ACTION: Proposed rule; withdrawal.

SUMMARY: This action withdraws the rulemaking proposal published in the **Federal Register** on February 13, 2001. In that action, the FAA proposed to establish two Federal airways in Alaska. The FAA has determined that withdrawal of the proposed rule is warranted since the proposed routes failed flight inspection due to weak navigational signals.

FOR FURTHER INFORMATION CONTACT: Ken McElroy, Airspace and Rules Division, ATA-400, Office of Air Traffic Airspace Management, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC 20591; telephone: (202) 267-8783.

SUPPLEMENTARY INFORMATION: On February 13, 2001, a proposed rule was published in the **Federal Register** that would have amended 14 CFR part 71 to establish two Federal airways in Alaska (66 FR 9990). Interested parties were invited to participate in the rulemaking process by submitting written data, views, or arguments regarding the

proposal. No comments were received on the proposal.

Due to the weak navigational signal affecting these proposed routes, they could not pass flight inspection. The FAA is therefore withdrawing this proposed rule.

Internal Revenue Service

31 CFR Part 1

Privacy Act, Implementation

AGENCY: Internal Revenue Service, Treasury.

ACTION: Proposed rule.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, the Department of the Treasury gives notice of a proposed amendment to this part to exempt a new Internal Revenue Service (IRS) system of records, the Employee Complaint and Allegation Referral Records, IRS 00.007, from certain provisions of the Privacy Act.

ADDRESSES: Please submit comments to the Director, Commissioner's Complaint Processing and Analysis Group, 1111 Constitution Avenue, N:ADC:C, NW., Washington, DC 20224. FOR FURTHER INFORMATION CONTACT: Jim D'Elia, Commissioner's Complaint Processing and Analysis Group, N:ADC:C, 1111 Constitution Avenue,

NW., Washington, DC 20224. Telephone number (202) 622–5212.

SUPPLEMENTARY INFORMATION: The Commissioner of the IRS has established a Complaint Processing and Analysis Group in the IRS National Headquarters. The purpose of the Group is (1) to promote public confidence in the integrity of the IRS; (2) to identify and monitor complaints, allegations and other information received concerning current and former IRS employees and IRS contractors; (3) to ensure that the IRS provides a timely and appropriate response to those complaints, allegations and other information; (4) to advise complainants of the status and results of investigations or inquiries conducted as a result of the IRS's receipt of their complaints, and (5) to compile summary reports. The reports will provide non-identifying information about the type of complaints, allegations and resulting actions concerning current and former IRS employees and IRS contractors and will be distributed to IRS and Department of the Treasury executives, managers and employees, the Congress and the public.

Specifically, section 1211 of Public Law 104–168, Taxpayer Bill of Rights 2 (TBOR2), requires that the Secretary of the Treasury submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a report of instances involving the misconduct of employees of the IRS. Section 3701 of Public Law 105–206, the IRS Restructuring and Reform Act (RRA) of 1998 requires that the Secretary or the Secretary's delegate maintain records of taxpayer complaints of misconduct by IRS employees on an individual employee basis to prepare the report required by section 1211 of TBOR2.

Under 5 U.S.C. 552a(k)(2), the head of an agency may promulgate rules to exempt a system of records from certain provisions of 5 U.S.C. 552a if the system is investigatory material compiled for law enforcement purposes. To ensure appropriate and complete response to complaints or allegations, the Complaint Processing and Analysis Group will frequently need to forward complaints, allegations, or related information to the Treasury Inspector General for Tax Administration (TIGTA) for investigation to determine if there has been a violation of a rule, regulation, or statute. Copies of the information forwarded to TIGTA will be retained in the Employee Complaint and Allegation Referral Records pending completion of investigation by TIGTA. The results of investigation completed by TIGTA will also be retained in the Employee

Complaint and Allegation Referral Records in accordance with the procedures in Internal Revenue Manual 1.15.2, Records Disposition Handbook.

The IRS is hereby giving notice of a proposed rule to exempt IRS 00.007, Employee Complaint and Allegation Referral Records, from certain provisions of the Privacy Act of 1974 pursuant to 5 U.S.C. 552a(k)(2). The proposed exemption is from provisions 552a (c)(3), (d), (e)(1), (e)(4)(G), (e)(4)(H), (e)(4)(I), and (f) because the system contains investigatory material compiled for law enforcement purposes. The following are the reasons why this system of records maintained by the IRS is exempt pursuant to 5 U.S.C. 552a(k)(2) of the Privacy Act of 1974.

(1) 5 U.S.C. 552a(c)(3). These provisions of the Privacy Act provide for the release of the disclosure accounting required by 5 U.S.C. 552a(c)(1) and (2) to the individual named in the record at his/her request. The reasons for exempting this system of records from the foregoing provisions are:

(i) The release of disclosure accounting would put the subject of an investigation on notice that an investigation exists and that such person is the subject of that investigation.

(ii) Such release would provide the subject of an investigation with an accurate accounting of the date, nature, and purpose of each disclosure and the name and address of the person or agency to which disclosure was made. The release of such information to the subject of an investigation would provide the subject with significant information concerning the nature of the investigation and could result in the altering or destruction of documentary evidence, the improper influencing of witnesses, and other activities that could impede or compromise the investigation.

(iii) Release to the individual of the disclosure accounting would alert the individual as to which agencies were investigating the subject and the scope of the investigation and could aid the individual in impeding or compromising investigations by those agencies.

(2) 5 U.S.C. 552a(d), (e)(4)(G), (e)(4)(H), and (f). These provisions of the Privacy Act relate to an individual's right to be notified of the existence of records pertaining to such individual; requirements for identifying an individual who requested access to records, the agency procedures relating to access to records and the content of the information contained in such records and the civil remedies available
