OMB Number: 1557-0159.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection. The OCC requests only that OMB extend its approval of the information collection.

The Fair Housing Act (42 U.S.C. 3605) prohibits discrimination in the financing of housing on the basis of race, color, religion, sex, or national origin. The Equal Credit Opportunity Act (15 U.S.C. 1691 *et seq.*) prohibits discrimination in any aspect of a credit

transaction on the basis of race, color, religion, national origin, sex, marital status, age, receipt of income from public assistance, or exercise of any right under the Consumer Credit Protection Act. The information collection requirements ensure bank compliance with applicable Federal law, further bank safety and soundness, provide protections for banks and the public, and further public policy interests.

The information collection requirements in 12 CFR part 27 are as follows:

Section 27.3 requires a national bank that is required to collect data on home loans under 12 CFR part 203 to present the data on Federal Reserve Form FR HMDA-LAR, or in automated format in accordance with the HMDA-LAR instructions, and to include one additional item (the reason for denial) on the HMDA-LAR. Section 27.3 also lists exceptions to the HMDA-LAR recordkeeping requirements. Section 27.3 further lists the information banks should obtain from an applicant as part of a home loan application, and states information that a bank must disclose to an applicant.

Section 27.4 states that the OCC may require a national bank to maintain a Fair Housing Inquiry/Application Log if there is reason to believe that the bank is engaging in discriminatory practices or if analysis of the data compiled by the bank under the Home Mortgage Disclosure Act (12 U.S.C. 2801 *et seq.*) and 12 CFR part 203 indicates a pattern of significant variation in the number of home loans between census tracts with similar incomes and home ownership levels differentiated only by race or national origin.

Section 27.5 requires a national bank to maintain the information for 25 months after the bank notifies the applicant of action taken on an application, or after withdrawal of an application.

Section 27.7 requires a national bank to submit the information to the OCC upon its request, prior to a scheduled examination.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 2,400.
