SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. This action may be of particular interest to anyone who may be affected if the AEGL values are adopted by government agencies for emergency planning, prevention, or response programs, such as EPA's Risk Management Program under the Clean Air Act and Amendments Section 112r. It is possible that other Federal agencies besides EPA, as well as State agencies and private organizations, may adopt the AEGL values for their programs. As such, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you

have any questions regarding the applicability of this action to a particular entity, consult the DFO listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Additional Information, Including Copies of this Document or Other Related Documents?

1. *Electronically.* You may obtain electronic copies of this document, and certain other related documents that might be available electronically, from the EPA Internet Home Page at <http://www.epa.gov/>. To access this document, on the Home Page select "Laws and Regulations," "Regulations and Proposed Rules," and then look up the entry for this document under the "**Federal Register**—Environmental Documents." You can also go directly to the **Federal Register** listings at <http://www.epa.gov/fedrgstr/>.

2. *In person.* The Agency has established an official record for this action under docket ID number OPPT-2002-0045. The official record consists of the documents specifically referenced in this action, any public comments received during an applicable comment period, and other information related to this action, including any information claimed as Confidential Business Information (CBI). This official record includes the documents that are physically located in the docket, as well as the documents that are referenced in those documents. The public version of the official record does not include any information claimed as CBI. The public version of the official record, which includes printed, paper versions of any electronic comments submitted during an applicable comment period, is available for inspection in the TSCA Non confidential Information Center, North East Mall Rm. B-607, Waterside Mall, 401 M St., SW., Washington, DC. The Center is open from noon to 4 p.m., Monday through Friday, excluding legal holidays. The telephone number of the Center is (202) 260-7099.

II. Meeting Procedures

For additional information on the scheduled meeting, the agenda of the NAC/AEGL Committee, or the submission of information on chemicals to be discussed at the meeting, contact the DFO listed under **FOR FURTHER INFORMATION CONTACT**.

The meeting of the NAC/AEGL Committee is open to the public. Oral presentations or statements by interested parties are limited to 10 minutes. Interested parties are encouraged to contact the DFO to schedule presentations before the NAC/AEGL Committee. Since seating for

outside observers may be limited, those wishing to attend the meeting as observers are also encouraged to contact the DFO at the earliest possible date to ensure adequate seating arrangements. Inquiries regarding oral presentations or submission of written statements or chemical-specific information should be directed to the DFO.

III. Future Meetings

Another meeting of the NAC/AEGL Committee is tentatively scheduled for December 2002.

EPA Science Advisory Board Notification of Public Advisory Committee Teleconference Meeting of the Clean Air Scientific Advisory Committee

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Clean Air Scientific Advisory Committee (CASAC) Particulate Matter (PM) Review Panel will meet via public teleconference on Wednesday, August 28, 2002. For those in the Washington DC metro area, the meeting will be hosted out of the SAB Conference Room (Room 6013, USEPA, Ariel Rios Building, 1200 Pennsylvania Avenue, NW., Washington, DC 20004). The meeting will begin at 11 a.m. and adjourn no later than 2 p.m. Eastern Time. This meeting is open to the public; however, seating and teleconference lines are limited and available on a first come basis. Information on how to access the meeting via conference call is available from Ms. Zisa Lubarov-Walton (see contact information below). *Important Notice:* Documents that are the subject of SAB reviews are normally available from the originating EPA office and are not available from the SAB Office—information concerning availability of documents from the relevant Program Office is included below.

Purpose of the Meeting

The CASAC PM Review Panel will be briefed by Agency staff on plans to address issues raised at the July 18–19, 2002 Panel meeting (see 67 FR 41722, June 19, 2002 for details of that meeting). At that meeting, the Panel conducted a *peer review* of the EPA Air Quality Criteria for Particulate Matter (Third External Review Draft) prepared by EPA's National Center for Environmental Assessment (NCEA).

The focus of this meeting is for the EPA to (a) inform the Panel of its plans to coordinate the process of updating recent research identified at the July 18–19, 2002 meeting; (b) make necessary changes to the draft document (EPA Air Quality Criteria for Particulate Matter—Third External Review Draft); and (c) estimate the future review schedule for the revised draft document.

