

between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

To help the Coast Guard establish regular and meaningful consultation and collaboration with Indian and Alaskan Native tribes, we published a notice in the **Federal Register** (66 FR 36361, July 11, 2001) requesting comments on how to best carry out the Order. We invite your comments on how this proposed rule might impact tribal governments, even if that impact may not constitute a "tribal implication" under the Order.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We considered the environmental impact of this proposed rule and concluded that, under figure 2-1, paragraph 34(g), of Commandant Instruction M16475.1C, this proposed rule is categorically excluded from further environmental documentation. This proposed rule fits paragraph 34(g) as it establishes a safety zone. A "Categorical Exclusion Determination" is available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05-1(g), 6.04-1, 6.04-6, 160.5; 49 CFR 1.46.

2. From 1 p.m. on May 3, 2002 through 3 p.m. on May 5, 2002, add

temporary § 165.T01-006 to read as follows:

§ 165.T01-006 Safety Zone: Mystic Places Offshore Grand Prix, New London, CT.

(a) Location. The following area is a safety zone: All waters off Ocean Beach in Long Island Sound, within the boundaries of a line beginning at 41°18'00"N, 072°05'58"W; then to 41°18'20"N, 072°05'40"W; then to 41°18'20"N, 072°04'58"W; then to 41°18'00"N, 072°04'58"W (NAD 1983); and then returning to the point of origin.

(b) Enforcement period. This section will be enforced from 1 p.m. until 3 p.m. each day from May 3, 2002 through May 5, 2002.

(c) Regulations. (1) Vessels not participating in the event, swimmers and personal watercraft of any nature are prohibited from entering or moving within the safety zone unless authorized by the Captain of the Port. (2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on-scene patrol personnel. These personnel comprise commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U. S. Coast Guard vessel by siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

Dated: February 27, 2002.

J.J. Coccia,

Captain, U.S. Coast Guard, Captain of the Port, Long Island Sound.

BILLING CODE 4910-15-P

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[CGD01-02-026]

RIN 2115-AA97

Safety Zone; Lynn Fourth of July Celebration, Nahant Bay, Lynn, MA

AGENCY: Coast Guard, DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary safety zone for the Lynn Fourth of July Celebration on July 3, 2002, in Lynn, MA. The safety zone would temporarily close all waters of Nahant Bay within a 500-yard radius of the launch platform located in approximate position 42°27'48" N, 70°55'38" W. The safety zone would prohibit entry into or movement within this portion Nahant Bay during the fireworks display.

DATES: Comments and related material must reach the Coast Guard on or before May 1, 2002.

ADDRESSES: You may mail comments and related material to Marine Safety Office Boston, 455 Commercial Street, Boston, MA. Marine Safety Office Boston maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of the docket and will be available for inspection or copying at Marine Safety Office Boston between 8 A.M. and 3 P.M., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Chief Petty Officer Michael Popovich, Marine Safety Office Boston, Waterways Safety and Response Division, at (617) 223-3000.

SUPPLEMENTARY INFORMATION:

Request for Information

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD01-02-026), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know your comments reached us, please enclose a stamped, self addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. However, you may submit a request for a meeting by writing to Marine Safety Office Boston at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that a public meeting would aid this rulemaking, we will hold one at a time and place announced by a separate notice in the **Federal Register**.

Background and Purpose

We propose to establish a safety zone within a 500-yard radius of the fireworks barge located at position 42°27'48" N, 070°55'38" W. The safety zone would be in effect from 5 p.m. until 10:30 p.m. on Monday, July 3, 2002.

The zone would restrict movement within this portion of Nahant Bay for

the fireworks display and is needed to protect the maritime public from the dangers posed by a fireworks display. Marine traffic may transit safely outside of the safety zone during the effective periods. The Captain of the Port does not anticipate any negative impact on vessel traffic due to this event. Public notifications will be made prior to the effective period via safety marine information broadcasts and local notice to mariners.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979).

The Coast Guard expects the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary.

