Technical Amendments to the Customs Regulations

AGENCY: Customs Service, Treasury.

SUMMARY: This document amends the Customs Regulations by correcting various referencing and typographical errors, and by making certain editorial changes to improve the clarity of the regulations. None of these technical corrections involve changes in substantive legal requirements.

SUPPLEMENTARY INFORMATION:

Background

It is Customs policy to periodically review its regulations to ensure that they are as accurate and up-to-date as possible, so that the importing and general public are aware of Customs programs, requirements, and procedures regarding import-related activities. As part of this review policy, Customs has determined that certain changes affecting parts 10, 12, 19, 103, 111, 112, 143, 146, 178, and 191 of the Customs Regulations (19 CFR parts 10, 12, 19, 103, 111, 112, 143, 146, 178, and 191) are necessary to correct referencing and typographical errors, or to improve the clarity of the regulations. Following is a summary of these changes:

Discussion of Changes

Fingerprint Form References

In T.D. 93–18 (published in the **Federal Register** on March 24, 1993, at 58 FR 15770), Customs amended several sections of the Customs Regulations (19 CFR chapter I) to clarify Customs position regarding the submission of fingerprints when individuals apply for certain occupations or request various identification cards necessitating a fingerprint records check. Six sections of the Customs Regulations that pertain to employment or licensing matters were amended; five specifying that a particular fingerprinting form was to be used to collect the fingerprints. The Standard Form (SF) 87 fingerprint form was specified at §§ 19.2(f), 111.12(a), 112.42, and § 146.6(a) of the Customs Regulations (19 CFR 19.2(f), 111.12(a), 112.42, and 146.6(a)), and the form FD 258 fingerprint form was specified at § 122.182(d). It has come to Customs attention that designating the SF 87 for fingerprinting purposes at §§ 19.2(f), 111.12(a), 112.42, and § 146.6(a) is in error. This document corrects those errors and explains the reason different forms are used to collect fingerprints.

The government uses different fingerprint forms for different purposes. The Federal Bureau of Investigation, which processes all requests for fingerprint information, uses different form numbers and color codes of forms based on the reason the background check is to be performed. The FD 258 is used for background checks for a non-government position, such as when the government provides a license to a private party. The SF 87 is used when a background check is required for Federal employment or a security clearance.

The provisions of § 19.2(f) pertain to an application for a Customs warehouse bond. The provisions of § 111.12(a) pertain to an application for a Customs broker's license. The provisions of § 112.42 pertain to an application for an identification card for a licensed cartman or lighterman. The provisions of § 146.6(a) pertain to an application to activate a foreign trade zone. None of these provisions pertain to Federal employment or to a security clearance. Thus, the use of the FD 258, and not the SF 87, is appropriate. Accordingly, the references at §§ 19.2(f), 111.12(a), 112.42, and § 146.6(a) to the SF 87 will be replaced by a reference to the FD 258. Also, because Customs is beginning to collect fingerprints electronically at certain locations, a proviso allowing for electronic fingerprints will also be added to these sections.

Environmental Protection Agency (EPA) Requirements

Section 12.73 of the Customs Regulations (19 CFR 12.73) pertains to motor vehicle and engine compliance with Federal antipollution emission requirements. Paragraph (d) of this section pertains to when individuals and businesses must import certain motor vehicles through an independent commercial importer (ICI). This provision was amended in T.D. 88–40 ostensibly to provide that only ICIs with valid Environmental Protection Agency (EPA) certificates of conformity could import nonconforming vehicles or engines. Individuals or businesses who previously could import nonconforming vehicles or engines are now required to arrange for such importations through an ICI certificate holder. However, the regulatory text adopted was overbroad in its reach and provided, in relevant part, that “* * * an individual or business * * * may not enter a motor vehicle to which EPA emission requirements apply.” (Emphasis supplied.) The language is changed in this paragraph to clarify that individuals or businesses may import vehicles into the United States that conform with EPA emission requirements and that ICIs are required only if the vehicles do not conform to EPA requirements.

Section 12.74 of the Customs Regulations (19 CFR 12.74) pertains to nonroad engine compliance with Federal antipollution emission requirements. Paragraph (b)(2) of this section pertains to the retention and submission of records to Customs. The paragraph references § 162.1c of the Customs Regulations. In T.D. 98–56 (63 FR 32946) Customs amended the recordkeeping requirements formerly contained in part 162 by creating a new part 163. Record retention requirements are now set forth in § 163.4. This document corrects the reference in § 12.74(b)(2).

