

approved.<sup>14</sup> The Commission does not believe that the proposed rule changes raises novel regulatory issues that were not already addressed and should benefit Exchange members by permitting them greater flexibility in using hedge strategies advantageously, while providing an adequate level of protection against the opportunity for manipulation of these securities and disruption in the underlying market.

The Commission finds good cause, pursuant to section 19(b)(2) of the Act,<sup>15</sup> for approving Amendment No. 1 to the proposal prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**.

Amendment No. 1 establishes a position and exercise limit equal to no greater than five times the standard limit for those hedge strategies that include an OTC option component. Setting the position and exercise limit at this level should provide Exchange members greater flexibility in using hedge strategies advantageously, while providing an adequate level of protection against the opportunity for manipulation of these securities and disruption in the underlying market. Accordingly, the Commission finds good cause, consistent with sections 6(b)(5)<sup>16</sup> and 19(b)(2)<sup>17</sup> of the Act to accelerate approval of Amendment No. 1 to the proposed rule change.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 1, including whether it is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at

the principal office of the PCX. All submissions should refer to File No. SR-PCX-00-45 and should be submitted by May 8, 2002.

#### V. Conclusion

*It is therefore ordered*, pursuant to section 19(b)(2) of the Act,<sup>18</sup> that the proposed rule change (File No. SR-PCX-00-45), as amended, be and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>19</sup>

**AGENCY:** Department of State.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that all licenses and approvals to export or otherwise transfer defense articles and defense services to Zimbabwe pursuant to Section 38 of the Arms Export Control Act (AECA) are suspended until further notice. Further, effective immediately, it is the policy of the U.S. Government to deny all applications for licenses and other approvals to export or otherwise transfer defense articles and defense services to Zimbabwe.

**EFFECTIVE DATE:** April 17, 2002.

**FOR FURTHER INFORMATION CONTACT:** Mary F. Sweeney, Office of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State (202) 663-2700.

**SUPPLEMENTARY INFORMATION:** The Government of Zimbabwe has subverted the democratic process through a badly flawed presidential election, a campaign of violence and intimidation against its political opposition, and a blatant disregard for the rule of law and serious human rights abuses. Consequently, it is the policy of the Department of State to deny all applications for licenses and other approvals to export or otherwise transfer defense articles and defense services to Zimbabwe, until further notice. In addition, U.S. manufacturers and exporters and any other affected parties (e.g., brokers) are hereby notified that the Department of State has suspended all licenses and approvals authorizing the export or other transfer of defense articles and defense services to Zimbabwe. The licenses and approvals that have been suspended include manufacturing licenses and technical assistance agreements involving Zimbabwe, including any agreement that has Zimbabwe as a sales territory. This action also precludes the use in connection with Zimbabwe of any exemptions from licensing or other approval requirements included in the International Traffic in Arms Regulations (ITAR) (22 CFR parts 120-130) until further notice.

In accordance with established procedures under the ITAR, exceptions to this policy will be considered on a case-by-case basis.
