SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-45801; File No. SR-NASD-2002-48]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the National Association of Securities Dealers, Inc. Relating to Revisions to the Limited Principal—Financial and Operations (Series 27) Examination Program

April 22, 2002.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 10, 2002, the National Association of Securities Dealers, Inc. ("NASD"), through its wholly owned subsidiary, NASD Regulation, Inc. ("NASD Regulation"), filed with the Securities and Exchange Commission ("Commission" or "SEC") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASD Regulation. NASD Regulation has designated this proposed rule change as one constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization under Section 19(b)(3)(A)(i) of the Act,³ and Rule 19b-4(f)(1)⁴ thereunder, which

renders the proposal effective upon filing with the Commission.⁵ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD Regulation is proposing revisions to the Limited Principal—Financial and Operations (Series 27) examination program. The proposed revisions update the Series 27 examination study outline,⁶ selection specifications,⁷ and question bank⁸ to reflect changes to the laws, rules, and regulations covered by the examination and to reflect more accurately the duties and responsibilities of a Series 27 principal. Additionally, the proposed revisions change the format of the Series 27 examination. The proposed revisions do not result in any textual changes to the By-Laws, Schedules to the By-Laws, or Rules of NASD Regulation or the NASD.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD Regulation included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD Regulation has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

⁵ See Letter to Alden S. Adkins, Senior Vice President and General Counsel, NASD Regulation, from Belinda Blaine, Associate Director, Division of Market Regulation, SEC, dated July 24, 2000.

⁶ The text of the Series 27 study outline is available at NASD Regulation and at the Commission.

⁷ NASD Regulation has requested confidential treatment for the Series 27 examination, and thus the specifications are omitted from this filing. The specifications have been filed separately with the Commission pursuant to Rule 24b-2 under the Act. 17 CFR 240.24b-2.

⁸ Based upon instruction from the Commission staff, NASD Regulation is not filing the question bank for Commission review. See Letter to Alden S. Adkins, Senior Vice President and General Counsel, NASD Regulation, from Belinda Blaine, Associated Director, Division of Market Regulation, SEC, dated July 24, 2000.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Pursuant to Section 15A(g)(3) of the Act,⁹ which requires the NASD to prescribe standards of training, experience, and competence for persons associated with NASD members, the NASD has developed examinations, and administers examinations developed by other self-regulatory organizations, that are designed to establish that persons associated with NASD members have attained specified levels of competence and knowledge. NASD Regulation periodically reviews the content of the examinations to determine whether revisions are necessary or appropriate in view of changes pertaining to the subject matter covered by the examinations.

The Series 27 examination is an NASD examination that qualifies an individual to function as a limited principal responsible for matters involving a member's financial and operational management. A Series 27 principal may serve as a member's chief financial officer.

A committee of industry representatives, together with NASD Regulation staff, recently undertook a review of the Series 27 examination program. As a result of this review, NASD Regulation is proposing revisions to the Series 27 examination study outline to reflect changes in relevant laws, rules, and regulations covered by the examination, including rules concerning anti-money laundering and Regulation S-P,¹⁰ and to reflect more accurately the duties and responsibilities of a Series 27 principal.

Additionally, NASD Regulation is proposing to reformat the examination. Currently, the Series 27 examination is a two-part test graded on a 140 point system. The first part includes 100 multiple-choice questions (each worth one point) and the second part, which is worth 40 points requires individuals to perform computations based on financial information in a member's trial balance. Individuals taking the examination may be given partial credit for answers to computational questions in the second part. NASD Regulation is proposing to change the format of the Series 27 examination to make it a one-part examination with a total of 145 multiple-choice questions (each worth

one point), and will not give partial credit for any answers.

To adequately test the material covered in the revised examination, NASD Regulation is proposing to reorganize the substantive sections of the outline and to allocate questions to each section as follows: Keeping and Preservation of Records and Broker/Dealer Financial Reporting Requirements, 16 questions; Net Capital Requirements, 44 questions; Customer Protection, 37 questions; Municipal Securities Rulemaking Board Regulations, 10 questions; Federal Reserve Board Regulations, 8 questions; Uniform Practice Rules, 15 questions; and Other Relevant Regulations and Interpretations, 15 questions.

NASD Regulation is proposing similar changes to the corresponding sections of the Series 27 examination selection specifications and question bank. The Series 27 examination will remain a 3½-hour examination and the passing score for the examination will continue to be 70%.

2. Statutory Basis

NASD Regulation believes that the proposed revisions are consistent with the provisions of Sections 15A(b)(6)¹¹ and 15A(g)(3) of the Act,¹² which authorize the NASD to prescribe standards of training, experience, and competence for persons associated with NASD members.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD Regulation does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act¹³ and Rule 19b-4(f)(1)¹⁴ thereunder, in that the foregoing proposed rule change constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or

enforcement of an existing rule of the self-regulatory organization. NASD Regulation proposes to implement the revised Series 27 examination program on August 1, 2002.

At any time within 60 days of this filing, the Commission may summarily abrogate this proposal if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to file number SR-NASD-2002-48 and should be submitted by May 20, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁵

Deputy Secretary.
