Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2002 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Treatment (CSAT) announces the

availability of FY 2002 funds for grants for the following activity. This notice is not a complete description of the activity; potential applicants must obtain a copy of the Guidance for Applicants (GFA), including Part I, Grants to Improve the Quality and Availability of Residential Treatment and Its Continuing Care Component for Adolescents (TI 02–007), and Part II, General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements, before preparing and submitting an application.

Activity	Application deadline	Est. funds FY 2002	Est. no. of awards	Project period years
Grants to Improve the Quality and Availability of Residential Treatment and its Continuing Care Component for Adolescents.	June 19, 2002 ..	\$8,000,000	16	3

The actual amount available for the award may vary, depending on unanticipated program requirements and the number and quality of applications received. FY 2002 funds for the activity discussed in this announcement were appropriated by the Congress under Public Law 106–310. SAMHSA's policies and procedures for peer review and Advisory Council review of grant and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions: Applicants must use application form PHS 5161–1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161–1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from: National Clearinghouse for Alcohol and Drug Information (NCADI), P.O. Box 2345, Rockville, MD 20847–2345, Telephone: 1–800–729–6686.

The PHS 5161–1 application form and the full text of the activity are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov>

When requesting an application kit, the applicant must specify the particular activity for which detailed information is desired. All information necessary to apply, including where to submit applications and application deadline instructions, are included in the application kit.

Purpose: The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse

Treatment (CSAT) announces the availability of Fiscal Year 2002 funds for up to 16 grants to enhance and/or expand residential treatment services for youth (aged 21 and under) referred for treatment of a drug or alcohol problem.

Eligibility: Public and domestic private non-profit entities are eligible to apply, including units of State and local government, Native Alaskan entities, Indian tribes and tribal organizations, and community-based organizations, including faith based organizations.

All direct providers of substance abuse treatment services involved in the proposed project, including the applicant organization, if applicable, must have been providing treatment services for adolescents for a minimum of two years prior to the date of this application. If the applicant organization is not a direct provider of substance abuse treatment services, the applicant must document a commitment from one or more experienced, licensed substance abuse treatment providers to participate in the proposed project. All direct providers of substance abuse services involved in the proposed project, including the applicant organization, if applicable, must be in compliance with any and all applicable local, city, county and/or State requirements for licensing, accreditation, and certification.

Availability of Funds: Approximately \$8.0 million will be available for up to 16 awards. The average annual award is expected to range from \$400,000 to \$500,000 in total costs (direct and indirect). Annual continuation awards are subject to the continued availability of funds and progress achieved by the grantee.

Period of Support: Awards may be requested for up to 3 years.

Criteria for Review and Funding

General Review Criteria: Competing applications requesting funding under this activity will be reviewed for technical merit in accordance with established PHS/SAMHSA peer review procedures. Review criteria that will be used by the peer review groups are specified in the application guidance material.

Award Criteria for Scored Applications: Applications will be considered for funding on the basis of their overall technical merit as determined through the peer review group and the appropriate National Advisory Council review process. Availability of funds will also be an award criteria. Additional award criteria specific to the programmatic activity may be included in the application guidance materials.
