanding share of that class. The Fund may create additional classes of shares in the future that may have different terms from Class A shares. Applicants state that the Fund will comply with the provisions of rule 18f-3 under the Act as if it were an open-end investment company.

6. The Fund may waive the EWC for certain categories of shareholders or transactions to be established from time to time. With respect to any waiver of, scheduled variation in, or elimination of the EWC, the Fund will comply with rule 22d-1 under the Act as if the Fund were an open-end investment company.

7. The Fund may offer its shareholders an exchange feature under which shareholders of the Fund may, during the Fund's quarterly repurchase periods, exchange their shares for shares of the same class of other registered open-end investment companies or registered closed-end investment companies that comply with rule 23c-3 under the Act and continuously offer their shares at net asset value, and that are in the Scudder Weisel group of investment companies. Fund shares so exchanged will be counted as part of the
