1448-374 (Technical grade active ingredient)	BBAB (95% active ingredient)

IV. The Agency's Authority for Taking this Action

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that a pesticide registration of the registrant be canceled or amended to terminate one or more uses. The Act further provides that before acting on the request, EPA must publish a notice of any such request in the **Federal Register**. Thereafter, following the public comment period, the Administrator may approve such a request.

V. Provisions for Disposition of Existing Stocks

In any order in response to this request for amendment to terminate uses, the Agency proposes to include the following provisions for treatment of any existing stocks of the products identified in the Table above:

All distribution, sale, or use by the registrant of existing stocks of affected manufacturing use and end-use products that bear the terminated uses will be unlawful under FIFRA effective 1 year from the Agency's receipt of the request for amendments to terminate uses. Any stocks of such products not in the hands of the registrant may continue to be sold, distributed, and used until such stocks are exhausted. For purposes of the cancellation order that the Agency intends to issue at the close of the comment period for this announcement, the term "existing stocks" will be defined, pursuant to EPA's existing stocks policy at 56 FR 29362, Wednesday, June 26, 1991, as those stocks of a registered pesticide product which are currently in the United States and which have been packaged, labeled, and released for shipment prior to the effective date of the cancellation or amendment. Any distribution, sale, or use of existing stocks after the effective date of the cancellation order that is not consistent with the terms of that order will be considered a violation of section 12(a)(2)(K) and/or 12(a)(1)(A) of FIFRA, unless it is for purposes of shipping

such stocks for relabeling, repackaging, export consistent with the requirements of section 17 of FIFRA, or disposal.

This Purchaser Agreement was negotiated and signed by the proposed purchaser prior to the enactment, in January 2002, of Public Law 107-118, the Small Business

Liability Relief and Brownfields Revitalization Act.

For thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the proposed Purchaser Agreement.
