[Docket No. RP02-366-000]

#### Florida Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

June 25, 2002.

Take notice that on June 19, 2002, Florida Gas Transmission Company (FGT) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, to become effective July 1, 2002: Fifty-Third Revised Sheet No. 8A Forty-Fifth Revised Sheet No. 8A.01 Forty-Fifth Revised Sheet No. 8A.02 Third Revised Sheet No. 8A.04 Forty-Eighth Revised Sheet No. 8B Forty-First Revised Sheet No. 8B.01

FGT states that in Docket No. RP02-163-000 filed on February 25, 2002, it filed to establish a Base Fuel Reimbursement Charge Percentage (Base FRCP) of 3.06 % to become effective for the six-month Summer Period beginning April 1, 2002. FGT states in the instant filing, it is filing a flex adjustment of 0.25% to be effective July 1, 2002, which, when combined with the Base FRCP of 3.06% results in an Effective Fuel Reimbursement Charge Percentage of 3.31%. This filing is necessary because FGT is currently experiencing higher fuel usage than is being recovered in the currently effective FRCP of 3.06%. Increasing the Effective FRCP will reduce FGT's underrecovery of fuel and reduce the Unit Fuel Surcharge in the next Summer Period.

FGT states that the tariff sheets listed above are being filed pursuant to Section 27.A.2.b of the General Terms and Conditions of FGT's Tariff, which provides for flex adjustments to the Base FRCP. Pursuant to the terms of Section 27.A.2.b, a flex adjustment shall become

effective without prior FERC approval provided that such flex adjustment does not exceed 0.50%, is effective at the beginning of a month, is posted on FGT's EBB at least five working days prior to the nomination deadline, and is filed no more than sixty and at least seven days before the proposed effective date. The instant filing comports with these provisions and FGT has posted notice of the flex adjustment prior to the instant filing.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Transwestern states that on August 15, 2000, it submitted pro forma tariff sheets in compliance with the Commission's Order Nos. 637, 637-A, and 637-B issued in Docket Nos. RM98-10 and RM98-12 (Commission Orders). Transwestern states that it has recently held discussions with its customers on how to resolve the remaining issues in this proceeding. The enclosed tariff sheets represent Transwestern's proposal to address issues raised in protests in this proceeding and to incorporate suggestions made by customers. Transwestern states that in several instances, these tariff proposals exceed the requirements set forth in the Commission Orders, but represent matters of importance to Transwestern and its customers that are intertwined with the resolution of issues in this proceeding.

Transwestern states that its discussions with its customers regarding the August 15, 2000 compliance filing in this docket addressed the expressed concerns of those customers filing protests to specific aspects of Transwestern's filing. In addition, Transwestern states that certain provisions contained in the August 15, 2002 filing have been overtaken by subsequent events and are no longer required to comply with Order No. 637, *et seq.* (e.g., netting and trading provisions which were filed by Transwestern and accepted by the Commission in compliance with Order No. 587-L).

In the instant filing, Transwestern is withdrawing all of the pro forma tariff sheets filed on August 15, 2000 and is filing new pro forma tariff sheets which address the issues raised by those parties protesting Transwestern's August 15 filing and update Transwestern's filing to recognize the subsequent events which have occurred.
