## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-46319; File No. SR-OCC-2002-12]

### Self-Regulatory Organizations; the Options Clearing Corporation; Notice of Filing of Proposed Rule Change Relating to Accelerating the Maturity Date for Certain Adjusted Security Futures Contracts

August 6, 2002.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> notice is hereby given that on June 25, 2002, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by OCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change would amend OCC Rule 1304 to permit OCC to accelerate the maturity date of security futures contracts that have been adjusted to call only for the delivery of a fixed amount of cash.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.<sup>2</sup>

##### (A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to permit OCC to accelerate the maturity date of security futures contracts that have been adjusted to call only for delivery of a fixed amount of cash. If the issuer of an underlying security were party to a cash merger in which its stock was converted into a

right to receive cash only, futures on that stock would ordinarily be adjusted to call for delivery of the cash. Under the proposed rule change, OCC would have authority to accelerate the maturity dates of the adjusted futures to fall on or shortly after the effective date of the merger. The final settlement price for all accelerated futures, regardless of maturity date, would be fixed at the amount of cash into which the underlying security has been converted.

The proposed rule change parallels OCC Rule 807, which applies to European-style FLEX equity options. Acceleration of the expiration date for European-style options that have been adjusted to call for delivery of cash results in the acceleration of the options' ability to be exercised and therefore in the acceleration of payment of the exercise settlement amount to the holder if the option is in the money. Futures contracts, by contrast, are marked to market daily and settlement of an accelerated contract will occur through a final mark-to-market payment based on the amount of cash into which the underlying security has been converted. Like Rule 807, the proposed rule change would relieve market participants of the burden of continuing to maintain and account for open interest in contracts that no longer are subject to increases or decreases in value.

The proposed rule change is consistent with the requirements of section 17A of the Act<sup>3</sup> and the rules and regulations thereunder applicable to OCC because it promotes the prompt and accurate clearance and settlement of securities transactions, fosters cooperation and coordination with persons engaged in the clearance and settlement of securities transactions, removes impediments to and perfects the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions, and in general, protects investors and the public interest.

##### (B) Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change would impose any burden on competition.

##### (C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were not and are not intended to be solicited with respect to the proposed rule change and none have been received. OCC will notify the

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> The Commission has modified the text of the summaries prepared by OCC.

<sup>3</sup> 15 U.S.C. 78q-1.
