

specified, or if no time is specified, within thirty days.

Part I of the proposed order also prohibits respondent from violating any provision of the Federal Trade Commission's trade Regulation Rule Concerning Mail or Telephone Order Merchandise (the "Mail Order Rule") in connection with rebates in the form of merchandise. Among other things, the Mail Order Rule prohibits marketers from failing to provide rebates in the form of merchandise within the time they specify for delivery, or if no time is specified, within thirty days, unless they offer consumers the option of consenting to a delay or canceling the rebate request and promptly receiving reasonable cash compensation instead of the merchandise originally offered. Finally, Part I of the proposed order similarly prohibits respondent from failing to provide rebates in the form of services or any other consideration (other than cash, credit towards future purchases, or merchandise) within the time he specifies for delivery, or if no time is specified, within thirty days, unless he offers consumers the option of consenting to a delay or canceling the rebate request and promptly receiving reasonable cash compensation instead of the rebate originally offered.

Parts II through IV of the proposed order are reporting and compliance provisions. Part V is a provision "sunsetting" the order after twenty years, with certain exceptions.

The purpose of this analysis is to facilitate public comment on the proposed order, and it is not intended to constitute an official interpretation of the agreement and proposed order or to modify in any way their terms.

By direction of the Commission.

Benjamin I. Berman,
Acting Secretary.

Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

In compliance with the requirements of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Department of Health and Human Services (DHHS), has submitted to the Office of Management and Budget (OMB) the following request for emergency review. We are requesting an

emergency review because we believe the collection of this information will be extremely useful prior to the World Summit on Sustainable Development to be held in Johannesburg, South Africa, from 26 August—4 September, 2002. This summit is regarded as one of the most significant United Nations conferences in recent times. The Summit will shape future actions within a globally defined sustainable development agenda. Health is emerging as a particularly important global priority in the context of sustainable development. In this context, the information (opinions) from the two proposed groups is important, both for U.S. participation in the summit itself and for the follow-up that will need to begin immediately thereafter.

Most countries will be represented in Johannesburg by their head of state/government, cabinet level, and other appropriate senior government officials, among others. Details of the U.S. delegation have not been finalized. However, the United States will surely be represented at an appropriate senior level, along with other senior government officials, and others. The results of this study, related to the current awareness and perceptions of global health among key U.S. influencers and the general public, will be used to inform and shape U.S. participation and strategies at the summit, and in particular will shape important follow up activities for the Department of Health and Human Services beginning immediately after the summit. Following the normal clearance procedures would not allow us to complete the study in time to make this important information available in time for the United Nations world summit this summer. DHHS is requesting that OMB grant emergency approval as soon as possible for 180-days.

Applications will be considered as meeting the deadline if they are: Received on or before the deadline date by the Office of Minority Health by 5 PM EDT. Applications hand-carried by applicants or by applicant couriers shall be considered as meeting an announced deadline if they are received on or before the deadline date between the hours of 9 a.m. to 5 p.m. at the address indicated above. Applications submitted by facsimile transmission (FAX) or any other electronic format will not be accepted. Applications which do not meet the deadline will be considered late and will be returned to the applicant unread.

FOR FURTHER INFORMATION CONTACT: Ms. Sally Jones, Administrative Officer, Office of Disease Prevention and Health Promotion, Hubert H. Humphrey Building Room 738-G, 200 Independence Avenue, SW., Washington, DC 20201, (202) 260-7654.

SUPPLEMENTARY INFORMATION: The Office of Disease Prevention and Health Promotion (ODPHP) uses cooperative agreements with public and non-profit organizations to support its mandate to provide leadership to promote health and prevent disease among Americans through management and coordination of the implementation of Healthy People 2010, the nation's health objectives for this decade. Through cooperative agreements, ODPHP has forged public-private partnerships to extend the reach and effectiveness of its work. For a copy of Healthy People 2010, visit the

Internet site: <http://www.health.gov/healthypeople>.

ODPHP intends to provide \$125,000 to one grantee to enhance core competencies in health promotion and disease prevention for medical students, residents, and physicians. Measurable outcomes will include increased knowledge and understanding of the content, value and usage of such materials as Healthy People 2010, the Leading Health Indicators, Guide to Clinical Preventive Services, Guide to Community Preventive Services, and health promotion and disease prevention in general.

Application Kit

For this cooperative agreement, Form PHS 5161-1 (Revised July, 2000 and approved by OMB under Control Number 0937-0189) must be used. An applicant is advised to pay close attention to the specific program guidelines and general instructions provided in the application kit. To get an application kit, write to: Ms. Karen Campbell, Grants Management Officer, Division of Management Operations, Office of Minority Health, Rockwall II Building, Suite 1000, 5515 Security Lane, Rockville, MD 20852; or call Karen Campbell at (301) 594-0758.

Eligible Applicants: To qualify for funding, an applicant must be a professional organization/society or institution of higher learning responsible for the education of medical students, preventive-medicine residents, primary-care residents, and practicing physicians from communities across the country. Eligible applicant organizations are encouraged to apply as partnerships.

Faith-based organizations that meet the definition of a professional organization/society or institution of higher learning responsible for the training of those populations listed above are eligible to apply for this Disease Prevention and Health Promotion Education and Training Program Cooperative Agreement.

Availability of Funds: About \$125,000 is expected to be available in FY 2002 to fund one cooperative agreement. It is expected that this award will begin on or about September 30, 2002 and will be made for a 12-month budget period with a project period of five years. Funding estimates may change. Grantee may make contracts. Grantee will not be expected to match funds or share project costs.

Use of Funds: Funds cannot be used for construction or renovation, to purchase or lease vehicles or vans, to purchase a facility to house project staff or carry out project activities, or to
