In addition, all citations to the Department's regulations are to the current regulations, codified at 19 CFR Part 351 (2001).

Background

Based on a request from Metal Forgings, and pursuant to section 351.214 of the Department's Regulations, on November 23, 2001, the Department initiated a new shipper review of the antidumping duty order on certain stainless steel flanges from India, covering the period January 1, 2000 through July 31, 2001 (66 FR 59568, November 29, 2001). Postponement of Preliminary Results

We have determined that we need additional information concerning the nature of respondent's home market merchandise, sales prices, and expenses, in order to make the calculations necessary for the preliminary results. Because of these unresolved issues, we consider this case to be extraordinarily complicated, and we are extending the time limit for completion of the preliminary results until September 19, 2002, in accordance with section 751(a)(2)(B)(iv) of the Tariff Act and section 351.214(i)(2) of the Department's regulations.