Availability of Review Materials

The draft review document (reviewed on July 18–19, 2002), EPA Air Quality Criteria for Particulate Matter (Third External Review Draft) assesses the latest available scientific information on the effects of airborne particulate matter (PM) on human health and welfare. To obtain a copy of the draft document, or to obtain further information concerning this document, please refer to 67 FR 31303, May 9, 2002. This review document is *not* available from the EPA Science Advisory Board.

The transcript of the July 18–19, 2002 will be available on the EPA Science Advisory Board website (<http://www.epa.gov/sab/casacpmpmpanel.html>) on or about the time this notice is published in the **Federal Register**.

A draft meeting agenda for the teleconference meeting will be available on the SAB website (<http://www.epa.gov/sab/casacpmpmpanel.html>) approximately one week prior to the meeting.

For Further Information

Any member of the public wishing further information concerning this meeting should contact Mr. A. Robert Flaak, Acting Deputy Director, EPA Science Advisory Board (1400A), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; telephone (202) 564-4546; FAX (202) 501-0852; or via e-mail at flaak.robert@epa.gov. For information on connecting to the teleconference, please contact Ms. Zisa Lubarov-Walton, EPA Science Advisory Board, Mail Code 1400A, U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington DC 20460 telephone (202) 564-4537,

FAX (202) 501-0582; or via e-mail at lubarov-walton.zisa@epa.gov.

Public Comments

Since this meeting is a briefing on process and schedule, no public comments will be taken (oral or written). A public comment period will be part of the next formal peer review meeting of the Panel. This next meeting will be announced in the **Federal Register** and on the SAB website (<http://www.epa.gov/sab>).

Meeting Access

Individuals attending in person, and who will require special accommodation, including wheelchair access to the conference room, should contact Mr. Flaak at least five business days prior to the meeting so that appropriate arrangements can be made.

Dated: August 5, 2002.

A. Robert Flaak,

Acting Director, EPA Science Advisory Board.

FEDERAL EMERGENCY MANAGEMENT AGENCY

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on an extension of a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506 (c) (2) (A)), this notice seeks comments on the Exemption of State-Owned Properties Under Self-Insurance Plan.

SUPPLEMENTARY INFORMATION: 44 CFR part 75 establishes standards with respect to the Federal Insurance Administrator's (FIA) determinations, that a State's plan of self-insurance is adequate and satisfactory for the purposes of the Act, from the requirement of purchasing flood insurance coverage for State-owned structures and their contents in areas identified by the Administrator as A, AO, AH, A1–A30, AE, A99, M, V, VO, V1–V30 and E zones, in which the sale of insurance has been made available. It also establishes the procedures by which a State may request exemption under section 102 C of the Act.

Collection of Information:

Title: Exemption of State-Owned Properties Under Self-Insurance Plan.

Type of Information Collection: Extension of a currently approved collection.

OMB Number: 3067-0127.

Abstract: The application for exemption is made to the Federal Insurance Administration by the Governor or other duly authorized official of the State accompanied by sufficient supporting documentation which certifies that the plan of self-insurance upon which the application for exemption is based meets or exceeds the standards set forth in 44 CFR section 75.11. Upon determining that the State's plan of self-insurance equals or exceeds the standards, the Administrator then certifies that the State is exempt from the requirements for the purchase of flood insurance for State-owned structures and their contents.

Affected Public: State, Local, or Tribal Government.

Number of Respondents: 20.

Hours Per Response: 5.

Estimated Total Annual Burden

Hours: 100 hours.

Estimated Cost: \$3,000.

Comments: Written comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. Comments should be received within 60 days of the date of this notice.

ADDRESSES: Interested persons should submit written comments to Muriel B. Anderson, Chief, Records Management Section, Program Services and Systems Branch, Facilities Management and Services Division, Administration and Resource Planning Directorate, Federal Emergency Management Agency, 500 C Street, SW., Room 316, Washington, DC 20472.

FOR FURTHER INFORMATION CONTACT: You may contact Ms. Mary Ann Chang, Federal Insurance Administration, (202) 646-2790. For copies of the proposed