Customs Brokers Permits

Section 111.19 of the Customs Regulations (19 CFR 111.19), as amended by T.D. 00–17, published in the **Federal Register** on March 15, 2000 (65 FR 13880), discusses both district permits and national permits for Customs brokers. At paragraph (e) of this section a reference is made to an application for “a permit”. It is unclear in this paragraph whether the reference is to a district permit or a national permit. This document clarifies that the paragraph relates to a district permit.

Miscellaneous Referencing and Typographical Errors

In § 10.31, the third sentence of paragraph (a)(1) is supposed to be the last sentence of that paragraph; however, a period was inadvertently placed after a reference to a Customs Form description, instead of a comma, effectively making the remaining text a fourth sentence. The punctuation error is now corrected.

In § 103.31, the third sentence of paragraph (e) makes reference to § 103.14(d). Section 103.14 was redesignated as § 103.31 in T.D. 96–36. Customs inadvertently failed to conform the reference within the sentence to the redesignated § 103.31. Accordingly, the reference in § 103.31 to § 103.14(d) is now corrected.

Section 143.1(a) references a definition for Customs brokers at § 111.1(b). Because of the publication of T.D. 00–17 discussed above, there are no longer lettered paragraphs at § 111.1; the words and phrases defined are merely listed alphabetically. Accordingly, the reference in § 143.1(a) to the definition for Customs brokers at § 111.1(b) is corrected to read § 111.1.

Section 178.2 describes Customs information collections and lists the control numbers assigned by the Office of Management and Budget for these information collections. The entry for § 103.14 is in error, because this provision was redesignated as § 103.31 in T.D. 96–36. Accordingly, the reference in § 178.2 to § 103.14 is corrected to read § 103.31.

Section 191.51 pertains to the completion of drawback claims. In T.D. 98–16, paragraph (b) of this section was amended to provide how drawback claims are to be correctly calculated. The third sentence of this revision was meant to be parenthetical, *i.e.*, providing an example of how to correctly calculate the substance of the second sentence. However, the closing parenthesis was mistakenly placed after the fourth sentence, which has a different substance than the second sentence. This typographical error is corrected by removing the closing parenthesis from the end of the fourth sentence and relocating it to the end of the third sentence.

Inapplicability of Public Notice and Comment Requirements, Delayed Effective Date Requirements, the Regulatory Flexibility Act, and Executive Order 12866

Because these regulatory amendments merely correct various referencing and typographical errors and make certain editorial changes to improve the clarity

of the regulations, pursuant to 5 U.S.C. 553(b)(B), notice and public procedure are unnecessary and contrary to public interest. For the same reasons, the requirement for a delayed effective date also does not apply, pursuant to 5 U.S.C. 553(d)(3). Further, because this document is not subject to 5 U.S.C. 553, it is not subject to the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* These amendments do not meet the criteria for a “significant regulatory action”, as specified in E.O. 12866.

25 CFR Part 115

RIN 1076-AE00

Trust Management Reform: Leasing/ Permitting, Grazing, Probate and Funds Held in Trust

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule; technical amendment.

SUMMARY: The Department of the Interior, Bureau of Indian Affairs (BIA) today is making a technical amendment to its rulemaking published on January 22, 2001, regarding Trust Funds for Tribes and Individual Indians. In formatting explanatory charts for publication, the question which refers to a particular chart regarding sources of money that will be accepted for deposit into a trust account was inadvertently omitted from the published regulation. The technical amendment is to simply include this question to appropriately make reference to the explanatory chart that has been published. This question

is included in the table of contents and was in the copy of the regulation placed on public display before publication.

EFFECTIVE DATE: March 23, 2001.

FOR FURTHER INFORMATION CONTACT:

Duncan L. Brown, Office of the Secretary, U.S. Department of the Interior, 1849 C Street, NW, MS 7229 MIB, Washington, DC 20240, Telephone: 202/208-4582.

SUPPLEMENTARY INFORMATION: This technical amendment simply includes a question, already included in the table of contents, for part 115 of "Trust Management Reform: Leasing/ Permitting, Grazing, Probate and Funds Held in Trust," as published on January 22, 2001, 66 FR 7068, that was inadvertently omitted from the text of the rule. We, therefore, insert this question for § 115.702 between the two charts that now follows § 115.701 as this omitted question for § 115.702 pertains to (and explains) the second chart only. Pursuant to 5 U.S.C. 553(b), public comment is not required for this technical amendment as this amendment does not make any substantive regulatory change and simply promotes administrative efficiency and corrects an inadvertent omission of text. Pursuant to 5 U.S.C. 553(d), the rulemaking will take effect immediately for good cause as the omission of the question for § 115.702 would only confuse the public and defeat the efficiency of the rulemaking.

Background

Pursuant to Treasury Order 120-01 (formerly 221), dated June 6, 1972, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of chapter 51 of the Internal Revenue Code of 1986 (IRC).
