

Department of Education of IDEA or the regulations that implement IDEA.

FOR FURTHER INFORMATION CONTACT:

Melisande Lee or JoLeta Reynolds.
Telephone: (202) 205-5507.

If you use a telecommunications device for the deaf (TDD) you may call (202) 205-5637 or the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Individuals with disabilities may obtain a copy of this notice in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) on request to Katie Mincey, Director of the Alternate Formats Center.
Telephone: (202) 205-8113.

SUPPLEMENTARY INFORMATION:

The following list identifies correspondence from the Department issued from October 1, 2001 through December 31, 2001.

Included on the list are those letters that contain interpretations of the requirements of IDEA and its implementing regulations, as well as letters and other documents that the Department believes will assist the public in understanding the requirements of the law and its regulations. The date and topic addressed by a letter are identified, and summary information is also provided, as appropriate. To protect the privacy interests of the individual or individuals involved, personally identifiable information has been deleted, as appropriate.

Part B; Assistance for Education of All Children with Disabilities

Section 611—Authorization; Allotment; Use of Funds; Authorization of Appropriations

Section 619—Preschool Grants

Topic Addressed: Allocation of Grants

- Letter dated December 18, 2001 to U.S. Congressman Charles F. Bass, regarding implementation of the Preschool Grants and Assistance to States formulas and the options available for distribution of funds under sections 611 and 619.

Section 612—State Eligibility.

Topic Addressed: Confidentiality of Education Records

- Letter dated December 4, 2001 to U.S. Congressman Roscoe E. Bartlett from Family Policy Compliance Office Director LeRoy Rooker, regarding the circumstances under which an educational agency can permit the disclosure of education records without prior written parental consent.

Topic Addressed: Children In Private Schools

- Letter dated October 4, 2001 to individual, (personally identifiable information redacted), clarifying that there is no inconsistency between the statute and the regulations implementing IDEA regarding the extent of rights available to parentally-placed private school children with disabilities and their parents.

Topic Addressed: State Educational Agency General Supervisory Authority

- Letter dated November 6, 2001 to Ohio Department of Education Interim Director of the Office for Exceptional Children Ed Kapel, regarding a State's obligation to resolve complaints in accordance with the complaint requirements in Part B within the required timeline.

Topic Addressed: Assessments

- Letter dated October 10, 2001 to U.S. Congressman Curt Weldon, regarding the Federal requirements for including children with disabilities in assessments and the implementation of the IDEA provisions related to alternate assessments.

Section 614—Evaluations, Eligibility Determinations, Individualized Education Programs, and Educational Placements.

Topic Addressed: Evaluations and Reevaluations

- Letter dated November 5, 2001 to New Jersey Department of Education Commissioner Vito A. Gagliardi, Sr., regarding the IDEA Part B requirement that parental consent must be obtained before the initial evaluation, the reevaluation, and the provision of special education and related services and the fact that Part B does not permit public agencies to override a parent's refusal of consent for initial services or to initiate a due process hearing if a parent refuses consent to the initial provision of special education and related services.

Topic Addressed: Educational Placements

- Letter dated November 26, 2001 to Attorney Paul Veazey regarding the role of the placement team, including the child's parents, in the placement decision for a child with a disability and the authority of a public agency to make an administrative determination of the educational placement of a child with a disability consistent with the placement team's decision.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Office of Arms Control and Nonproliferation; Proposed Subsequent Arrangement

AGENCY: Department of Energy.

ACTION: Notice of subsequent arrangement.

SUMMARY: This notice is being issued under the authority of section 131, of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under the Agreement for Cooperation Between the Government of the United States of America and the Government of the Republic of Korea Concerning Civil Uses of Atomic Energy and the Agreement for Cooperation Concerning Civil Uses of Atomic Energy between the United States and Canada.

This subsequent arrangement concerns the retransfer of DUPIC fuel elements, containing 5,085 g uranium enriched to 1.08 per cent uranium-235 and 40 g plutonium from the Korea Atomic Energy Research Institute (KAERI) to the Chalk River Laboratories, Chalk River, Ontario, Canada. The DUPIC fuel elements, currently located at KAERI's Taejon, Korea facility, were manufactured using spent PWR fuel at KAERI. KAERI intends to use the fuel elements for irradiation tests in the NRU

research reactor operated by Chalk River Laboratories.

