Pilot Project For Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The JKJ Program—CFDA No. 84.170A is one of the programs included in the pilot project. If you are an applicant under the JKJ Program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-APPLICATION, formerly e-GAPS) portion of the Grant Administration and Payment System (GAPS). We request your participation in this pilot project. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-APPLICATION pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic or paper format.
- You can submit the Applicant Information Sheet and Personal Statement electronically, however, you must submit all other application materials in hardcopy, including your letters of recommendation, transcripts, GRE report (if required for your field of study), and supporting materials in the arts.

- Within three working days of submitting your electronic application fax a signed copy of the Applicant Information Sheet to the Application Control Center after following these steps:

1. Print the Applicant Information Sheet from the e-APPLICATION system.
2. Make sure that you sign this form.
3. Before faxing this form, submit your electronic application via the e-APPLICATION system. You will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).
4. Place the PR/Award number in the upper right hand corner of Applicant Information Sheet.

5. Fax the Applicant Information Sheet to the Application Control Center at (202) 260-1349.

You may access the electronic grant application for the JKJ Program at: <http://e-grants.ed.gov>.
