

notice of the proposed collection of information listed below.

With respect to the following collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

Large Trader Reports, OMB control number 3038-0009—Extension

Parts 15 through 21 of the Commission's regulations under the

Commodity Exchange Act (Act) require large trader reports from clearing members, futures commission merchants, and foreign brokers and traders. These rules are designed to provide the Commission with information to effectively conduct its market surveillance program, which includes the detection and prevention of price manipulation and enforcement of speculative position limits.

The Commission estimates the burden of this collection of information as follows:

ESTIMATED ANNUAL REPORTING BURDEN

| 17 CFR section | Annual number of respondents | Total annual responses | Hours per response | Total hours |
|-------------------|------------------------------|------------------------|--------------------|-------------|
| Parts 15–21 | 4,731 | 69,392 | 0.35 | 24,435 |

There are no capital costs or operating and maintenance costs associated with this collection.

Dated: March 5, 2002.

Jean A. Webb,

Secretary of the Commission.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before May 10, 2002.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management

Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: March 6, 2002.

DEPARTMENT OF ENERGY

Notice of Availability of the Draft Environmental Assessment for Waste Disposition Activities at the Paducah Gaseous Diffusion Plant

AGENCY: Department of Energy

ACTION: Notice of availability.

SUMMARY: The Department of Energy (DOE), announces the availability of the Draft Environmental Assessment (EA) for Waste Disposition Activities at the Paducah Site (DOE/EA-1339) for public review and comment. The Draft EA has been prepared in accordance with the requirements of the National Environmental Policy Act of 1969 as amended (NEPA) (42 U.S.C. 4321 *et seq.*); Council on Environmental Quality regulations implementing NEPA, 40 CFR parts 1500-1508; and DOE NEPA Implementing Procedures, 10 CFR part 1021.

The Draft EA evaluates the potential environmental impacts associated with continued waste management operations at the Paducah Site, as well as transportation of the waste to treatment and disposal facilities at various locations throughout the United States. The type of wastes analyzed include polychlorinated biphenyl (PCB) waste, low-level (radioactive) waste (LLW), mixed low-level waste (MLLW), and transuranic (TRU) waste. The Draft EA also evaluates the potential environmental impacts associated with the no action alternative.

The public is invited to comment on the Draft EA during the 45-day public comment period which starts on the date of this notice. All comments received will be considered in preparation of the final EA. Late comments will be considered to the extent practicable.

ADDRESSES: Comments on the Draft EA may be submitted by mail: U.S. Department of Energy, Oak Ridge Operations Office, Attn: Mr. David Allen, PO Box 2001, Oak Ridge, TN 37830, by fax (1-865-576-0746), electronically (*NEPA@oro.doe.gov*), or by phone (1-800-382-6938).

Copies of the Draft EA may also be obtained by contacting Mr. Gary Bodenstein, U.S. Department of Energy, Paducah Site Office, PO Box 1410, Paducah, KY 42001, by fax (1-270-441-6801), or electronically (*BodensteinGW@oro.doe.gov*). The Draft EA is available for review at the U.S. Department of Energy Environmental Information Center, Barkley Centre, 115 Memorial Drive, in Paducah Kentucky. The Draft EA is also available for review at the U.S. Department of Energy Public