In accordance with section 131, of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement will not be inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than fifteen days after the publication of this notice.

Dated: March 22, 2002.

For the Department of Energy.

Trisha Dedik,

Director, Office of Nonproliferation Policy.

[FR Doc. 02-7439 Filed 3-27-02; 8:45 am]

BILLING CODE 6450-01-P

DEPARTMENT OF ENERGY

[Docket No. EA-211-A]

Application to Export Electric Energy; DTE Energy Trading, Inc.

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of Application.

SUMMARY: DTE Energy Trading, Inc. (DTE) has applied for authority to transmit electric energy from the United States to Canada pursuant to section 202(e) of the Federal Power Act.

DATES: Comments, protests or requests to intervene must be submitted on or before April 12, 2002.

ADDRESSES: Comments, protests or requests to intervene should be addressed as follows: Office of Coal & Power Import/Export (FE-27), Office of Fossil Energy, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585-0350 (FAX 202-287-5736).

FOR FURTHER INFORMATION CONTACT: Steven Mintz (Program Office) 202-586-9506 or Michael Skinker (Program Attorney) 202-586-2793.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated and require authorization under section 202(e) of the Federal Power Act (FPA) (16 U.S.C. 824a(e)).

On June 24, 1999 the Office of Fossil Energy (FE) of the Department of Energy (DOE) issued Order No. EA-211 authorizing DTE to transmit electric energy from the United States to Canada as a power marketer using the international electric transmission facilities owned and operated by Basin Electric Power Cooperative, Bonneville Power Administration, Citizen Utilities, Eastern Maine Electric Cooperative, International Transmission Company (formally The Detroit Edison Company),

Joint Owners of the Highgate Project, Long Sault, Inc., Maine Electric Power Company, Maine Public Service Company, Minnesota Power Inc., Minnkota Power Cooperative, New York Power Authority, Niagara Mohawk Power Corporation, Northern States Power, and Vermont Electric Transmission Company. That two-year authorization expired on June 24, 2001.

On March 5, 2002, the Office of Fossil Energy (FE) of the Department of Energy (DOE) received an application from DTE to transmit electric energy from the United States to Canada. Further, DTE requests that an electricity export authorization be issued for a 5-year term and that consideration of the application be expedited so that it may participate in the new competitive marketplace scheduled to begin in Ontario, Canada, on May 1, 2002.

Procedural Matters

Any person desiring to become a party to this proceeding or to be heard by filing comments or protests to this application should file a petition to intervene, comment or protest at the address provided above in accordance with §§ 385.211 or 385.214 of the FERC's Rules of Practice and Procedures (18 CFR 385.211, 385.214). Fifteen copies of each petition and protest should be filed with DOE on or before the date listed above.

Comments on the DTE application to export electric energy to Canada should be clearly marked with Docket EA-211-A. Additional copies are to be filed directly with Raymond O. Sturdy, Jr., DTE Energy Company, 2000 Second Avenue, 688 WCB, Detroit, MI 48226 and Sandra C. Steffen, DTE Energy Trading, Inc., 200 Ashley Mews, 414 South Main Street, Ann Arbor, MI 48104.

DOE notes that the circumstances described in this application are virtually identical to those for which export authority had previously been granted in FE Order No. EA-211. Consequently, DOE believes that it has adequately satisfied its responsibilities under the National Environmental Policy Act of 1969 through the documentation of a categorical exclusion in the FE Docket EA-211 proceeding.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above or by accessing the Fossil Energy Home Page at <http://www.fe.de.gov>. Upon reaching the Fossil Energy Home page, select "Electricity Regulation" and then "Pending Proceedings" from the options menus.

Issued in Washington, DC, on March 22, 2002.

Ellen Russell,

Acting Deputy Director, Electric Power Regulation, Office of Coal & Power Import/Export, Office of Coal & Power Systems, Office of Fossil Energy.
