

More specifically, sections 926.3 and 926.4 of the rule implement the statutory eligibility requirements and provide guidance to an applicant on how it may satisfy such requirements.³ Section 926.5 authorizes the FHLBanks to approve or deny all applications for certification as a housing associate, subject to the statutory and regulatory requirements.⁴ Section 926.6 permits an applicant to appeal an FHLBank decision to deny certification to the Finance Board.⁵

Section 950.17 of the Finance Board regulations establishes the terms and conditions under which an FHLBank may make advances to a certified housing associate. Section 950.17 also imposes a continuing obligation on a housing associate to provide information necessary for the FHLBank to determine if the housing associate remains in compliance with applicable statutory and regulatory requirements.⁶

The information collection contained in sections 926.1 through 926.6 and section 950.17 of the Finance Board regulations is necessary to enable the FHLBanks to determine whether an applicant satisfies the statutory and regulatory requirements to be certified initially and to maintain its status as a housing associate eligible to receive FHLBank advances. The Finance Board requires and uses the information collection to determine whether to uphold or overrule an FHLBank decision to deny housing associate certification to an applicant.

The OMB control number for the information collection is 3069-0005. The OMB clearance for the information collection expires on November 30, 2002.

The likely respondents include applicants for housing associate certification and current housing associates.

The estimate for the annual hour burden for applicants is 75 hours (5 applicants $\times$ 1 response per applicant $\times$ 15 hours).

The Finance Board estimates the total annual average number of maintenance respondents, that is, certified housing associates, at 57, with 1 response per housing associate. The estimate for the average hours per maintenance response is 0.5 hours. The estimate for the annual hour burden for certified housing associates is 28.5 hours (57 certified housing associates $\times$ 1 response per associate $\times$ 0.5 hours).

The estimate for the total annual hour burden is 103.5 hours (57 housing associates $\times$ 1 response per associate $\times$ 0.5 hours + 5 applicants $\times$ 1 response per applicant $\times$ 15 hours).

Office of the Secretary

Agency Information Collection Activities; Proposed Collections; Comment Request

The Department of Health and Human Services, Office of the Secretary will periodically publish summaries of proposed information collections projects and solicit public comments in compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995. To request more information on the project or to obtain a copy of the information collection plans and instruments, call the OS Reports Clearance Office at (202) 619-2118 or e-mail Geerie.Jones@HHS.gov.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project 1. "Request for Review of Medicare Hearing Decision/

Order"—NEW—The Departmental Appeals Board (DAB) proposes to discontinue use of the existing SSA form HA-520 and establish a new HHS form to obtain information relevant to Medicare appeals. The HA-520 was originally developed by the Social Security Administration (SSA) for use in requesting review of Administrative Law Judges (ALJs) actions in both Social Security and Medicare cases. After SSA became an independent agency, SSA regulations beginning at 20 CFR 404.967 governing review of cases by the SSA Appeals Council were adopted by HHS to govern the DAB's review of ALJ decisions in Medicare cases. We are now establishing a new form which reflects the changed responsibilities of HHS, and includes the proper address for submission of requests for review of ALJ actions in Medicare cases. Revision of the form would allow for the collection of accurate information to facilitate sending these requests directly to the appropriate HHS office for processing and review. Respondents: Individuals; Number of Respondents: 1,000; Average Burden per Response: 15 minutes; Total Burden: 250 hours.

Send comments via e-mail to Geerie.Jones@HHS.gov or mail to OS Reports Clearance Office, Room 503H, Hubert H. Humphrey Building, 200 Independence Avenue, SW., Washington, DC 20201. Comments should be received within 60 days of this notice.