Although this proposed regulation will prevent traffic from transiting a portion of Nahant Bay during the effective period, the effects of this regulation will not be significant for several reasons: the minimal time that vessels will be restricted from the area, vessels may safely transit outside of the safety zone, and advance notifications will be made to the local maritime community by safety marine information broadcasts and local notice to mariners.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), the Coast Guard considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in a portion of Nahant Bay between 5 p.m. and 10:30 p.m. on July 3, 2002. This

safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: vessel traffic can safely pass outside of the safety zone during the effective period, the safety zone is limited in duration, and advance notifications which will be made to the local maritime community by safety marine information broadcasts and local notice to mariners.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Chief Petty Officer Michael Popovich at the address listed under **ADDRESSES**.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

The Coast Guard analyzed this proposed rule under Executive Order 13132 and has determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those costs. This proposed rule would not impose an unfunded mandate.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental

Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not pose an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this proposed rule and concluded that, under figure 2–1, (34)(g), of Commandant Instruction M16475.IC, this proposed rule is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05–1(g), 6.04–1, 6.04–6, 160.5; 49 CFR 1.46.

2. Add temporary § 165.T01–026 to read as follows:

§ 165.T01–026 Safety Zone: Lynn Fourth of July Celebration, Lynn, Massachusetts.

(a) *Location.* The following area is a safety zone:

All waters of Nahant Bay within a 500-yard radius of the fireworks launch platform located in approximate position 42°27'48" N, 070°55'38" W.

(b) *Effective date.* This section will be effective from 5 p.m. until 10:30 p.m. on July 3, 2002.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23, entry into or movement within this zone will

be prohibited unless authorized by the Captain of the Port Boston.

(2) All vessel operators shall comply with the instructions of the COTP or the designated on-scene U.S. Coast Guard patrol personnel. On-scene Coast Guard patrol personnel include commissioned, warrant, and petty officers of the Coast Guard on board Coast Guard, Coast Guard Auxiliary, local, state, and federal law enforcement vessels.

Dated: March 1, 2002.

B.M. Salerno,

Captain, U.S. Coast Guard, Captain of the Port, Boston, Massachusetts.

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[COTP Baltimore 02-002]

RIN 2115-AA97

Security Zone; Potomac River, Washington Channel, Washington, DC

AGENCY: Coast Guard, DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes establishing a temporary security zone in the waters of Washington Channel on the Potomac River off Fort Lesley J. McNair, Washington, DC, during the May 30, 2002, U.S. Coast Guard Commandant's Change of Command ceremony. The security zone is necessary to provide for the security and safety of life and property of event participants, spectators and mariners on U.S. navigable waters during the event. Entry into this zone is prohibited unless authorized by the Captain of the Port, Baltimore, Maryland, or designated representative.

DATES: Comments and related material must reach the Coast Guard on or before April 19, 2002.

ADDRESSES: You may mail comments and related material to the Port Safety, Security and Waterways Management Branch, at Commander, U.S. Coast Guard Activities Baltimore, 2401 Hawkins Point Road, Baltimore, Maryland, 21226-1791. U.S. Coast Guard Activities Baltimore, Port Safety, Security and Waterways Management Branch maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket

and will be available for inspection or copying at U.S. Coast Guard Activities Baltimore, Port Safety, Security and Waterways Management Branch between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Ronald L. Houck, Port Safety, Security and Waterways Management Branch, at telephone number (410) 576-2674.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking (COTP Baltimore-02-002), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know your submission reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to Commander, U.S. Coast Guard Activities Baltimore at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a separate notice in the **Federal Register**.

Background and Purpose

The Coast Guard will conduct a Change of Command ceremony along the Potomac River at Washington, DC. A security zone is needed to protect dignitaries taking part in the high-level military ceremony from potential threats posed by waterborne acts of sabotage or other subversive acts. The purpose of the proposed regulation is to promote maritime safety and protect participants and spectators during the event. These regulations will impact the movement of all vessels operating in the specified area on the Washington Channel at Washington, DC.

Discussion of Proposed Rule

The U.S. Coast Guard Commandant's Change of Command ceremony will be held at Fort Lesley J. McNair, Washington, DC, on May 30, 2002. The event will consist of a background

comprised of three U.S. Coast Guard vessels anchored adjacent to Fort McNair on the confined waters of the Washington Channel, on the Potomac River. A security zone is needed from 11 a.m. to 4 p.m. on May 30, 2002 to safeguard event participants and spectators. U.S. Coast Guard patrol vessels will be provided to prevent the movement of persons and vessels in an area approximately 200 yards wide and 450 yards long within Washington Channel. Entry into this zone is prohibited unless authorized by the Captain of the Port or his or her designated representative. The Captain of the Port will notify the public of changes in the status of the zone by a Marine Safety Radio Broadcast.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT)(44 FR 11040, February 26, 1979).

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. This temporary rule affects a limited area for approximately five hours, and will not completely close the navigable channel. Therefore, the Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. Because this proposal will only be in effect for a limited amount of time, and extensive advisories will be made to
